President's Message

I am pleased to table the *Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada 2010*, in accordance with the provisions of the *Financial Administration Act*.

This past year, Crown corporations have played a vital role in the Government of Canada's response to the global recession. Our Economic Action Plan provided financially oriented Crown corporations with new resources and flexibilities. This enabled them to improve access to financing for Canadian households and businesses, which in turn helped stimulate our economic recovery.

For example, Export Development Canada and the Business Development Bank of Canada provided \$5 billion in financing support and facilitation to almost 9,000 businesses in regions all across the country and in all sectors of the economy.

Crown corporations are also part of our Government's efforts to further strengthen accountability and transparency in the Government. Starting in fiscal year 2011–12, Crown corporations will publish quarterly financial reports, ensuring that parliamentarians and Canadians benefit from enhanced, open and transparent information on Government spending.

Canadians can take pride in the important work carried out by Crown corporations, a number of which have been recognized as model employers.

I encourage parliamentarians and Canadians to consult this report for key information on federal Crown corporations and their wholly owned subsidiaries, as well as information on the other corporate interests of Canada.

Original signed by

The Honourable Stockwell Day, P.C., M.P.
President of the Treasury Board and
Minister for the Asia-Pacific Gateway

Introduction

The *Annual Report to Parliament on Crown Corporations and Other Corporate Interests of Canada 2010* is prepared in accordance with sections 151 and 152 of the *Financial Administration Act* (FAA). These sections require that the President of the Treasury Board table annually a consolidated report on the businesses and activities of all parent Crown corporations, as well as information on other corporate interests of Canada. The President is also required to indicate when Crown corporation annual reports and summaries of corporate plans and budgets were due to be tabled in each House of Parliament and when they were actually tabled. This information is collected through an annual call for corporate information undertaken by the Treasury Board Secretariat.

This report also presents a description of the federal institutional forms that make up the Government of Canada and an inventory of these institutions, pursuant to the *Policy on Reporting of Federal Institutions and Corporate Interests to Treasury Board Secretariat*. This policy supports the annual updating of information regarding the current composition of the Government of Canada, as well as the current federal participation in mixed and joint enterprises, international organizations, and shared-governance corporations. The deputy heads responsible, or their delegates, approve the information on an annual basis.

This report contains the following chapters:

Chapter 1, “Overview of Federal Government Institutions,” briefly describes the different types of federal government institutions and provides a listing of institutional forms by ministerial portfolio.¹

Chapter 2, “Crown Corporations,” highlights policy developments affecting Crown corporations during the reporting period,² outlines the various types of reviews and audits that Crown corporations have undergone, lists parent Crown corporations and their subordinate interests³ by ministerial portfolio (noting changes since last year’s report), and provides consolidated financial and employment information. This chapter also includes corporate profiles for each Crown corporation and a report on the tabling of Crown corporation documentation in Parliament during the reporting period.

1. Corporate profiles for each of the federal government institutions are available on the Treasury Board Secretariat website, <http://www.tbs-sct.gc.ca/reports-rapports/cc-se/2010/fed/rfi-rif00-eng.asp>.

2. The reporting period runs from August 1, 2009, to July 31, 2010, unless otherwise stated.

3. “Subordinate interests” refers to the subsidiaries, associates, and legal partnerships of Crown corporations.

Chapter 3, “Other Corporate Interests of Canada,” describes mixed, joint, international, and shared-governance corporations and any corporations or shares held by the government as a result of the provisions of the *Bankruptcy and Insolvency Act*. This chapter also contains information on changes in corporate interests since last year’s report.⁴

4. Corporate profiles for each of the other corporate interests of Canada are available on the Treasury Board Secretariat website, <http://www.tbs-sct.gc.ca/reports-rapports/cc-se/2010/companion/cc-se-protb-eng.asp>.

Chapter 1

Overview of Federal Government Institutions

Crown corporations are only one of several different types of institutional forms that make up the federal government. To provide an overview of the federal government, this chapter lists the different types of institutions and the ministerial portfolios to which they belong. The information is accurate as at July 31, 2010.

1.1 Overview of Institutional Forms

The FAA groups the various institutional forms of federal organizations under schedules.⁵ The institutional forms and corresponding schedules are as follows:

- 4 Departments—FAA, Schedule I;
- 4 Statutory and other agencies—FAA, Schedule I.1;
- 4 Agents of Parliament—FAA, Schedule I.1;
- 4 Departmental corporations—FAA, Schedule II;
- 4 Service agencies—FAA, Schedule II; and
- 4 Parent Crown corporations—FAA, Schedule III (although there are nine⁶ additional parent Crown corporations whose governance is primarily dictated by constituent legislation and to a lesser extent by the FAA, Part X).

There are two secondary institutional forms that are not listed in the FAA:

- 4 Special operating agencies found within a department or agency; and
- 4 Subsidiaries of Crown corporations.

Finally, there are other types of corporate entities that are not formally part of the federal government but in which the government has an interest:

- 4 Mixed enterprises;
- 4 Joint enterprises;
- 4 International organizations;
- 4 Shared-governance corporations; and
- 4 Corporations under the terms of the *Bankruptcy and Insolvency Act*.

5. Parliamentary entities and officers of Parliament have not been included.

6. These are CPPIB, CBC, Telefilm, BoC, CRRF, IDRC, NCC, PSPIB, CCA. (See Appendix A for the list of abbreviations used in this report.)

An inventory of organizations of federal interest listed by portfolio and organizational form can be found in Appendix B.

Definitions

The following descriptions define the various institutional forms of federal organizations.

Departments

Departments are established through legislation; their mandate typically covers a broad area of public policy, such as industry, justice, and health. Departments are financed through parliamentary appropriations and are organized in different ways to meet various policy and administrative needs.

Special operating agencies are units within a department or agency that have a separate or distinct identity and serve a particular operational function or provide a particular service. They are considered part of the host department, and not as separate legal entities.

Statutory and other agencies

Statutory and other agencies are similar to departments in that they are usually financed through parliamentary appropriations. However, they often serve an operational purpose, such as an administrative, supervisory, advisory, regulatory, or adjudicative function.

Agents of Parliament

Agents of Parliament are a unique group of independent statutory officers who serve to scrutinize the activities of government. They serve Parliament in relation to Parliament's oversight role; therefore, they report directly to Parliament and not to an individual minister. Agents normally produce reports to Parliament to account for their own activities, and their institutional heads are typically appointed through special resolutions of the House of Commons and the Senate. To maintain the independence of the Agent, the degree of influence exercised by the executive arm of government is minimal.

Departmental corporations

Departmental corporations are specialized entities, established through legislation, that deliver services or perform research or regulatory functions. Departmental corporations are financed largely through parliamentary appropriations (and some user fees) and typically have a governing council or other form of management board.

Service agencies are a specialized form of departmental corporation established through tailored legislation to perform a highly operational function or service for which there is usually no private sector competition. Service agencies are financed through parliamentary appropriations and user fees. Their governing management boards and individual organizational arrangements and responsibilities are specified in the legislation; therefore, each entity's degree of autonomy varies.

Crown corporations

Crown corporations are government organizations that operate following a private sector model, but they usually have a mixture of commercial and public policy objectives. Parent Crown corporations are directly owned by the Government of Canada and are established through legislation, letters patent, or articles of incorporation under the *Canada Business Corporations Act*.

Subsidiaries are entities that are owned, in whole or in part, by one or more parent Crown corporations and that can be incorporated through provincial rather than federal legislation. All subsidiaries are managed by their parent Crown corporation. They report to their parent Crown corporation and other shareholders, and not directly to the government, unless they are wholly owned subsidiaries that have been directed by the government to report as parent Crown corporations.⁷

7. Currently, OPMC, PDP, and P3C are deemed to be parent Crown corporations. (See Appendix A for the list of abbreviations used in this report.)

1.2 Changes in Federal Institutions

For the year ending July 31, 2010

Federal Institution	Portfolio	Change
Crown Corporations		
Cape Breton Development Corporation ⁸	Atlantic Canada Opportunities Agency	Change of ministerial portfolio (formerly under Natural Resources)
Cape Breton Development Corporation	Atlantic Canada Opportunities Agency	Deleted
Statutory and Other Agencies		
Canadian Northern Economic Development Agency	Indian Affairs and Northern Development	Added ⁹
Federal Economic Development Agency for Southern Ontario	Industry	Added ¹⁰
Veterans Review and Appeal Board	Veterans Affairs	Added ¹¹

-
8. The Cape Breton Development Corporation moved from the Natural Resources portfolio to the Atlantic Canada Opportunities Agency portfolio on October 14, 2009. It was subsequently dissolved on December 31, 2009. The residual responsibilities have been transferred to the Enterprise Cape Breton Corporation.
9. The Canadian Northern Economic Development Agency is a new organization, created by Order in Council on August 18, 2009.
10. The Federal Economic Development Agency for Southern Ontario is a new organization, created by Order in Council on August 13, 2009.
11. The Veterans Review and Appeal Board is not a new organization, but was added to Schedule I.1 of the *Financial Administration Act* on September 23, 2009.
12. The Department of Human Resources and Skills Development and the Department of Social Development still exist but operate as a single organization under this title.

3. PDP, a wholly owned subsidiary of CLCL, has been directed by Order in Council (P.C. 2003-1304) to report as if it were a parent Crown corporation.

Chapter 2

Crown Corporations

2.1 Introduction

Federal Crown corporations operate in many sectors of the Canadian economy, although each has a unique public policy interest. The corporations vary in size and in their reliance on government appropriations.

Every parent Crown corporation is a legally distinct entity, wholly owned by the Crown, and managed by a board of directors. The corporation's name, mandate, powers, and objectives are set out either in the parent Crown corporation's constituent legislation or in the articles of incorporation under the *Canada Business Corporations Act*.

As at July 31, 2010, there were 48 Crown corporations¹⁸ that have been directed to report as parent Crown corporations for the purposes of the *Financial Administration Act* (FAA).

Some Crown corporations are "agent" Crown corporations. An "agent corporation" as defined by Part X of the FAA is a Crown corporation that is expressly declared by or pursuant to any other Act of Parliament to be an agent of the Crown. Such agency status is generally intended by Parliament to confer the privileges and immunities of the Crown on the corporation. One of these benefits or immunities is that agent Crown corporations are free from provincial and municipal taxing statutes and charges.

2.2 Overview of Crown Corporations

2010 year in review

This section highlights new legislation, policies, and structural changes whose coming into effect during the reporting period August 1, 2009, to July 31, 2010, affected federal parent Crown corporations. Other relevant activities that were undertaken during this time, including audits and special examinations of Crown corporations, are also summarized in this section.

Budget 2010: Containing the administrative cost of government

Budget 2010 announced a number of cost containment measures to reduce the rate of growth in operating expenditures in 2010–11 and the following two fiscal years. Of these, two significant actions are to freeze operating budgets at 2010–11 levels for fiscal years 2011–12 and 2012–13 and to require organizations to absorb any wage and salary increases established by collective

18. Of these, 45 were parent Crown corporations and 3 were wholly owned subsidiaries, namely, OPMC, PDP, and P3C. (See Appendix A for the list of abbreviations used in this report.)

agreements that apply from the beginning of 2010–11 until the end of 2012–13. Federal organizations for which expenditures are not appropriated by Parliament, such as Crown corporations not dependant on appropriations, are expected to follow suit.

Structural changes: creation and dissolution of Crown corporations

Crown corporations are either created through an Act of Parliament (typically constituent legislation) or by articles of incorporation under the *Canada Business Corporations Act*. During the past year, one Crown corporation was dissolved—the Cape Breton Development Corporation.

The Cape Breton Development Corporation (CBDC) was established in 1967 through the *Cape Breton Development Corporation Act*. It operated as a mining company on Cape Breton Island until 2000 when the *Cape Breton Development Corporation Divestiture Authorization and Dissolution Act* was passed. The new Act mandated CBDC to dispose of its assets and to wind down operations. CBDC was then involved in the environmental remediation of former mine sites and in paying out pensions and benefits to its former employees and their spouses.

On October 2, 2009, the government announced its intention to dissolve CBDC and to transfer its remaining assets and liabilities to the Enterprise Cape Breton Corporation (ECBC), another Crown corporation operating on Cape Breton Island. As such, CBDC was dissolved on December 31, 2009. The remediation of former mine sites and the payout of pensions and benefits are now being undertaken by ECBC.

