## **LOCAL FESTIVALS AND THE CANADIAN ENVIRONMENTAL ASSESSMENT ACT**

Consistent with its commitment to sustainable development through all of its policies and programs, the Department of Canadian Heritage requires that applications to *Building Communities Through Arts and Heritage* be subject to the rules and regulations of the *Canadian Environmental Assessment Act*.

1. Your application to the *Local Festivals* component must include a completed *Building Communities Through Arts and Heritage Environmental Assessment Exclusion Questionnaire*.
2. The information requested in the *Exclusion Questionnaire* is used to determine whether a project will require an environmental assessment under the *Canadian Environmental Assessment Act*. Some examples of situations that may require an environmental assessment are:
  - the construction of an exterior, temporary exhibition structure
  - the presentation of activities in a national park, national park reserve, national historic site, or on a First Nations Reserve
  - the presentation of activities located within 30 meters of a body of water

If an environmental assessment is required for your project, your group will have to communicate with an officer of Public Works and Government Services Canada (PWGSC) to complete the process and to confirm your eligibility for funding from the *Building Communities Through Arts and Heritage* program. The environmental assessment will determine the nature and extent of any adverse environmental consequences that could result from the project, and the mitigation measures that may be necessary to complete the project as planned.

---

## **HOW ARE APPLICATIONS EVALUATED?**

The Department of Canadian Heritage will assess your application based on the following three categories:

1. Community involvement
2. Impact on local arts and heritage in the community
3. Management capacity including a reasonable project budget

Some of the specific factors to be considered include:

- the number of volunteers involved in your festival

- the contribution of volunteers and other members of your community to the planning, implementation, and evaluation of your festival
- the number of community partners involved in your festival (e.g., community associations, historical societies, service clubs, local businesses, individuals)
- the level of cash and/or in-kind support from your community partners
- the number of local artists, artisans, and performers of local historical heritage involved in your festival
- the reasonableness of your budget and your ability to manage the festival
- the degree to which the objective of the *Building Communities Through Arts and Heritage* program was met by previously funded projects

Included in the assessment process may be an examination of your website, media coverage of your festival and/or your group and its activities, and other public documents.

The assessment of applications is a competitive process and the *Local Festivals* component has limited resources. Funding decisions are based on the number and quality of requests received for each deadline, the value of the eligible expenses identified in your project, and the amount of funding available in each province and territory. While your group and festival may be eligible, you are not guaranteed funding from the Program. If your application is successful, the funding may not correspond to the amount requested.

---

## HOW ARE FESTIVALS FUNDED?

The maximum funding for any one event/project from the *Local Festival* component is \$200,000.

Funding amounts of more than \$50,000 are disbursed through a contribution agreement. For funding amounts up to \$50,000, the Department of Canadian Heritage will determine if the funding will be disbursed as a grant or as a contribution.

Some eligible expenses under the *Local Festivals* component may receive funding from other government sources (federal, provincial/territorial, municipal administrations). The combination of financial assistance received from the *Local Festivals* component and other government sources cannot exceed 100 percent of the total eligible expenses of the festival.

---

## APPLICATION PROCESSING TIME

The Department of Canadian Heritage will send you a letter of acknowledgment within two weeks of receipt of your application.

The goal is to issue official written notification of funding decisions within 26 weeks of the Program's application deadline dates. Processing time will vary depending on the overall demand for funding, as well as the nature and complexity of each proposal. All applicants will be notified in writing about the results of their application.

---

## IF YOU RECEIVE FUNDING

If your application is approved for a grant, your initial payment will be processed within 28 days of the Department's receipt of the signed Liability Waiver, by which you indemnify the crown and all its employees from the results of the undertakings of your group.

If your application is approved for a contribution, your initial payment will be processed within 28 days of the Department's receipt of the signed contribution agreement and a request for payment. Please note that in the case of a contribution, a liability waiver is included in the contribution agreement.

The historical accuracy and content of the project are solely the responsibility of the recipient.

Recipients are strongly encouraged to obtain insurance to cover their own and their volunteers' activities within the context of the festival.

Recipients may be required to provide a revised budget and a monthly cash flow for the duration of the project.

Funding for projects that are assessed by the Department to require an environmental assessment consistent with the *Canadian Environmental Assessment Act*, will be conditional on receipt and acceptance of the assessment report and where necessary, notice that steps to mitigate damage to the environment have been completed.

All recipients must acknowledge funding from the Department of Canadian Heritage in promotional materials in a manner consistent with the guidelines found at the following address:

[www.pch.gc.ca/pc-ch/peaf-pafa/index-eng.cfm](http://www.pch.gc.ca/pc-ch/peaf-pafa/index-eng.cfm). Consult your Regional Office of the Department Canadian of Heritage for advice.

All recipients are required to submit a final report to the Department of Canadian Heritage. The report template is available on the Department website. [www.pch.gc.ca/communities](http://www.pch.gc.ca/communities)

Recipients of a contribution must submit a final financial report, as described in the contribution agreement. Recipients of a contribution of \$200,000 are required to submit audited financial statements of their project.

An Act that ensures that the environmental effects of projects are carefully reviewed before federal authorities take action in connection with them so that projects do not cause significant adverse environmental effects.

**Cash flow:** A presentation of all anticipated revenue and planned expenses that will occur over the length of your project. At the beginning of your project, your cash flow presentation will forecast revenue and expenses to help you manage your funds. **Community:** The persons residing in and sharing a common geographic area that is smaller than a province or territory (Quebec only, smaller than an administrative area).

Donated goods or services may be eligible if they:

- are essential to the festival's success, are eligible under the program guidelines, and would otherwise be purchased by the recipient
- can be assessed at fair market value (i.e., in relation to the purchase of similar materials and services)
