Essential Skills and Apprenticeship

Essential Skills Tools for the Skilled Trades

Strong Essential Skills such as reading, numeracy, document use and working with others contribute to success in training and in the workplace. Tools are available to understand, assess and improve these skills. The tools can be used independently or with the help of an employer or trainer.

If you are an **APPRENTICE or a **TRADESPERSON**, use Essential Skills Tools to:**

- Learn more about which Essential Skills are required in your trade
- Discover your strengths and find areas where you can improve
- Increase your chances of success in training
- Build your confidence to learn the technical skills of a trade

If you are an **EMPLOYER, use Essential Skills Tools to:**

- Develop job descriptions
- Identify training needs
- Support workers in on-the-job training

If you are a **TRAINER, EDUCATOR or **ADVISOR**, use Essential Skills Tools to:**

- Easily identify the Essential Skills required in a variety of trades
- Assess an individual's Essential Skills strengths and identify areas for improvement
- Develop a plan to help an individual improve their Essential Skills