Legislative changes affecting Crown corporations

The *Economic Recovery Act*, which received royal assent on December 15, 2009, includes amendments to the FAA. The amendments will require that, starting April 1, 2011, all parent Crown corporations (as well as departments) subject to section 131.1 of the FAA prepare and make public a Quarterly Financial Report for each of the first three quarters of the fiscal year within 60 days after the end of the fiscal quarter. For most Crown corporations, the first report will relate to the quarter ending June 30, 2011, and is to be made public by August 29, 2011.

Legislative reviews

The constituent acts of some Crown corporations require an initial legislative review within the first five years of operation. Two Crown corporations, the Business Development Bank of Canada and Export Development Canada, are required to undergo specific reviews every 10 years.

Export Development Canada (EDC) underwent a legislative review that was completed in 2009. The review was undertaken to ensure that EDC's mandate and the *Export Development Act* meet the evolving needs of Canada's exporters and investors in the global marketplace. Among others things, the review highlighted issues pertaining to EDC's domestic powers, foreign presence, and participation in the export credit insurance market. The Minister of International Trade tabled the

report of the review in Parliament in February 2009. In December 2009, the Minister of International Trade released the government's response to EDC's legislative review, which included recommendations to amend its Act. Amendments resulting from the review were introduced as part of the 2010 *Budget Implementation Act*.

Other reviews

Mandate reviews are periodically conducted under the auspices of the minister responsible. In general, these reviews assess the corporation's current mandate, the continuing need for the corporation, the corporation's performance record and cost-effectiveness in meeting its objectives, and the consistency of these objectives with its mandate. The single mandate review completed during the period was that of Atomic Energy of Canada Limited (AECL).

AECL's mandate review, led by the Department of Natural Resources, was completed in 2009. The review focused on AECL's corporate structure and whether this structure best enabled it to participate in the global nuclear industry. The review found that AECL's current mandate and structure hamper its success and development and do not maximize benefits for Canada. Moreover, the current mandate and structure expose the government as shareholder to financial risk and potentially limit Canada's participation in the global supply chain.

In 2008, a cycle of Strategic Reviews was initiated to enable the government to review on an ongoing basis the funding, relevance, and performance of all direct program spending of federal organizations receiving appropriations, including Crown corporations. A number of Crown corporations underwent a strategic review during the reporting period.

Special examinations

Crown corporations subject to section 138 and the other audit provisions of the FAA are required to undergo a special examination every 10 years.¹⁹ This examination is conducted by the external auditor(s) of the corporation (typically the Office of the Auditor General of Canada), and its purpose is to determine whether, during the period under examination, the corporation's financial and management practices and controls provided reasonable assurance that the corporation's assets were safeguarded and controlled, resources were managed economically and efficiently, and operations were carried out effectively.

19. The constituent Act for the CPPIB requires a special examination once every six years. (See Appendix A for the list of abbreviations used in this report.)

Between January 1, 2009, and December 31, 2009, the Office of the Auditor General of Canada completed special examinations of the following Crown corporations:

- 4 Business Development Bank of Canada
- 4 Canada Development Investment Corporation
- 4 Canada Mortgage and Housing Corporation
- 4 Canada Post Corporation
- 4 Canadian Commercial Corporation
- 4 Enterprise Cape Breton Corporation
- 4 Export Development Canada
- 4 Marine Atlantic Inc.
- 4 National Gallery of Canada
- 4 National Museum of Science and Technology
- 4 Standards Council of Canada

Costs of audits and special examinations

In addition to special examinations, Crown corporations are required to maintain proper financial statements and undergo annual audits. Because full cost data are not available for the 2010 reporting period, 2009 cost data are used in this report. Total costs of the annual audits and special examinations conducted on 47 Crown corporations (including the Old Port of Montréal Corporation Inc. and Parc Downsview Park Inc.) and 3 wholly owned subsidiaries (the Jacques Cartier and Champlain Bridges Inc. and the Seaway International Bridge Corporation, Ltd.) for their fiscal years ending on or before March 31, 2009,²⁰ amounted to approximately \$24 million. Of this amount, the costs of the Office of the Auditor General of Canada totalled \$18.2 million, and the costs of private sector auditors for work involving 9 Crown corporations totalled \$5.9 million.

20. The fiscal years of some Crown corporations end on a date other than March 31.

Exhibit 2: Total of All Reported Audits and Special Examinations in Fiscal Year 2009

Type of Auditor	Costs for Audits (\$)	Costs for Special Examinations (\$)	Total Costs (\$)
Office of the Auditor General of Canada ²¹	13,090,775	5,075,526	18,166,301
Private Sector ²²	3,388,491	2,466,750	5,855,241
Total	16,479,266	7,542,276	24,021,542

As at March 31, 2009, the Office of the Auditor General of Canada had completed special examinations for eight Crown corporations at a total cost of \$5.1 million, and private sector auditors had completed special examinations for four Crown corporations at a total cost of \$2.5 million.

For this period, private sector firms carried out audits jointly with the Office of the Auditor General of Canada in the case of eight Crown corporations. Notably, private sector firms solely carried out audits in the case of two Crown corporations, specifically the Bank of Canada and the Canada Pension Plan Investment Board.

Exhibit 3: Use and Choice of Private Sector Auditors (to March 2009)

Crown Corporation	Audit Type	Private Sector Firm
Atomic Energy of Canada Limited	Joint	KPMG LLP
Bank of Canada	Joint	Ernst & Young LLP PricewaterhouseCoopers LLP

Public Sector Pension Investment Board	Joint	Deloitte & Touche LLP

21. Source: 2009 Fall Report of the Auditor General of Canada, Appendix D.

22. The audit cost of the CPPIB was not included because the corporation is exempt from Part X of the FAA; therefore, it is not required to submit this information.

Achievements and awards

On December 8, 2009, the Canada Mortgage and Housing Corporation was awarded the Canadian Institute of Chartered Accountants' (CICA) 2009 Award of Excellence for Corporate Reporting in the large Crown corporation category. The award in the small Crown corporation category went to Telefilm Canada.

Five Crown corporations made Mediacorp Canada Inc.'s 2010 list of Canada's Top 100 Employers. The Business Development Bank of Canada, the Canada Mortgage and Housing Corporation, Canada Post Corporation, Export Development Canada, and the Royal Canadian Mint were recognized as industry leaders in attracting and retaining employees. Four of these five Crown corporations were recognized in the 2007, 2008, and 2009 lists as well. The Canada Mortgage and Housing Corporation was recognized for the first time in 2010.

Six Crown corporations were among the National Capital Region's Top Employers in 2009. The list annually profiles employers who offer exceptional places to work within their industries in the National Capital Region. The six Crown corporations recognized were: the Canada Mortgage and Housing Corporation, Canada Post Corporation, the Canadian Broadcasting Corporation, Export Development Canada, the National Arts Centre Corporation, and the Royal Canadian Mint.

2.3 Overall Crown Corporation Performance

The FAA requires that employment and financial data, including aggregate borrowings of parent Crown corporations, be included in this report. Accordingly, this section provides graphics depicting the overall performance of Crown corporations in each of the following areas:

- 4 Employment;
- 4 Assets;
- 4 Budgetary appropriations; and
- 4 Debt obligations.

As well, financial information on individual Crown corporations, grouped by ministerial portfolio, is presented in table format as follows:

- 4 Each corporation's employment and financial position; and
- 4 Each corporation's operating results and financing.

Information about individual Crown corporations is found in the Corporate Profiles section of this report and may also be found in their respective annual reports and corporate plan summaries.

Wherever possible, the data presented here cover most Crown corporations. Where data could not be included, an explanation has been provided.

It should also be noted that the figures in the accompanying graphs and tables have been rounded to simplify presentation.

When comparing individual Crown corporations' reports with the data presented here, note that the corporation may have restated certain financial data to reflect changes in their accounting policies. No attempt has been made to apply such changes to the data in this report beyond correcting errors that may have occurred in previous annual reports tabled in Parliament.

The corporate data in this section largely reflect either the 2009 calendar year or the 2009–10 fiscal year. However, for Crown corporations with fiscal years ending on or after July 31, 2010, this report displays the financial data for the previous fiscal year.²³

A glossary of the financial and employment terms used in this report is provided in Appendix C.

Employment

Overall Crown corporation employment decreased by 791 employees during the reporting period, from 92,771 employees to 91,980 (a decrease of 0.9 per cent). The largest employment fluctuations by individual Crown corporations since the 2008–09 reporting period are as follows:²⁴

Increases

- 4 Canadian Air Transport Security Authority—an increase of 121 employees (a 32.2-per-cent increase);
- 4 Farm Credit Canada—an increase of 109 employees (a 7.1-per-cent increase); and
- 4 Business Development Bank of Canada—an increase of 86 employees (a 4.8-per-cent increase).

Decreases

- 4 Canada Post Corporation—a decrease of 1,242 employees (a 2.02-per-cent decrease);
- 4 Canadian Broadcasting Corporation—a decrease of 253 employees (a 3.41-per-cent decrease); and
- 4 VIA Rail Canada Inc.—a decrease of 56 employees (a 1.8-per-cent decrease).

23. This report includes the data for the Canadian Dairy Commission for the period ending July 31, 2009; data for the Blue Water Bridge Authority and the National Arts Centre Corporation for the period ending August 31, 2009; and data for the Atlantic Pilotage Authority, the Bank of Canada, the Canada Development Investment Corporation, Canada Mortgage and Housing Corporation, Canada Post Corporation, Canadian Tourism Commission, Export Development Canada, Great Lakes Pilotage Authority, Laurentian Pilotage Authority, Pacific Pilotage Authority, Royal Canadian Mint, and Via-Rail Canada Inc. for the period ending December 31, 2009.

24. The number for employment reported for the Federal Bridge Corporation Limited in the 2009 Annual Report should have been 73, which represents a decrease of 82 employees from the 155 reported in 2008.

Exhibit 4 shows the changing trend over the last five years.

Exhibit 4: Employment in Crown Corporations from 2005–06 to 2009–10

Note that the analysis included employment data for 46 out of 47 Crown corporations, operational as at July 31, 2010. Further, the Canada Employment Insurance Financing Board did not report their employment data as at July 31, 2010, and was non-operational for the 2008–09 reporting period.

Assets

The data for assets cover 25 operational Crown corporations. Specifically, 23 Crown corporations have been excluded from this section. These corporations and the reason for their exclusion are as follows:

- 4 The Corporation for the Mitigation of Mackenzie Gas Project Impacts—a newly established Crown corporation—is not yet fully operational. As such, no financial information is available for inclusion in this year’s report.
- 4 The financial statements of the following 22 Crown corporations were not tabled in Parliament in time for inclusion in this report: the Canada Council for the Arts, the Canada Employment Insurance Financing Board, the Canadian Broadcasting Corporation, the Canadian Commercial Corporation, the Canadian Museum for Human Rights, the Canadian Museum of Civilization, the Canadian Museum of Nature, the Canadian Race Relations Foundation, Defence Construction (1951) Limited, the Enterprise Cape Breton Corporation, The Federal Bridge Corporation Limited, the First Nations Statistical Institute, the Freshwater Fish Marketing Corporation, the International Development Research Centre, the National Capital Commission, the National Gallery of Canada, the National Museum of Science and Technology, the Old Port of Montréal Inc., Parc Downsview Park Inc., PPP Canada Inc., the Standards Council of Canada, and Telefilm Canada.

Because asset data from the above-named 22 Crown corporations were not available, these corporations have been removed from the year-over-year comparisons.

The assets of the Canada Mortgage and Housing Corporation (including assets of the Canada Housing Trust) increased by \$69.3 billion (a 34.1-per-cent increase) primarily due to increased activities in National Housing Act Mortgage-Backed Securities. Approximately \$34 billion and \$29 billion of these securities were purchased from Canadian financial institutions through the Insured Mortgage Purchase Program and the Canada Housing Trust, respectively; therefore, their borrowing increased accordingly.

Other large increases in assets since the 2008–09 reporting period were noted for the following corporations:

- 4 Business Development Bank of Canada—an increase of \$5.6 billion;
- 4 Canada Development Investment Corporation—an increase of \$3.1 billion; and
- 4 Farm Credit Canada—an increase of \$2.4 billion.

The following six Crown corporations accounted for 97.3 per cent of the total assets recorded in the 2010 reporting period: the Business Development Bank of Canada, the Canada Mortgage and Housing Corporation, Export Development Canada, Farm Credit Canada, the Canada Post Corporation, and the Canada Development Investment Corporation.

Note that due to the unique nature of their operations, total asset holdings for the Bank of Canada, the Canada Pension Plan Investment Board, and the Public Sector Pension Investment Board have not been included in the total assets of the Crown corporations.

