Notes

Sketch

A large rectangular area filled with a light blue grid, intended for drawing or sketching observations from the outing.

My Urban Diagnosis

Now that you've gathered an abundance of observations, use them to reach your own diagnosis about the health of your urban environment by filling in the chart opposite.

Check the boxes that apply

Excellent!

Not bad but...

Things must improve!

Recommendation:

Enjoy your environment and help preserve the threatened species in your area.

Choose one thing you would like to improve and think up a feasible solution.

Many heads are better than one! Talk to people about your concerns; they might join your improvement efforts.
