

A new on-line database!

The Canadian Seniors Policies and Programs Database

<http://www.sppd.gc.ca>

Where you can:

- browse seniors policies and programs by jurisdiction or by subject;
- directly access federal, provincial or territorial web sites related to a specific policy or program, including, where available, on-line applications;
- discover how seniors programs and policies across Canada and across jurisdictions are linked to one another;
- create customized reports in other software packages; and
- learn more about the National Framework on Aging.