Budgetary appropriations

Total parliamentary funding for all Crown corporations increased by \$0.669 billion over the previous year, rising from \$5.997 billion in the 2009 reporting period to \$6.666 billion in the 2010 reporting period (an 11.2-per-cent increase). The most material changes are outlined as follows:

- 4 The appropriations for the Canada Mortgage and Housing Corporation increased by \$0.222 billion (a 9.3-per-cent increase) primarily due to the investment of the Government of Canada in social housing as part of Canada's Economic Action Plan.
- 4 The appropriation for Atomic Energy of Canada Limited increased by \$0.294 billion (a 56-per-cent increase). This was primarily to support reactor life extension projects, to repair and return the National Research Universal reactor to service, to meet health, safety, security, environmental and regulatory requirements, to invest in new reactor development, and to meet contractual and legal obligations.

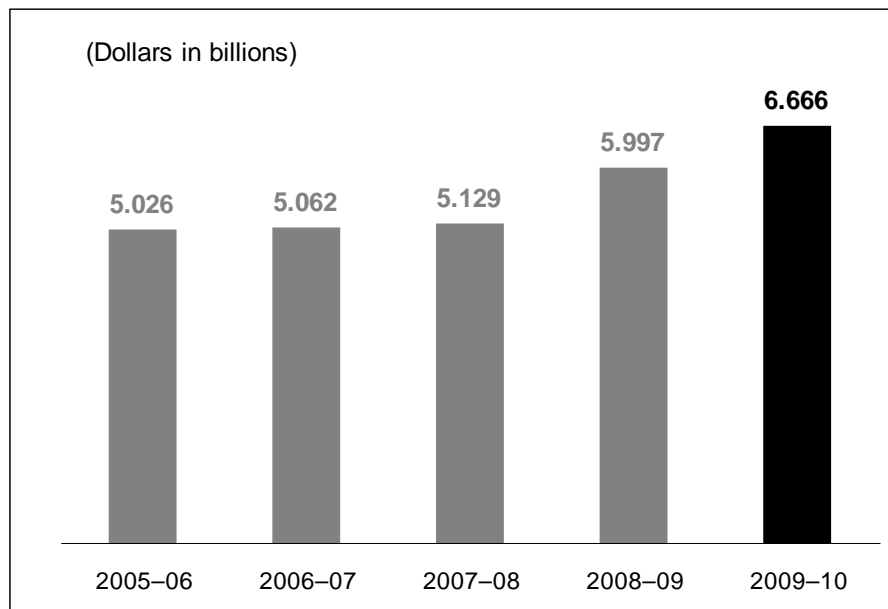

Other large funding increases were noted for the following corporations:

- 4 Canada Air Transport Security Authority—an increase of \$0.159 billion (a 37.3-per-cent increase);
- 4 VIA Rail Canada Inc.—an increase of \$0.081 billion (a 31.7-per-cent increase); and
- 4 Canadian Museum for Human Rights—first-time appropriation of \$0.029 billion.

The Canada Post Corporation's appropriation was reported as \$0.103 billion in the 2009 report. It should have been reported as \$0.022 billion.

Total budgetary appropriations for the five-year period from 2005–06 to 2009–10 are shown in Exhibit 5. The reported figures include data from all Crown corporations; this information is disclosed in the Main Estimates and the Supplementary Estimates of the Government of Canada. Of the total 47 operational parent and deemed parent Crown corporations, 26 received appropriations during 2009–10.

Exhibit 5: Total Budgetary Appropriations from 2005–06 to 2009–10

The following seven Crown corporations accounted for 87.9 per cent of the total budgetary appropriations received by Crown corporations in 2009–10: the Canada Mortgage and Housing Corporation (\$2.613 billion), the Canadian Broadcasting Corporation (\$1.143 billion), Atomic Energy of Canada Limited (\$0.822 billion), the Canadian Air Transport Security Authority (\$0.588 billion), VIA Rail Canada Inc. (\$0.338 billion), the Canada Council for the Arts (\$0.183 billion), and the International Development Research Centre (\$0.174 billion).

Exhibit 6 provides a summary view of the recipients of 2009–10 budgetary appropriations. Percentages shown in the chart are based on the total number of corporations receiving appropriations.

Exhibit 6: Recipients of 2009–10 Budgetary Appropriations

Debt obligations

The analysis of debt data in this section covers 25 Crown corporations but excludes 23, as was the case for the assets data.

The debt obligations, consisting of debts payable either to Canada or the private sector, for the four largest debtors in 2009–10 were reported as \$307.9 billion this year. The respective proportions of overall debt obligation for the four largest debtors were the Canada Mortgage and Housing Corporation (81.86 per cent), Export Development Canada (7.94 per cent), Farm Credit Canada (5.75 per cent), and Business Development Bank of Canada (4.46 per cent). The Canada Mortgage and Housing Corporation, Export Development Canada, Farm Credit Canada, and the Business Development Bank of Canada were also the four largest debtors reported last year.

Large increases in debt obligation were noted for the following corporations:

- 4 The Canada Mortgage and Housing Corporation—an increase of \$65.7 billion; this 35.3-per-cent increase is mostly explained by the increase in debt of the Canada Mortgage and Housing Corporation by \$65.7 billion, which includes the debt of the Canada Housing Trust.²⁵ The Corporation and the Trust purchased National Housing Act Mortgage-Backed Securities, as described in the section on assets, and therefore increased their borrowing accordingly.
- 4 The Business Development Bank of Canada—an increase of \$4.1 billion; this increase is explained mostly by the launched of the new Canadian Secured Credit Facility in fiscal 2010 as part of Canada's Economic Action Plan and by the growth in the Business Development Bank of Canada's financing portfolio resulting mainly from its participation in the Business Credit Availability Program (BCAP).
- 4 Farm Credit Canada—an increase of \$2.4 billion; this increase is explained by an increase in the short-term borrowing requirements to support the continued growth in loans receivable, meet business requirements, and manage cash-flow uncertainties.

A decrease in debt obligation of \$1.4 billion was identified for Export Development Canada.

25. The Canada Housing Trust, an arm's-length mortgage vehicle, has been consolidated on CMHC's balance sheet under current Canadian Generally Accepted Accounting Principles as a variable interest entity that has its obligations guaranteed by CMHC.

Exhibit 7 presents the respective debt loads of the largest debtors in 2009–10 as compared to their debt loads in 2005–06.

Exhibit 7: Comparison of Largest Debtors in 2009–10 and in 2005–06

Exhibit 8 presents total employment and financial data for the 25 Crown corporations reported on this year, grouped by ministerial portfolio. Exhibit 9 presents the total operating results and financing data for the same 25 corporations, also grouped by ministerial portfolio. Note that data for the Bank of Canada, the Canada Pension Plan Investment Board, and the Public Sector Pension Investment Board appear in these exhibits for information purposes, but are not included in the totals because of the unique nature of their operations.

2.4 Crown Corporations' Corporate Holdings

This section contains statistical information on Crown corporations and their corporate holdings for the period of August 1, 2009, to July 31, 2010. The information is presented in three parts.

Part 1, "Statistical summary," shows a year-to-year comparison of the number of parent Crown corporations and their subsidiaries, legal partnerships, and associates.

Part 2, "Changes during the year," identifies only the changes, specifically the additions and deletions, that occurred with regard to parent Crown corporations and their subsidiaries, legal partnerships, and associates.

Part 3, "Crown corporations' corporate holdings," presents an alphabetical list of parent Crown corporations together with their subsidiaries, legal partnerships, and associates. The corporations that do not have any holdings were excluded for simplicity of presentation.

Part 1: Statistical summary

Number of parent Crown corporations, their wholly owned subsidiaries, and other subsidiaries, associates, and legal partnerships (as at July 31, 2010)

	2010	2009
Parent Crown corporations	45*	46
Deemed parent Crown corporations ²⁶	3	3
Wholly owned subsidiaries (100 per cent), excluding deemed parent Crown corporations	95	87
Other subsidiaries, associates, and legal partnerships	11	13

* Includes CMMGPI which was non-operational as at July 31, 2010.

26. Deemed parent Crown corporations are wholly owned subsidiaries that have been directed by the government to report as parent Crown corporations.

Part 2: Changes during the year

Canadian Broadcasting Corporation

Subsidiaries held at 50 to 99 per cent

- ARTV (added 24 per cent for total of 85 per cent interest) Change in ownership

Canada Development Investment Corporation

2.5 Tabling of Crown Corporations' Reports in Parliament

A report on the tabling of Crown corporations' reports is required under subsection 152(1) of the *Financial Administration Act*. The report must indicate which corporate plan summaries and annual reports were required to be tabled in Parliament during the one-year period ending July 31, 2010, and whether they were actually tabled.

Crown corporations report to Parliament through three key documents: the corporate plan summary, one or more budget summaries, and the annual report. Unless the corporation is exempt,³⁰ the minister responsible must table a capital budget summary and possibly an operating budget summary³¹ in addition to the corporate plan summary. As of July 31, 2010, there are a total of 48 Crown corporations; tabling data for 38 of these corporations are included in this section. In addition, as of July 31, 2010, one Crown corporation³² remained non-operational, and one was dissolved in December 2009.³³

Corporate plan and budget summaries tabled in Parliament are based on the approved corporate plan and budgets that cover the planned or future business, activities, and investments of a corporation and, where applicable, its wholly owned subsidiaries. The Crown corporation's annual report informs Parliament of the corporation's actual performance relative to the objectives, strategies, and activities approved by the government and to previously tabled corporate plan and budget summaries.

Deadlines for tabling in Parliament and results achieved

Legislative provisions stated in the *Crown Corporation Corporate Plan, Budget and Summaries Regulations* (SOR/95-223) and in subsection 150(1) of the FAA set out the deadlines for the tabling of Crown corporations' reports before each House of Parliament. The reports and their tabling deadlines are as follows:

- 4 **Corporate plan or amended corporate plan summary:** Thirty sitting days after Governor in Council approval of the corporate plan.

30. The nine exempt Crown corporations are BoC, CCA, CPPIB, CBC, CRRF, IDRC, NAC, PSPIB, and Telefilm; they are neither required to submit corporate plans for the approval of the Governor in Council nor are they required to submit summaries of corporate plans, capital budgets, or operating budgets for tabling in Parliament. (See Appendix A for the list of abbreviations used in this report.)

31. CPC, RCM, and CDIC (Dev) are not required to submit summaries of their operating budget for tabling in Parliament.

32. The Corporation for the Mitigation of Mackenzie Gas Project Impacts was non-operational on July 31, 2010.

33. The Cape Breton Development Corporation was dissolved in December 2009; therefore, this will be the last reporting year for this Crown corporation.

- 4 **Capital or operating budget summary:** Thirty sitting days after Treasury Board approval of the budget. When the operating or capital budgets are incorporated into the corporate plan, the deadline is the same as that for the corporate plan summary.
- 4 **Annual report:** Fifteen sitting days after receipt by the responsible minister; receipt shall be as soon as possible, but in any case within three months after the termination of the corporation's financial year-end.

Deadlines for annual reports are calculated from the date on which the responsible minister receives the report, if known, or three months following the corporation's fiscal year-end, whichever is earlier.

Note that all tabling deadlines in this report have been calculated based on the actual sitting days in Parliament occurring up to July 31, 2010.

Overall results

House of Commons

During the one-year period ending July 31, 2010, 180 reports from Crown corporations were due to be tabled in the House of Commons, 9 of which were tabled during the previous reporting period and 25 of which are yet to be tabled. In addition, 6 reports not due until the upcoming reporting period were tabled, for a total of 152 reports tabled in the House of Commons this period. Of the 180 reports due to be tabled, 102 (or 57 per cent) were tabled on time, and 78 (or 43 per cent) were tabled late. During the period under review, 35 of the late tablings (or 45 per cent) were marginally late (within 15 sitting days of the deadline).

Senate

During the one-year period ending July 31, 2010, 200 reports from Crown corporations were due to be tabled in the Senate, 35 of which were tabled during the previous reporting period and 26 of which are yet to be tabled. In addition, 17 reports not due until the upcoming reporting period were tabled, for a total of 156 reports tabled in the Senate this period. Of the 200 reports due to be tabled, 153 (or 77 per cent) occurred on time, and 47 (or 23 per cent) occurred late. During the period under review, 11 of the late tablings (or 23 per cent) were marginally late (within 15 days of the deadline).

The information reported in section 2.5 was audited by the Auditor General of Canada, and her report is included at the end of this section.

