About this publication

The information in this publication reflects that which is contained in the Department's *Diplomatic Registry System (DRS)*. Persons whose name and title appear in this publication are covered by the provisions of the *Foreign Missions and International Organizations Act*. Additionally, the publication includes, for hospitality reasons only, the names of individuals (marked by an asterix*) who do not enjoy status under the above statute. The foregoing is considered by the Department to be current and accurate within the last thirty (30) days.

Changes to this information can only be made through official notification by way of a note to the Department. Circular Note XDC-3875 dated September 20, 1990 and the "Guide for the Diplomatic and Consular Corps in Canada 1988" explain the notification requirements of this Department for the departure of personnel.

To ensure continuous accuracy of information, a circular note was sent to all Missions, International Organizations and other Offices (XDC-0252 dated February 18, 2001). This reminder drew attention to the web page entitled "Foreign Representatives in Canada" via which the edition of the publication is available. It also clearly emphasized the importance of prompt notification, by way of a note to the Department, of departure details for personnel who have completed their postings, alterations to personnel designations due to promotions or other changes which can affect the information in this publication.
