Registration Decision Statement[1] for *Phoma macrostoma* strain 94-44B

Health Canada's Pest Management Regulatory Agency (PMRA), under the authority of the *Pest Control Products Act* and Regulations, is granting full registration for the sale and use of Bio-Phoma Technical Herbicide, the manufacturing concentrate, Bio-Phoma Manufacturing Concentrate, as well as three associated end-use products: Wilson Lawn WeedOut Ready-To-Use Bio-Phoma Herbicide, Wilson Lawn WeedOut Spot Weeder Bio-Phoma Herbicide and Wilson Lawn WeedOut Bio-Phoma Commercial, containing the technical grade active ingredient *Phoma macrostoma* strain 94-44B, to control a broad spectrum of broadleaf weeds in established turfgrass, new seeding of grasses, in field grown nursery, ornamental plants and trees, and container grown ornamentals.

This decision is consistent with the Proposed Registration Decision PRD2016-28, *Phoma macrostoma* strain 94-44B, which contains a detailed evaluation of the information submitted in support of this registration. The evaluation found that, under the approved conditions of use, the products have value and do not present an unacceptable risk to human health or the environment. The PMRA received no comments on PRD2016-28, *Phoma macrostoma* strain 94-44B.

Other Information

The relevant test data on which the decision is based (as referenced in PRD2016-28, *Phoma macrostoma* strain 94-44B) are available for public inspection, upon application, in the PMRA's Reading Room (located in Ottawa). For more information, please contact the PMRA's Pest Management Information Service by phone (1-800-267-6315) or by e-mail (pmra.infoserv@hc-sc.gc.ca).

Any person may file a notice of objection[2] regarding this registration decision within 60 days from the date of publication of this Registration Decision. For more information regarding the basis for objecting (which must be based on scientific grounds), please refer to the Pesticides and Pest Management portion of the Health Canada's website (Request a Reconsideration of Decision) or contact the PMRA's Pest Management Information Service.