Exhibit 10: Summary of Late Tabling Statistics—2010

House of Commons	Number of sitting days past the tabling deadline						Total
	1–15	16–30	31–60	61–90	91+	N/A ³⁴	
Annual Reports	2	1			2	1	6
Corporate Plan Summaries	11	2		1		5	19
Amended Corporate Plan Summaries	2	4				3	9
Capital Budget Summaries	11	2		1		5	19
Amended Capital Budget Summaries		1				3	4
Operating Budget Summaries	9	2		1		5	17
Amended Operating Budget Summaries		1				3	4
Total	35	13	0	3	2	25	78

Note: The House of Commons sat 114 days between August 1, 2009, and July 31, 2010.

Senate	Number of sitting days past the tabling deadline						Total
	1–15	16–30	31–60	61–90	91+	N/A ³⁴	
Annual Reports	1		1	1	1	1	5
Corporate Plan Summaries	2		1	2		5	10
Amended Corporate Plan Summaries	3					4	7
Capital Budget Summaries	2		1	2		5	10
Amended Capital Budget Summaries						3	3
Operating Budget Summaries	2		1			5	8
Amended Operating Budget Summaries	1					3	4
Total	11	0	4	5	1	26	47

Note: The Senate sat 82 days between August 1, 2009, and July 31, 2010.

The following legend applies to the tabling report below:

- 4 **Deadline** columns: “N/A” indicates that the deadline date was after July 31 and is not available because the sitting days are not known in advance.
- 4 **Tabled** columns: “Not yet” indicates that the report had not been tabled as at July 31.
- 4 **Tabled** columns: “Not due yet” indicates that, depending on the fiscal year-end of the Crown corporation, the report is not required to be tabled during the reporting period of this annual report; it will be reported next year.

34. The N/A column indicates the reports that are late and still outstanding as at July 31, 2010; therefore the number of days late cannot be determined.

AUDITOR'S REPORT

To the House of Commons

As required by subsection 152(2) of the *Financial Administration Act*, I have audited, for the year ended 31 July 2010, the information contained in the report "*Tabling of Crown Corporations' Reports in Parliament*" included in the *Annual Report to Parliament—Crown Corporations and Other Corporate Interests of Canada 2010*. The information contained in the report is the responsibility of the President of the Treasury Board. My responsibility is to express an opinion on the information contained in the report based on my audit.

I conducted my audit in accordance with the standards for assurance engagements established by the Canadian Institute of Chartered Accountants. Those standards require that I plan and perform an audit to obtain reasonable assurance as to whether the information contained in the report is free of significant misstatement. My audit included examining, on a test basis, evidence supporting the dates and other disclosures provided in the report.

In my opinion, the information contained in the report "*Tabling of Crown Corporations' Reports in Parliament*" is accurate, in all significant respects, with the section "Deadlines for tabling in Parliament and results achieved" contained within the report.

Lucie Cardinal, CA
Principal
for the Auditor General of Canada

Ottawa, Canada
15 November 2010

2.6 Corporate Profiles

Introduction

The corporate profile of each parent Crown corporation identifies the key individuals responsible for the corporation and the corporation's location, mandate, and major activities as at July 31, 2010.

The profile also names the legislative authority under which the corporation was incorporated, notes the corporation's inclusion under the FAA, and confirms whether or not the corporation is an agent of Her Majesty. Agency status enables the corporation to access the same immunities, privileges, and prerogatives enjoyed by the Crown and results in the corporation's activities being binding on the Crown.

Wherever possible, the corporate profile also briefly describes how the corporation came to be, why the corporation was created, and how its mandate and activities may have evolved over the years as a result of changing public policy objectives.

For additional information, including details about the performance of Crown corporations over the past year, please consult the individual corporations' annual reports and summaries of their corporate plans that are tabled in Parliament in accordance with subsections 125(4) and 150(1) of the FAA respectively. These reports are accessible on the Government of Canada website,³⁵ on the corporations' respective websites, or by contacting the corporations directly.

Constituent Act

Pilotage Act, R.S.C. 1985, c. P-14.

Year of Incorporation

1972

Status

Schedule III, Part I of the *Financial Administration Act*; not an agent of Her Majesty.

Mandate

To establish, operate, maintain, and administer, in the interest of safety, an efficient pilotage service within the designated waters set out in respect of the Authority.

Corporate Profile

As a result of recommendations made by the Royal Commission of Pilotage in Canada, the *Pilotage Act* was assented to and proclaimed into force on February 1, 1972. The *Pilotage Act* created four pilotage authority regions with specific authorities, thereby replacing a large number of local pilotage districts. The Atlantic Pilotage Authority was established in 1972 as a Crown corporation.

To fulfill its mandate, the Atlantic Pilotage Authority hires and trains mariners to become pilots, licenses pilots, issues pilotage certificates, and with the approval of the Governor in Council makes regulations that prescribe the compulsory pilotage areas; the ships or classes of ships that are subject to compulsory pilotage; when compulsory pilotage may be waived; the tariff rates for pilotage; and the classes of licences and classes of pilotage certificates that may be issued.

Mandate

To sustain and enhance nuclear technology to safely and securely support Canada's nuclear energy supply and other applications of nuclear technology; to manage nuclear wastes and legacy liabilities; and to maximize return on investment in nuclear technology by supplying innovative products and services.

Corporate Profile

Atomic Energy of Canada Limited (AECL) is an integrated nuclear technology company that provides services to nuclear utilities worldwide.

To achieve its mandate, AECL's commercial operations include reactor development, design, engineering, special equipment manufacturing, project management and construction of Canada Deuterium Uranium (CANDU®) power plants, and provision of reactor services and technical support for the operation of CANDU® reactors.

AECL also operates nuclear laboratories and performs research, produces isotopes used in nuclear medicine and other applications, stores and manages nuclear wastes, and decommissions nuclear facilities.

December 31

Auditors

KPMG LLP

PricewaterhouseCoopers LLP

Status

Not an agent of Her Majesty but acts as the fiscal agent of the Government of Canada; exempt from Divisions I to IV of Part X of the *Financial Administration Act*.

Mandate

The mandate of the Bank is to regulate credit and currency in the best interests of the economic life of the nation, to control and protect the external value of the national monetary unit and to mitigate by its influence fluctuations in the general level of production, trade, prices and employment, so far as may be possible within the scope of monetary action, and generally to promote the economic and financial welfare of Canada. The Bank shall act as fiscal agent of the Government of Canada. The Bank has the sole right to issue Notes.

Corporate Profile

A Royal Commission carried out a study in 1933 to review the organization and inner workings of Canada's entire banking and monetary system. As a result, the Bank of Canada was created as a privately owned corporation. In 1938, the Bank became a Crown corporation. It operates under the authority of the *Bank of Canada Act*, which received royal assent in 1934.

To achieve its mandate, the Bank of Canada promotes solid economic performance and higher living standards for Canadians by keeping inflation low, stable, and predictable through the use of a clearly defined inflation target. It is responsible for the design, production, and distribution of paper currency (bank notes) and for ensuring that there is a sufficient supply of bank notes and that those notes are secure against counterfeiting.

The Bank of Canada also promotes the safe and efficient operation of the country's financial system, helping Canada's payments system function smoothly and keeping accounts for the country's largest deposit-taking institutions. The Bank of Canada identifies the clearing and settlement systems that could pose systemic risks and oversees the efficient management and control of these risks.

The Bank of Canada is the federal government's fiscal agent: it acts as banker and manager for Canada's debt and reserves, manages the government's exposure to financial risks, and handles the deposit accounts of the Receiver General for Canada. It also provides operations and systems support for the government's retail debt.

Blue Water Bridge Authority Act, S.C. 1964-65, c. 6.

Year of Incorporation

1964

Status

Schedule III, Part I of the *Financial Administration Act*; not an agent of Her Majesty.

Mandate

To operate, maintain, and repair the Canadian halves of the two bridges spanning the St. Clair River between Point Edward (Sarnia), Ontario, and Port Huron, Michigan, and the approaches and structures.

Corporate Profile

The Blue Water Bridge Authority (BWBA) was created in 1964 by the *Blue Water Bridge Authority Act* and was expected to become a bi-national authority. The United States, however, has never exercised its option to appoint members. As a result, because all members of the board of directors are appointed by the Governor in Council, the BWBA was deemed a federal Crown corporation on April 26, 2002. Under the Federal Identity Program, the Minister approved the revised corporate name to Blue Water Bridge Canada.

To achieve its mandate, the BWBA owns and operates the Canadian half of the Blue Water Bridge located between Point Edward (Sarnia), Ontario, and Port Huron, Michigan. The American half is owned and operated by the Michigan Department of Transportation. The Corporation sets charge tolls for the use of the bridge structures and prepares a renewable long-term plan for the Canadian plaza.

Mandate

To help create and develop Canadian businesses through the provision of financing, venture capital and consulting services, with particular focus on the needs of small and medium-sized enterprises.

Corporate Profile

The Business Development Bank of Canada (BDC) plays a leadership role in delivering financing, venture capital, and consulting services that support the needs of Canadian businesses. With 65 years as Canada's development bank, BDC provides solutions aimed at accelerating the success of Canadian entrepreneurs. BDC serves approximately 29,000 clients across Canada through five operational units: BDC Financing, BDC Subordinate Financing, BDC Venture Capital, BDC Consulting, and BDC Securitization.

Mandate

To foster and promote the study, enjoyment, and production of works in the arts.

Corporate Profile

In 1951, the publication of the Massey Commission report presented the results of comprehensive research and analysis of Canada's cultural and educational life. The report recommended the creation of the Canada Council for the Arts (the Council), which was established on March 28, 1957, by the *Canada Council Act*.

To fulfill its mandate, the Council provides grants and services to professional Canadian artists and arts organizations in the disciplines of dance, interdisciplinary arts, media arts, music, theatre, visual arts, and writing and publishing. The Council promotes public awareness of the arts through its communications, research, and arts advocacy activities; it administers the Art Bank and the Endowments and Prizes; and is responsible for the Canadian Commission to the United Nations Educational, Scientific and Cultural Organization (UNESCO), as well as for the Public Lending Right program.

Year of Incorporation

1967

Status

Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To provide insurance against the loss of part or all of deposits, to promote and otherwise contribute to the stability of the financial system in Canada, and to pursue the foregoing for the benefit of persons having deposits with member institutions and in such a manner as will minimize the exposure of the Corporation to loss.

Corporate Profile

The Canada Deposit Insurance Corporation (CDIC) was created in 1967 to insure deposits in member banks, loan companies, and trust companies, as well as associations governed by the Cooperative Credit Associations Act that take retail deposits against loss in case of failure of such institutions.

To achieve its mandate, CDIC undertakes a wide range of initiatives to increase public understanding of deposit insurance; assesses and manages the risks of insuring deposits in collaboration with regulators; and manages relationships with federal and provincial governments and agencies, member institutions, their associations, and other interested parties. The Corporation keeps abreast of economic and policy issues and undertakes initiatives to minimize the cost of deposit insurance.

The primary functions of CDIC include insurance and risk management, intervention readiness for member institution failure, premium administration, claims and recoveries management and depositor communications and awareness.

Canada Business Corporations Act, R.S.C. 1985, c. C-44.

Year of Incorporation

1982

Status

Schedule III, Part II of the *Financial Administration Act*; an agent of Her Majesty.

Mandate

To manage Crown corporations and investments assigned to it and to privatize its holdings when appropriate. The primary objective of the Canada Development Investment Corporation (CDIC) is to carry out its activities in the best interests of Canada by operating in a commercial manner.

Corporate Profile

The CDIC, a government holding company, was created in 1982 to provide a commercial vehicle for government equity investment and manage the commercial holdings of the government.

In November 2007, the Minister of Finance wrote to the Chairman and indicated that the operations of the CDIC should reflect a future focused on the ongoing management of its current holdings in a commercial manner, providing assistance to the government in new directions suited to the CDIC's capabilities while maintaining the capacity to divest the CDIC's existing holdings, and any other government interests assigned to it for divestiture, upon the direction of the Minister of Finance.

The CDIC is a holding company that presently has the following wholly owned subsidiaries for which it has responsibility. The Canada Hibernia Holding Corporation manages the federal government's 8.5-per-cent interest in the Hibernia Oil and Gas Offshore Development Project. Canada Eldor Inc.'s mandate is to administer outstanding issues such as waste contingencies and outstanding litigation. In early 2009, pursuant to Orders in Council, the CDIC incorporated two new subsidiaries, Canada CH Investment Corporation (formerly 7169931 Canada Inc.) and Canada GEN Investment Corporation (formerly 7176384 Canada Inc.), to manage the business interests of the Crown on a commercial basis in restructured Chrysler and General Motors respectively. The CDIC will manage the government's equity stake in both companies with a view to maximizing value for Canadian taxpayers.

In August 2009 the Minister of Finance requested the CDIC to participate in the government's ongoing review of corporate asset holdings.

In September 2009 the CDIC acquired warrants to purchase shares of Air Canada.

Mandate

To set the premium rate under section 66 of the *Employment Insurance Act*; to maintain a reserve in accordance with that section; to manage any amounts paid to it under section 77.1 of that Act; and to invest its financial assets with a view to meeting its financial obligations.

Corporate Profile

The Canada Employment Insurance Financing Board (CEIFB) is a Crown corporation responsible for implementing an improved Employment Insurance premium rate-setting mechanism designed to ensure that Employment Insurance revenues and expenditures break even over time beginning in 2011. The Board will also manage any excess Employment Insurance revenues from a given year, in a separate bank account, and will invest these excess revenues for future Employment Insurance purposes.

Year of Incorporation

1956

Status
Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.
Mandate

To create value, through its CLC subsidiary, from strategic properties no longer required for program purposes by the Government of Canada.

Corporate Profile

The Canada Lands Company Limited (CLCL) was established in 1956 and is the parent company of three wholly owned subsidiaries: Canada Lands Company CLC Limited (CLC), which carries out real estate business and is a non-agent of the Crown; Park Downsview Park Inc. (PDP), which manages and develops the former Canadian Forces Base Toronto lands as an urban recreational green space; and Old Port of Montréal Corporation Inc. (OPMC), which develops and promotes the Old Port of Montréal for recreation, tourism, and cultural activities. Both the PDP and the OPMC are agents of Her Majesty and report as parent Crown corporations.

To fulfill its mandate, the CLC purchases surplus strategic properties from the government that possess significant development potential, require innovative planning, rezoning, servicing, or environment remediation, or have other specific sensitivities at various levels of government. The CLC then performs these latter activities and sells or otherwise disposes of the properties for profit. The CLC is currently active in 19 municipalities across Canada.

The property holdings of the CLC fall into three categories: rental properties, properties under development, and land held for development or sale. Its principal held and managed property is Canada's most recognizable national landmark, the CN Tower in Toronto.

Mandate

To promote the construction, repair, and modernization of housing; to promote the improvement of housing and living conditions, housing affordability, and choice; to promote the availability of low-cost financing for housing; and to promote the national well-being of the housing sector

Corporate Profile

The Canada Mortgage and Housing Corporation (CMHC) was created in 1946 by the *Central Mortgage and Housing Corporation Act* originally to house returning war veterans and to lead the nation's housing programs.

Currently, the CMHC delivers its products and services to Canadians and supports federal policy objectives through four areas of housing activity: housing finance, assisted housing, research and information transfer, and export promotion.

To achieve its mandate CMHC provides housing assistance to low income families and individuals, facilitates access to low-cost financing to both homeowners and rental properties, supports housing markets by providing practical information to consumers and the housing industry, and promotes the export of Canadian housing products and services.

Mandate

To assist the Canada Pension Plan in meeting its obligations to contributors and beneficiaries under the *Canada Pension Plan Investment Board Act*.

Corporate Profile

The Canada Pension Plan Investment Board (CPPIB) was created in December 1997 by the *Canada Pension Plan Investment Board Act*. The CPPIB is a professional investment management organization that invests the funds not needed by the Canada Pension Plan (CPP) to pay current benefits. Its long-term goal is to contribute to the financial strength of the CPP and help sustain the pensions of 17 million CPP contributors and beneficiaries by investing CPP assets and maximizing returns without undue risk of loss.

In order to continue diversifying the portfolio of CPP assets, the CPPIB invests in public equities, private equities, inflation-linked bonds, real estate, infrastructure, and fixed income instruments. At March 31, 2010, the CPP Fund totaled \$127.6 billion.

Canada Post Corporation Act, R.S.C. 1985, c. C-10.

Year of Incorporation

1981

Status

Schedule III, Part II of the *Financial Administration Act*; an agent of Her Majesty.

Mandate

To operate Canada's postal service on a self-sustaining basis with a standard of service that meets the needs of Canadians.

Corporate Profile

The Canada Post Corporation (CPC) was created to provide affordable communication and mail delivery solutions from coast to coast. The CPC was established as a Crown corporation in 1981 by the *Canada Post Corporation Act*.

To achieve its mandate, the CPC now provides both physical and electronic delivery solutions, such as epost. It tailors its product offerings within its parcel business line to meet the demands of customers and supports the growth of direct mail and advertising. To measure customer satisfaction, the CPC uses both a Customer Value Management tool and telephone surveys to gather feedback.

For 158 years, Canada Post has been connecting Canadians, their communities and their businesses. As a financially self-sustaining Crown corporation, Canada Post continues to play this essential role. To compete more effectively, Canada Post operates as the Canada Post Group, a group of related businesses—with 72,000 employees—held by the Canada Post Corporation, to deliver a full range of delivery, logistics and fulfillment services to customers. The Canada Post segment refers to the core service of Canada Post, excluding other interests.

Canada Post has the sole and exclusive privilege of collecting, transmitting and delivering within Canada letters weighing up to 500 grams. More than half of the Group's revenues are derived from business that operates in fully competitive markets, including Canada Post's parcel line of business. Every business day, the Canada Post segment processes some 45 million pieces of mail to nearly 15 million residential and business addresses; this delivery network expands by approximately 200,000 addresses every year. There are more than 23,000 delivery routes in Canada. With more than 6,500 post offices, Canada Post has the largest retail network in Canada.

Constituent Act

Canadian Air Transport Security Authority Act, s. 2, being Part I of the *Budget Implementation Act, 2001*, S.C. 2002, c. 9.

Year of Incorporation

2002

Status

Schedule III, Part I of the *Financial Administration Act*; an agent of Her Majesty.

Mandate

The Canadian Air Transport Security Authority (CATSA) is responsible for the delivery of effective and efficient screening of persons who access aircraft or restricted areas through screening points, the property in their possession or control, and the belongings or baggage that they give to an air carrier for transport.

The CATSA Act also specifies that the delivery of screening services must be done in a consistent manner and in the public interest.

CATSA has a mandate to provide security in four areas of aviation security:

- Pre-Board Screening;
- Hold Baggage Screening;
- Non-Passenger Screening; and
- Restricted Area Identity Card.

Corporate Profile

CATSA, a Crown corporation headquartered in the National Capital Region, was the cornerstone of the Government of Canada's response to the attacks of 9/11.

With over 500 employees who support the operations of almost 7,000 screening officers, CATSA screens 48 million passengers, 62 million pieces of baggage, and more than 715,000 non-passengers every year.

Auditor General of Canada

Status

Exempt from Divisions I to IV of Part X of the *Financial Administration Act* (except for sections 131 to 148); an agent of Her Majesty.

Mandate

To inform, enlighten, and entertain; to contribute to the development of a shared national consciousness and identity; to reflect the regional and cultural diversity of Canada; and to contribute to the development of Canadian talent and culture.

Corporate Profile

To achieve its mandate, the Canadian Broadcasting Corporation (CBC) produces, procures, and distributes Canadian programming in English, French, and eight Aboriginal languages and broadcasts a selection of programs from around the world.

On March 31, 2005, the CBC began distributing its programs by satellite, in combination with existing microwave and landline methods, to feed 109 CBC-owned stations, 1,255 CBC rebroadcasters, 11 private affiliated stations, and 245 affiliated or community-owned rebroadcasters and stations.

Mandate

To assist in the development of trade between Canada and other nations and to assist persons in Canada to obtain goods and commodities from outside Canada and to dispose of goods and commodities that are available for export from Canada.

Corporate Profile

The Canadian Commercial Corporation (CCC) is a Crown corporation mandated to assist in the development of international trade, focusing on sectors where there is a clear government role and that are either sensitive and outside of the World Trade Organization's disciplines, such as defence, or where foreign governments require additional capacity to undertake complex and timely procurements, namely in emerging and developing country markets. Through its contracting and procurement services, the CCC enables exports of Canadian goods and services worth \$1.5 billion a year.

The CCC also manages the Defence Production Sharing Agreement under which Canadian companies are treated as equal partners in an integrated North American defence industrial base and therefore have equal opportunity for contracts with the United States Department of Defense.

Year of Incorporation

1966

Status

Schedule III, Part I and Schedule IV of the *Financial Administration Act*; an agent of Her Majesty.

Mandate

To provide efficient producers of milk and cream with the opportunity to obtain a fair return for their labour and investment and to provide consumers with a continuous and adequate supply of high-quality dairy products.

Corporate Profile

The Canadian Dairy Commission (CDC) was established on October 31, 1966, to coordinate federal and provincial dairy policies and to create a control mechanism for milk production that would stabilize it and avoid costly surpluses.

To fulfill its mandate, the CDC promotes the use of dairy products; investigates matters relating to the production, processing, or marketing of any dairy product; purchases, stores, processes, or sells dairy products within Canada's World Trade Organization commitments; advises the Minister of Agriculture and Agri-Food on matters relating to dairy policy; determines domestic requirements for industrial milk and cream for purposes of establishing the Market Sharing Quota; sets Canadian target farm prices for milk; and helps to build consensus among industry players and governments—which underlies the orderly marketing of dairy products in Canada—through its research and advisory function, as well as in its facilitative efforts on behalf of the Canadian Milk Supply Management Committee.

To increase, throughout Canada and internationally, interest in, knowledge and critical understanding of, and appreciation and respect for human cultural achievements and human behaviour by establishing, maintaining, and developing for research and posterity a collection of objects of historical or cultural interest, with special but not exclusive reference to Canada, and by demonstrating those achievements and behaviour, the knowledge derived from them, and the understanding they represent.

Corporate Profile

The Canadian Museum of Civilization was established as a Crown corporation in 1990 by the *Museums Act*. It began operations in 1856, under the Geological Survey of Canada. The Corporation's primary responsibilities are the management of Canada's national museum of human history, the Canadian Museum of Civilization; Canada's national museum of military history, the Canadian War Museum; and a virtual online museum, the Museum of New France. Through its activities, the Corporation is a centre of museological excellence, thereby promoting greater understanding of Canadian identity, history, and culture.

Auditor

Auditor General of Canada

Status

Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To increase, throughout Canada and internationally, interest in, knowledge of, and appreciation and respect for the natural world by establishing, maintaining, and developing for research and posterity a collection of natural history objects, with special but not exclusive reference to Canada, and by demonstrating the natural world, the knowledge derived from it, and the understanding it represents.

Corporate Profile

The Canadian Museum of Nature originated in the Geological Survey of Canada (GSC), which was formed in 1842 by Sir William Logan. The GSC mandate to furnish a "full and scientific description of Canada's rocks, soils and minerals together with a collection of specimens to illustrate the same" was subsequently embedded into a new Museum of Geology and Natural History, which opened at the Victoria Memorial Museum Building in 1912.

The present-day Canadian Museum of Nature became a Crown corporation on July 1, 1990, by the *Museums Act*. As Canada's Museum of Natural History and Science, the Canadian Museum of Nature plays a key role in discovering and describing new species of plants, animals, minerals, and fossils and in understanding their relationship to ever-changing environments. It is a major contributor to Arctic research and species discovery and is responsible for preserving for posterity the natural history record of Canada. The Natural Heritage Building in Gatineau, Quebec, opened in 1997 and is the main storage facility, housing over 10.5 million specimens.

The Museum has adopted a comprehensive national service role that engages in partnerships, joint ventures with other museums, public and private sector institutions and other national institutions across Canada. By acting as a catalyst for the creation of a network of 16 natural history museums and institutions spanning each province and territory of Canada—the Alliance of Natural History Museums of Canada—the Canadian Museum of Nature has developed opportunities for national debate and coordinated scientific enquiry and research, joint collections development, and public education activities across the country. In this way, the Canadian Museum of Nature strives to be an engaging and trusted resource for the development of a sound, knowledge-based relationship with the natural world.

Status

The Canadian Race Relations Foundation is exempt from Part X of the *Financial Administration Act*, except for subsection 105(2) and sections 113.1, 131 to 148, and 154.01. The Foundation is a registered charity for the purposes of the *Income Tax Act* and is not an agent of Her Majesty.

Mandate

To facilitate throughout Canada the development, sharing, and application of knowledge and expertise to contribute to the elimination of racism and all other forms of racial discrimination in Canadian society.

Corporate Profile

In 1988, the Government of Canada and the National Association of Japanese Canadians signed the Japanese Canadian Redress Agreement. Through this agreement, the federal government promised to create a Canadian Race Relations Foundation, which would "foster racial harmony and cross-cultural understanding, and help eliminate racism."

The Canadian Race Relations Foundation (CRRF) was proclaimed by the federal government on October 28, 1996, and officially opened its doors in November 1997. The government provided the CRRF with a one-time endowment fund of \$24 million. The CRRF operates entirely on income generated by the invested endowment fund and through donations.

To fulfill its mandate, the CRRF raises public awareness of the causes and manifestations of racism in Canada, studies and provides perspective on research data that contribute to the elimination of racism, and disseminates information through its website, annotated bibliographies, and published materials.

Constituent Act

Canadian Tourism Commission Act, S.C. 2000, c. C-5.

Year of Incorporation

2001

Status

Schedule III, Part I of the *Financial Administration Act*; an agent of Her Majesty.

Mandate

To sustain a vibrant and profitable tourism industry in Canada; to market Canada as a desirable tourist destination; to support a cooperative relationship between the private sector and the governments of Canada, the provinces, and the territories with respect to Canadian tourism; and to provide information about Canadian tourism to the private sector and to the federal, provincial, and territorial governments.

Corporate Profile

Canada's tourism industry makes an essential contribution to the Canadian economy and is vital to the social and cultural identity and integrity of Canada. In partnership with the Canadian tourism industry, the Canadian Tourism Commission (CTC) works to generate wealth for Canadians by stimulating demand for Canada's visitor economy. It achieves this goal through effective tourism marketing and promotions supported by aligned market research.

The CTC promotes Canada as an internationally competitive, premier four-season tourism destination where travellers have access to "extra-ordinary" personal experiences.

The Commission provides a consistent voice for Canada in the international tourism marketplace. CTC partners are provincial and territorial governments, other federal departments and agencies, along with the Canadian private sector and international travel trade and meeting professionals.

The CTC works with tourism partners to leverage Canada's tourism brand and so increase Canadian revenues. The CTC undertakes joint advertising and promotional activities in 11 key international geographic markets across the Americas (the United States, Mexico and Brazil), Asia-Pacific, Europe and India. The CTC also conducts macroeconomic, market, and industry research with private and public sector organizations in Canada and around the world.

The corporate website³⁶ is a comprehensive Web-based platform for news about CTC marketing initiatives, research and intelligence, resources for the travel industry, special toolkits to support small and medium-sized enterprises, and corporate news releases. The website also posts CTC News, an online news service that provides all subscribers—media, industry, public sector, general public and employees—with timely news and research relevant to the Canadian tourism industry.

Auditor

Auditor General of Canada

Status

Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To provide a wide variety of property-related services in support of the delivery of defence projects.

Corporate Profile

Defence Construction Canada (DCC) is a Crown corporation that provides innovative and cost effective contracting, construction management, infrastructure and environmental services to the Department of National Defence (DND) and the Canadian Forces for the defence of Canada.

DCC's work covers a broad spectrum of activities from initial project specifications through to final building decommissioning. DCC's work is delivered through five service lines: construction services, contract services, environmental services, project and program management services, and real property management services.

All infrastructure work is contracted to private industry, and DCC serves as an interface between DND and the contractors and suppliers hired to complete the work. In providing these services, DCC ensures the integrity of the tendering process, devises sound contracts that protect the interests of the Crown as well as the service providers, and manages the appropriate delivery of the contracts while ensuring best value for Canadians.

In so doing, DCC makes sure that DND's infrastructure and environmental projects are delivered on time, on budget, and within scope and also ensures that Canadian businesses have fair and equal access to the contracts worth millions of dollars that are issued annually by DCC.

Constituent Act

Enterprise Cape Breton Corporation Act, being Part II of the *Government Organization Act, Atlantic Canada, 1987*, R.S.C. 1985 (4th Supp.), c. 41.

Year of Incorporation

1988

Status

Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To promote and assist, either alone or in conjunction with any person or the Government of Canada or of Nova Scotia or any agency of either of those governments, the financing and development of industry on Cape Breton Island, to provide employment outside the coal-producing industry, and to broaden the base of the economy of Cape Breton Island.

Corporate Profile

To offset the economic impact of the closure of the coal and steel industries and the closure of the ground fisheries on Cape Breton Island, the Government of Canada established the Enterprise Cape Breton Corporation (ECBC) in 1988. The ECBC was specifically created to assist in the transition of the Cape Breton economy to alternative industries.

In August 2000, a subsidiary was incorporated to support the financing end of the ECBC's mandate. The subsidiary, the Cape Breton Growth Fund, was dissolved April 1, 2008, and all assets and liabilities were transferred to ECBC.

In October 2009, the Government of Canada announced its intention to dissolve the Cape Breton Development Corporation (CBDC) and to proceed with the transfer of CBDC assets and liabilities to ECBC effective January 1, 2010.

To achieve its mandate, the ECBC takes a lead role in fostering sustainable job creation and economic growth on Cape Breton Island and in the Mulgrave area of Nova Scotia and promotes these objectives in cooperation with the private and public sectors. The ECBC also delivers the programs of the former CBDC, as well as the economic development programs of the Atlantic Canada Opportunities Agency in the area of its mandate.

To support and develop, directly or indirectly, (a) domestic trade and Canadian capacity to engage in that trade and to respond to domestic business opportunities in a manner that complements the products and services available from commercial financial institutions and commercial insurance providers and (b) Canada's export trade and the Canadian capacity to engage in that trade and to respond to international business opportunities.

Corporate Profile

Export Development Canada (EDC) was established as a Crown corporation, wholly owned by the Government of Canada, and as Canada's Export Credit Agency to support and develop trade between Canada and other countries and increase Canada's competitiveness in the international market place. As an instrument of public policy and a full partner in the Government of Canada's trade and investment agenda, EDC facilitates the export and investment plans of Canadian companies to help them succeed in an evolving global market.

To fulfill its mandate, EDC provides trade financing, insurance and risk management solutions to help Canadian exporters and investors expand their international business. EDC is financially self-sustaining and operates on commercial principles.

In March 2009, as a result of the coming into force of the *Budget Implementation Act, 2009*, EDC's mandate was extended for a two-year temporary period. This mandate expansion was enacted to enhance EDC's domestic financing and insurance capabilities to help respond to the credit crisis.

As a result of the Government of Canada's response to EDC's legislative review, the *Export Development Act* was amended in July 2010 to provide and/or clarify, among other things, (i) EDC's authority to establish offices outside Canada with the approval by the Ministers for International Trade and of Foreign Affairs and (ii) EDC's authority with respect to asset management to specifically include any transaction whose object is the management of portfolio risks.

Farm Credit Canada Act, S.C. 1993, c. 14.

Year of Incorporation

1959

Status

Schedule III, Part I of the *Financial Administration Act*; an agent of Her Majesty.

Mandate

To enhance rural Canada by providing specialized and personalized business and financial services and products to farming operations, including family farms, and businesses in rural Canada, including small and medium-sized businesses, that are related to farming.

Corporate Profile

Farm Credit Canada (FCC) dates back to 1929, when the Canadian Farm Loan Board was established to provide long-term mortgage credit to farmers. The Farm Credit Corporation was established as the successor of the Canadian Farm Loan Board through the *Farm Credit Act* in 1959. This Act was updated in 1993 as the *Farm Credit Corporation Act* to enable a broader range of services.

On June 14, 2001, the *Farm Credit Canada Act* received royal assent, updating the 1993 *Farm Credit Corporation Act* to help address the changing and increasingly complex nature of customers' business needs. Under the new Act, the Corporation continued as FCC but allowed a broader range of services to producers and agribusiness operators, with a continued commitment to primary farming operations.

To achieve its mandate, FCC offers flexible credit to primary producers and agribusinesses, offers financial and business management services that meet and anticipate the emerging needs of the agricultural industry, provides Canadian producers with increased access to a broader range of services to help them achieve long-term success, and provides this service from 100 offices across Canada, primarily based in farming communities.

To provide users with safe and effective infrastructures at its three wholly owned subsidiaries, The Jacques Cartier and Champlain Bridges Incorporated, The Seaway International Bridge Corporation, Ltd., and St. Mary's River Bridge Company, as well as at the Canadian facilities of the Thousand Islands Bridge

Corporate Profile

The Federal Bridge Corporation Limited (FBCL) was incorporated in 1998 to assume the non-navigational management responsibilities of the St. Lawrence Seaway Authority.

The FBCL is also responsible for The Jacques Cartier and Champlain Bridges Incorporated, the Seaway International Bridge Corporation, Ltd., and St. Mary's River Bridge Company, as well as the activities of the Canadian half of the Thousand Islands International Bridge. The FBCL and its subsidiary, the St. Mary's River Bridge Company, as well as its joint venture, The Seaway International Bridge Corporation, Ltd., finance their activities through their own operating revenues, while the subsidiary, The Jacques Cartier and Champlain Bridges Incorporated, depends on the Government of Canada for its financing.

To achieve its mandate, the FBCL's activities involve rehabilitation as well as major and ongoing maintenance projects, management improvement initiatives, and forward planning.

Mandate

To provide statistical information on, and analysis of, the fiscal, economic, and social conditions of Indians and other members of First Nations, members of other Aboriginal groups, and other persons who reside on reserve lands or lands of other Aboriginal groups; to promote the quality, coherence, and compatibility of First Nations statistics and their production in accordance with generally accepted standards and practices through collaboration with First Nations, federal departments, provincial departments, agencies, and other organizations; to work with, and provide advice to, federal departments and agencies and provincial departments and agencies on First Nations statistics; to work in cooperation with Statistics Canada to ensure that the national statistical system meets the needs of First Nations in Canada; and to build statistical capacity within First Nations governments.

Corporate Profile

The First Nations Statistical Institute (FNSI) was created to respond to a need within First Nations for complete, reliable, and accurate statistical information.

The FNSI aims to become a centre of statistical expertise for First Nations and other stakeholders. The FNSI will provide a number of services that will produce high-quality information and establish greater use of First Nations statistics for all parties.

In carrying out its mandate, the FNSI is committed to serving First Nations and all Canadians by improving access and use of information about First Nations through the delivery of projects and products that meet their needs, by sustaining expertise and building capacity on the use of statistics, and by promoting a sound system of statistical information for First Nations.

The FNSI will aspire to be Canada's primary source for the production of accurate, relevant, and responsive statistical information on First Nations.

John Wood, President and Chief Executive Officer

Constituent Act

Freshwater Fish Marketing Act, R.S.C. 1985, c. F-13.

Year of Incorporation

1969

Status

Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To purchase all fish lawfully fished and offered for sale, to create an orderly market, to promote international markets, to increase the fish trade, and to increase returns to fishers.

Corporate Profile

In 1969, the McIvor Commission report recommended the creation of the Freshwater Fish Marketing Corporation (FFMC) to improve the state of the commercial fishing industry and increase returns to commercial freshwater fishers in Central and Western Canada. The FFMC was created on February 12, 1969, as a federal Crown corporation.

To achieve its mandate, the FFMC operates much like a producers' cooperative, with the beneficiaries being the commercial fish producers in Manitoba, Saskatchewan, Alberta, the Northwest Territories, and Northwestern Ontario. The FFMC trades and markets the products of the commercial freshwater fishery on an interprovincial and export basis and provides a range of products and services to its customers in order to achieve the greatest economic returns possible for the commercial fish producers it serves.

Pilotage Act, R.S.C. 1985, c. P-14.

Year of Incorporation

1972

Status

Schedule III, Part I of the *Financial Administration Act*; not an agent of Her Majesty.

Mandate

To establish, maintain, and administer a safe and efficient pilotage service in all Canadian waters in Ontario and Manitoba, as well as in Quebec south of the northern entrance to the St. Lambert Lock.

Corporate Profile

The *Pilotage Act* received royal assent on February 1, 1972, as a result of the recommendations of the Royal Commission on Pilotage (1962–71). Through the *Pilotage Act*, the Great Lakes Pilotage Authority was established as a Crown corporation, along with three other pilotage authorities—the Atlantic Pilotage Authority, the Laurentian Pilotage Authority, and the Pacific Pilotage Authority.

To achieve its mandate, the Great Lakes Pilotage Authority provides pilotage services and coordinates its operations with a number of other organizations, such as the St. Lawrence Seaway Management Corporation and the United States Seaway Development Corporation, which operate the lock facilities and maintain a traffic control system within the region. With the approval of the Governor in Council, the Corporation makes regulations that prescribe the compulsory pilotage areas, the ships or classes of ships that are subject to compulsory pilotage, when compulsory pilotage may be waived, the tariff rates for pilotage, and the classes of licences and classes of pilotage certificates that may be issued.

Auditor

Auditor General of Canada

Status

Exempt from Divisions I to IV of Part X of the *Financial Administration Act* (except for sections 131 to 148); not an agent of Her Majesty.

Mandate

To initiate, encourage, support, and conduct research into the problems of the developing regions of the world and into the means for applying and adapting scientific, technical, and other knowledge for the economic and social advancement of those regions.

Corporate Profile

In May 1970, as a result of a commission report called *Partners in Development* (the Pearson Report) and subsequent related consultations, the International Development Research Centre (IDRC) was established as a Crown corporation.

IDRC is one of the world's leading institutions in the generation and application of new knowledge to meet the challenges facing developing countries. IDRC funds applied research by researchers in developing countries on problems that they identify as crucial to their communities. It also provides technical support to those researchers. IDRC builds local capacity in developing countries to undertake research and create innovations, believing that people in developing countries must take the lead in producing and applying knowledge for the benefit of their own communities.

IDRC also fosters alliances and knowledge sharing between scientific, academic, and development communities in Canada and developing countries. IDRC's core mission supports Canada's foreign policy and innovation policy goals.

Pilotage Act, R.S.C. 1985, c. P-14.

Year of Incorporation

1972

Status

Schedule III, Part I of the *Financial Administration Act*; not an agent of Her Majesty.

Mandate

To operate, maintain, and administer a safe and efficient pilotage service in the St. Lawrence River between Les Escoumins and the north end of the St. Lambert Lock, in the Saguenay River, and in Chaleur Bay north of Cap d'Espoir.

Corporate Profile

The *Pilotage Act* received royal assent on February 1, 1972, as a result of the recommendations of the Royal Commission of Pilotage (1962–71). Under the *Pilotage Act*, the Laurentian Pilotage Authority was established as a Crown corporation along with three other pilotage authorities—the Atlantic Pilotage Authority, the Great Lakes Pilotage Authority, and the Pacific Pilotage Authority.

To achieve its mandate, the Laurentian Pilotage Authority serves three mandatory pilotage districts: one for the Port of Montréal, another for the navigable waters between Montréal and Québec, and a third for the navigable waters between Québec and Les Escoumins, including the Saguenay River.

The Corporation owns and operates a pilot station at Les Escoumins with pilot boats capable of carrying pilots year round. With the approval of the Governor in Council, it makes regulations that prescribe the compulsory pilotage areas, the ships or classes of ships that are subject to compulsory pilotage, when compulsory pilotage may be waived, the tariff rates for pilotage, and the classes of licences and classes of pilotage certificates that may be issued.

Status
Schedule III, Part I of the *Financial Administration Act*; not an agent of Her Majesty.
Mandate

To provide a safe, environmentally responsible, and quality ferry service between the Island of Newfoundland and the Province of Nova Scotia in a reliable, courteous, and cost-effective manner.

Corporate Profile

Marine Atlantic Inc. was created to provide transportation between the Island of Newfoundland and Nova Scotia and has provided continuous ferry services since the Province of Newfoundland and Labrador joined Canada in 1949. Marine Atlantic Inc. was made a Crown corporation in 1986. Marine Atlantic Inc. continues to have a strong economic presence in the region by playing an important role in Newfoundland and Labrador's commerce and tourism industries.

To achieve its mandate, Marine Atlantic Inc. guarantees a year-round ferry link between North Sydney, Nova Scotia, and Port aux Basques, Newfoundland and Labrador. It also operates a seasonal alternative service between Argentia, Newfoundland and Labrador, and North Sydney during the summer months and owns and operates four ice-breaking class ocean-going ferry vessels and three ferry terminals.

Auditor

Auditor General of Canada

Status

Pursuant to Section 85 (1) of Part X of the *Financial Administration Act*, Divisions I to IV of the Act, except for sections 131 to 148 of Division III, do not apply to the Corporation. The Corporation is deemed, under Section 15 of the *National Arts Centre Act*, to be a registered charity within the meaning of that expression in the *Income Tax Act*. The Corporation is not an agent of Her Majesty.

Mandate

To operate and maintain the Centre, to develop the performing arts in the National Capital Region and to assist the Canada Council for the Arts in the development of the performing arts elsewhere in Canada.

Corporate Profile

Conceived as a major project of the federal government for the Centennial celebrations, the National Arts Centre Corporation was created in 1966 by an Act of Parliament as a national showcase for the performing arts. The Centre officially opened on June 2, 1969.

To fulfill its mandate, the National Arts Centre arranges and sponsors performing arts activities with other organizations throughout the country; hosts festivals and, through its tours, the media and the Internet, reaches out to audiences across Canada and around the world; presents classical music, dance, English-language theatre, French-language theatre, variety, and community programming; and is home to the National Arts Centre Orchestra.

Of the Corporation's total revenue, approximately half comes from earned revenue from box office sales, donations, catering and the restaurant, parking, and facility rentals at its site on the Rideau Canal in Ottawa.

Status
Schedule III, Part I of the *Financial Administration Act*; an agent of Her Majesty.
Mandate

To prepare plans for and assist in the development, conservation, and improvement of the National Capital Region in order that the nature and character of the seat of the Government of Canada may be in accordance with its national significance; to organize, sponsor, or promote such public activities and events in the National Capital Region as will enrich the cultural and social fabric of Canada, taking into account the federal character of Canada, the equality of status of the official languages of Canada, and the heritage of the people of Canada.

Corporate Profile

The work of the National Capital Commission (NCC) ensures that federal lands and public programs in Canada's Capital Region (CCR) contribute to the creation of a capital that is a source of pride and national significance for all Canadians.

To achieve its mandate, the NCC animates and interprets the capital as a place to experience Canadian heritage, culture, and achievements through the presentation of major events, including Canada Day and Winterlude, through the Capital Infocentre and other orientation programs that inform visitors about the capital, and through outreach and marketing activities to increase awareness of the capital outside the CCR. The NCC plans the development and use of federal lands in the CCR and manages and protects its own physical assets, including six official residences, urban lands, parks, parkways, bridges, Gatineau Park, and the Greenbelt, as well as other key federal lands and buildings in the CCR.

Mandate

To develop, maintain, and make known, throughout Canada and internationally, a collection of works of art, both historic and contemporary, with special but not exclusive reference to Canada; and to further the knowledge, understanding, and enjoyment of art in general among all Canadians.

Corporate Profile

The National Gallery of Canada is one of the world's most respected art institutions, renowned for its exceptional collections, revered for its scholarship, and applauded for its unique ability to engage audiences of all ages and all levels of artistic knowledge. Created in 1880, the National Gallery of Canada is among the oldest of Canada's national cultural institutions. Its current status as a federal Crown corporation dates from 1990, when the *Museums Act* was proclaimed.

Auditor General of Canada

Status

Schedule III, Part I of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To foster scientific and technological literacy throughout Canada by establishing, maintaining, and developing a collection of scientific and technological objects, with special but not exclusive reference to Canada, and by demonstrating the products and processes of science and technology, as well as their economic, social, and cultural relationships with society.

Corporate Profile

The National Museum of Science and Technology, which now operates under the name Canada Science and Technology Museum (CSTM), dates back to the Massey Commission report of 1951, which recommended the creation of a national museum of science and technology to collect, preserve, research, and interpret Canada's technological heritage. The CSTM was subsequently proclaimed a Crown corporation in 1990.

To achieve its mandate, the CSTM currently develops and manages a representative collection of scientific and technological artifacts and materials. The collection includes three-dimensional objects, trade literature, rare books and journals, engineering drawings, archival materials and photographs. It is organized within five curatorial areas: communications; non-renewable resources and industrial design; renewable resources including agriculture and forestry; physical sciences and medicine; and land, marine, and aviation transportation. The CSTM manages three museums: the Canada Agriculture Museum; the Canada Aviation Museum; and the Canada Science and Technology Museum. Each museum undertakes curatorial work and sets its own public programming activities and strategies in recognition of the different markets and clientele it serves.

Status

Wholly owned subsidiary of the Canada Lands Company Limited; directed by Order in Council (P.C. 1987-86) to report as if it were a parent Crown corporation; an agent of Her Majesty.

Mandate

To develop and promote the Old Port of Montréal site and to manage and maintain the Crown property in that location intended for recreational, tourist, and cultural activities for the general public.

Corporate Profile

The Old Port of Montréal Corporation (OPMC) was incorporated on November 26, 1981, as a wholly owned subsidiary of the Canada Lands Company Limited.

To achieve its mandate, the OPMC manages and develops a riverside urban park in the city of Montréal for recreation, tourism, and cultural activities through two business units: the Quays of the Old Port and the Montréal Science Centre (MSC).

The Quays of the Old Port ensures exhibition of the arts and Canadian diversity, the presentation of the maritime and port history of the site, recreational and tourist activities, visitor services, and activities and services of a commercial nature, including parking.

The MSC ensures the dissemination of science and technology through permanent and temporary interactive exhibitions, the IMAX® Telus theatre, and the IMMERSION movie game along with other cultural and educational action programs. The MSC also promotes the know-how of Canadian enterprises.

Pilotage Act, R.S.C. 1985, c. P-14.

Year of Incorporation

1972

Status

Schedule III, Part I of the *Financial Administration Act*, not an agent of Her Majesty.

Mandate

To establish, operate, maintain, and administer a safe, reliable, and efficient pilotage service in the coastal waters of British Columbia, including the Fraser River.

Corporate Profile

The *Pilotage Act* received royal assent on February 1, 1972, as a result of the recommendations of the Royal Commission of Pilotage (1962–71). Through the *Pilotage Act*, the Pacific Pilotage Authority was established as a Crown corporation, along with three other pilotage authorities—the Atlantic Pilotage Authority, the Great Lakes Pilotage Authority, and the Laurentian Pilotage Authority.

To achieve its mandate, the Pacific Pilotage Authority provides pilotage services within a commercially oriented framework directed toward maintaining financial self-sufficiency through tariffs. It provides pilots with water transportation to and from ships, operating pilot launches at three permanent boarding stations; trains and licenses coastal pilots; continues implementing various programs, such as the Skills Enhancement Program for senior pilots and the Familiarization Program to supplement candidates' coast-wide knowledge; and funds the new pilot launch construction program.

The Corporation, with the approval of the Governor in Council, makes regulations that prescribe the compulsory pilotage area, the classes of ships that are subject to compulsory pilotage, the tariff rates for pilotage, and the classes of licences and classes of pilotage certificates that may be issued.

Status

Wholly owned subsidiary of Canada Lands Company Limited and directed to report as if it were a parent Crown corporation (P.C. 2003-1304); an agent of Her Majesty.

Mandate

Parc Downsview Park Inc. (PDP) is an agent Crown corporation subject to Part X of the *Financial Administration Act*. Its mandate is to transform the former Canadian Forces Base in Toronto into “a unique urban recreational green space for the enjoyment of future generations” on a self-financing basis.

Corporate Profile

As articulated by PDP’s Board of Directors, “Downsview Park is a unique urban recreational green space, a safe and peaceful place developed according to the principles of environmental, economic and social sustainability for Canadians to enjoy in all seasons. The Park reflects Canada’s mosaic brilliance and celebrates its past, present and future accomplishments.”

Downsview Park is designed to support environmental, social and economic sustainability. The design and operation of Downsview Park are guided by a set of five core values: sustainability, stewardship, play, legacy, and beauty. The Downsview Park Sustainable Community is the park as a whole—a green space with recreational and cultural areas, as well as five neighbourhoods uniquely integrated.

PDP is actively making progress on its ambitious plans to build the Downsview Park Sustainable Community. PDP is achieving its mandate to construct and maintain an urban green space; maintain, protect and lease real property assets; offer a variety of programs, facilities and activities; and cultivate relationships with current and future partners in the creation of Downsview Park.

Auditors

Auditor General of Canada
KPMG LLP

Status

Her Excellency the Governor General in Council, pursuant to subsection 86(2) of the *Financial Administration Act*, declares that all of the provisions of Part X of that Act, other than section 90, that apply only to parent Crown corporations apply to PPP Canada Inc.

Mandate

PPP Canada's mandate is to improve the delivery of public infrastructure by achieving better value, timeliness, and accountability to taxpayers through P3s.

Corporate Profile

As Canada's existing public infrastructure continues to age and the requirements for replacement and new infrastructure increase, governments must find ways of stretching their infrastructure dollars further. Across Canada, governments have begun to recognize the value of engaging private sector innovation to build more for less, where possible, and deliver savings that will help to fill the infrastructure gap.

This infrastructure delivery model, known as P3 procurement, has been successfully implemented through the creation of government agencies in the United Kingdom, Australia and across Europe. The agency model is finding increasing favour with governments in Canada as well, where public corporations and agencies have been created in British Columbia, Ontario, Quebec and, most recently, federally to leverage greater value for money through P3 procurement.

In 2008, PPP Canada Inc. was established to build P3 procurement knowledge and capacity federally and to leverage greater value for money from federal investments in provincial, territorial, municipal and First Nations infrastructure with the P3 Canada Fund.

Status

Exempt from Part X of the *Financial Administration Act* (except for sections 113.1, 132 to 147 and 154.01); not an agent of Her Majesty.

Mandate

To manage the amounts transferred under the *Canadian Forces Superannuation Act*, the *Public Service Superannuation Act*, and the *Royal Canadian Mounted Police Superannuation Act* (the Acts) in the best interests of the contributors and beneficiaries under those Acts and to invest the assets with a view to achieving a maximum rate of return, without undue risk of loss, having regard to the funding, policies and requirements of the pension plans established under the Acts and the ability of those pension plans to meet their financial obligations.

Corporate Profile

The Public Sector Pension Investment Board is a Crown corporation established pursuant to the *Public Sector Pension Investment Board Act* in 1999 to invest the proceeds of the net contributions received by the Government of Canada since April 1, 2000, for the Canadian Forces, the Public Service, and the Royal Canadian Mounted Police pension plans and since March 1, 2007, for the Reserve Forces pension plan (the Pension Plans).

The Public Sector Pension Investment Board's statutory objectives are to manage the funds entrusted to it in the best interests of the contributors and beneficiaries of the Pension Plans and to maximize investment returns without undue risk of loss. To achieve its mandate, the Public Sector Pension Investment Board makes investments in fixed income instruments and Canadian and foreign equities, real estate, private equity, infrastructure, and other permissible investments, through in-house or external managers.

Auditor General of Canada

Incorporation

1981 under the *Canada Business Corporations Act*; became a wholly owned subsidiary of the Canada Ports Corporation in 1991; on November 1, 2000, pursuant to section 177 of the *Canada Marine Act* (R.S.C. 1998, c.10), Ridley Terminals Inc. became a parent Crown corporation.

Status

Schedule III, Part I, *Financial Administration Act*; not an agent of Her Majesty.

Mandate

To provide continuous, high-quality, and high-performance rail car unloading, product storage, and loading services as a marine terminal.

Corporate Profile

Ridley Terminals Inc. (RTI) was established in 1981 to provide a marine terminal to support the coal mines in Northeastern British Columbia. RTI owns and operates its marine terminal on Ridley Island in Prince Rupert, British Columbia. Its train-unloading and ship-loading infrastructure and equipment are located on land leased from the Prince Rupert Port Authority.

To achieve its mandate, RTI continues its efforts to attract additional volumes of coal from Northern Alberta and Northeastern British Columbia through continued active and visible marketing of the capacities and advantages of the terminal. RTI puts considerable effort into achieving agreements for other commodities and products, such as sulphur and wood pellets, to diversify the products being handled through the terminal. The Ridley terminal operates seven days per week, 24 hours per day, and is certified under the ISO 9001, ISO 14001, and OHSAS 18001 standards.

Constituent Act

Royal Canadian Mint Act, R.S.C. 1985, c. R-9.

Year of Incorporation

1969

Status

Schedule III, Part II of the *Financial Administration Act*, an agent of Her Majesty.

Mandate

To mint coins in anticipation of profit and to carry out other related activities.

Corporate Profile

The Royal Canadian Mint (RCM) is responsible for minting the nation's circulation coins. Founded in 1908 as a branch of the Mint of the United Kingdom, the RCM's operations were devolved to the Crown in right of Canada in 1931. Initially a departmental agency of the government, the RCM was incorporated by legislation in 1969. In 1987, a share-capital structure was created for the RCM. In 1999, the legislation was further amended to give the RCM the rights, powers, privileges, and capacity of a natural person.

As a commercial Crown corporation, the Mint generates commercial revenues by offering a wide range of specialized coin products and related services, both nationally and internationally.

The RCM owns two facilities—one in Ottawa and the other in Winnipeg. The Ottawa facility houses the corporate head offices, the gold and silver refineries, and the production facilities for numismatic and bullion coins, medals, and medallions. The Winnipeg plant, which includes a plating facility, produces all of Canada's circulation coins (1.4 billion coins in 2009), as well as circulation coins for certain foreign countries (1.1 billion coins in 2009) on an export basis.

Minister of Industry

Chairperson

Hugh A. Krentz

Institutional Head

Hugh A. Krentz, Interim Executive Director

Constituent Act
Standards Council of Canada Act, R.S.C. 1985, c. S-16.
Year of Incorporation

1970

Status
Schedule III, Part I of the *Financial Administration Act*, not an agent of Her Majesty.
Mandate

To oversee Canada's National Standards System by promoting efficient and effective voluntary standardization in Canada, when standardization is not expressly provided for by law, in order to advance the national economy, support sustainable development, benefit the health, safety, and welfare of workers and the public, assist and protect consumers, facilitate domestic and international trade, and further international cooperation in relation to standardization.

Corporate Profile

In 1964, the federal government conducted a comprehensive review of standards activity in Canada. The study identified a number of deficiencies in the country's approach to standardization, including coordination and long-term planning, support from industry and government, and Canadian involvement in international standardization. The government responded by establishing the Standards Council of Canada (SCC) through the *Standards Council of Canada Act*, which received royal assent in 1970.

The SCC represents Canada's interests in standards-related matters in foreign and international forums. The SCC performs accreditation of Canadian standards development organizations and conformity assessment organizations in Canada and other countries, as designated in the *Standards Council of Canada Act*. The SCC also serves as Canada's Enquiry Point for the World Trade Organization and the *North American Free Trade Agreement*.

The SCC's activities are guided by the updated *Canadian Standards Strategy: 2009–2012*, a blueprint for standardization activity in Canada.

Mandate

To foster and promote the development of the audiovisual industry in Canada.

Corporate Profile

Under section 10 of the *Telefilm Canada Act*, the mandate of the Corporation is to foster and promote the development of the audiovisual industry in Canada and to act in connection with agreements entered into with the Department of Canadian Heritage for the provision of services or programs relating to the audiovisual or sound recording industries.

As a policy instrument of the federal government, Telefilm Canada provides support to Canada's audiovisual industries aiming at the creation of cultural works and products that reflect the diversity of Canada for the benefit of Canadian audiences. Through a diversity of programs, Telefilm Canada serves three sectors of the Canadian industry: feature film, television, and interactive media.

Telefilm Canada is a Crown corporation reporting to Parliament through the Minister of Canadian Heritage. Telefilm Canada provides its services to the Canadian audiovisual industries through four regional offices in Vancouver, Toronto, Montréal, and Halifax.

Year of Incorporation

1977

Status
Schedule III, Part I of the *Financial Administration Act*, not an agent of Her Majesty.
Mandate

To manage and provide a safe and efficient passenger rail service.

Corporate Profile

VIA Rail Canada Inc. was created in 1977 as a Crown corporation to provide Canadians with year-round rail services to both large and small communities, including many where rail travel is the only transportation service available. VIA Rail operates more than 503 trains weekly on 12,500 kilometres of track, connecting over 450 communities across the country.

To achieve its mandate, VIA Rail implements a Safety Management System and new and enhanced security measures. Via Rail maintains ongoing discussions with its infrastructure owner partners to identify opportunities for improving its on-time performance. VIA Rail has strategic partnerships to enhance multi-modal transport service to customers. In addition, VIA Rail performs its activities in an environmentally friendly manner in conformity with its Environmental Management System and ISO Standard 14000:2004.

Chapter 3 Other Corporate Interests of Canada

3.1 Introduction

Outside the federal government, there exist a number of institutions in which the federal government has an interest or participates in oversight. This chapter provides the details of these other corporate interests as at July 31, 2010. The corporate profiles of these other corporate interests of Canada are available on the Treasury Board Secretariat website.³⁸

Mixed enterprises

Mixed enterprises are corporate entities whose shares are partially owned by the Government of Canada with the balance of shares owned by private sector parties. A minister represents the government as a shareholder, executing the corresponding rights and responsibilities.

Joint enterprises

Joint enterprises are corporate entities whose shares are partially owned by the Government of Canada with the balance of shares owned by another level of government. A minister represents the federal government as a shareholder, executing the corresponding rights and responsibilities.

International organizations

International organizations are corporate entities created pursuant to international agreements under which Canada either holds shares or has a right to appoint or elect a number of members to a governing body. A minister represents the government in executing the rights and responsibilities accorded to Canada through the agreement.

Shared-governance corporations

Shared-governance corporations are corporate entities without share capital for which Canada, either directly or through a Crown corporation, has a right to appoint or nominate one or more members to a governing body.

Corporations under the terms of the *Bankruptcy and Insolvency Act*

Corporations that fall under the terms of the *Bankruptcy and Insolvency Act* are partially owned by Canada following receipt by a trustee in bankruptcy.

3.4 Holdings under the *Bankruptcy and Insolvency Act*

Pursuant to section 147 of the *Bankruptcy and Insolvency Act* (BIA), each time a trustee in bankruptcy makes a payment to a creditor in response to a claim against a bankrupt private sector corporation, the Superintendent of Bankruptcy is paid a levy.

A trustee in bankruptcy is a person appointed by the bankruptcy court to oversee the distribution of the assets of a bankrupt corporation to its creditors.

Although the levy is typically a dollar percentage of each claim (fixed by the BIA), in rare cases shares are provided in lieu of a cash payment. The Superintendent of Bankruptcy holds these shares on behalf of the Crown until all restrictions on their sale have expired and the shares are either sold for cash, transferred, or are deemed worthless.

It is worth noting that most of the shares the Superintendent receives as a levy do not produce revenue for the Crown. Nevertheless, the Office of the Superintendent of Bankruptcy maintains records for all shares received as a levy.

The current share holdings are listed below chronologically from the date on which the government took on the shares and will remain listed until disposed of.

Receipt Date	Company Name
September 3, 1991	Amertek Inc.
October 2, 1991	Kenloch Distillers Ltd.

Appendix C—Glossary of Financial and Employment Terms used in Exhibits 8 and 9

All financial data are extracted from the Crown corporations' audited financial statements for the most recently completed fiscal year. Because the financial statements do not always display the same information consistently, certain values have been adjusted accordingly to provide a meaningful basis for comparison. The terms below are listed in the order in which they appear in the exhibits.

Exhibit 8 terminology

Total assets represent all assets reported by the corporation in its audited financial statements.

Current liabilities represent all current-year liabilities (due within one year) as reported by the corporation in its audited financial statements.

Long-term liabilities represent all long-term liabilities spanning several years, including deferred capital funding, reported by the corporation in its audited financial statements.

Equity represents the equity of Canada. For some corporations, such as marketing boards, the excess of assets over liabilities is not deemed to be equity of Canada because of the nature of their operations.

Employment represents the number of full-time employees reported by the Crown corporation as at July 31 of the reporting year. The figure includes the full-time staff and others employed outside Canada by the parent corporation and its wholly owned subsidiaries. The two exceptions are the data for the Canada Development Investment Corporation, which relate to the parent corporation only, and the data for the four pilotage authorities, which include contracted pilots.

Exhibit 9 terminology

Net income represents after-tax income (where applicable) and any extraordinary items. It includes parliamentary appropriations where the corporation has included these in the computation of net income. In some cases, net income has been defined as the "excess of parliamentary appropriations over cost of operations" or as the "excess of proceeds over expenditures." A negative net income or net loss is shown in parentheses.

Borrowings from the private sector include short- and long-term borrowings, capital leases, and any other debt-like instruments. For the Canadian Dairy Commission and the Freshwater Fish Marketing Corporation, loans may include payments accruing to dairy producers and fishers.

Borrowings from Canada include short- and long-term borrowings, advances from the Government of Canada for working capital or other purposes, and other debt-like instruments.

Budgetary appropriations refer to parliamentary funding for capital and operating purposes. The amounts exclude grants and contributions paid to Crown corporations where they qualify as members of a general class of recipients. Budgetary appropriations increase the expenditures of Canada and thus have a direct impact on the amount of the government's surplus or deficit.

Dividends represent those dividends declared by the corporation during its fiscal year. The figure includes cash recoveries by Canada (where applicable) and other types of payments or contributions made to Canada, excluding repayments of debt-like instruments. Dividends may be paid by the corporation to the Government of Canada before or after the corporation's year-end.
