President's Message

I am pleased to table the *Annual Report to Parliament on the Tabling of Crown Corporations' Reports 2011* in accordance with the provisions of the *Financial Administration Act*.

Crown corporations play an important role in strengthening the economic, social, and cultural fabric of Canada. They operate across Canadian economic sectors and vary in their size and reliance on government appropriations. Most are required to report to Parliament on their activities through accountability documents such as corporate plan summaries, budget summaries, and annual reports. This report sets out the relevant tabling dates for each of these documents as verified by the Auditor General of Canada.

In 2011–12, Crown corporations began publishing quarterly financial reports, further strengthening accountability and transparency in government. The quarterly reports supplement the information available through other reports tabled in Parliament.

Parliamentarians and Canadians can now more easily access information about the work that the government is undertaking on their behalf. We know that providing access to government data will foster innovation, creativity and, ultimately, value for our country.

The government is working to improve the quality of the information we provide to parliamentarians and to more effectively communicate with Canadians and serve them better. I encourage all Canadians to consult this report for information on the federal government and its Crown corporations.

Original Signed By

The Honourable Tony Clement,
President of the Treasury Board and Minister for FedNor

Appendix – List of Abbreviations Used in this Report	16

Introduction

The *Annual Report to Parliament on the Tabling of Crown Corporations' Reports 2011* provides consolidated information about when the corporate plan summaries, budget summaries, and annual reports of Crown corporations are due to be tabled in Parliament, and the dates on which these documents were actually tabled. This information is audited by the Auditor General of Canada as at July 31, 2011, and is tabled in each House of Parliament in accordance with section 152 of the *Financial Administration Act* (FAA).

This report contains the following chapters:

Chapter 1, “Deadlines for Tabling in Parliament,” describes the criteria used to identify the reports’ tabling deadlines.

Chapter 2, “Tabling of Parent Crown Corporations’ Reports in Parliament,” lists the reports by Crown corporation that were due to be tabled in Parliament and that were actually tabled from August 1, 2010, to July 31, 2011. The tabling deadline and the date the report was tabled are given for each Crown corporation.

These chapters are followed by the Auditor General of Canada’s Report.

A companion report, the *Inventory of Government of Canada Organizations 2011*, including Crown corporations and other corporate interests of Canada, will be tabled separately in each House of Parliament in accordance with section 151 of the FAA.

In the past, the reports produced in accordance with FAA sections 151 and 152 were tabled in Parliament in a single document. This year, they are separated into two documents in order to facilitate links between the Inventory of Government of Canada Organizations and other publicly reported data and information about federal institutions.

Over the past few years, the Secretariat has been publishing fewer and slimmer printed reports, and has been making more content available on the Web. The 2011 reports mark a further evolution in this strategy, while still complying with FAA reporting requirements. The reports are now integrated with the federal government’s Open Data Portal so that parliamentarians and Canadians are provided with organized electronic links to more timely and complete information in formats they can tailor to their needs. The change reflects the government’s commitment to Open Government in the June 2011 Speech from the Throne in order to modernize the way the public service works and ensure that Canadians have improved access to the workings of government.

Chapter 1. Deadlines for Tabling in Parliament

Crown corporations report to Parliament through three key documents: the corporate plan summary, the budget summaries, and the annual report. Unless the corporation is exempt,¹ the minister responsible tables annually a corporate plan summary, a capital budget summary, and in most cases, an operating budget summary.² There are a total of 48 operational Crown corporations. Tabling data for 39 operational Crown corporations and one dissolved³ corporation are included in this report. A total of 9 Crown corporations do not submit documents to Parliament. As of July 31, 2011, one Crown corporation⁴ was still non-operational.

Corporate plan and budget summaries tabled in Parliament are based on the approved corporate plan and budgets that cover the planned or future business, activities, and investments of a corporation and, where applicable, its wholly owned subsidiaries. The Crown corporation's annual report informs Parliament of the corporation's actual performance relative to the objectives, strategies, and activities approved by the government and to previously tabled corporate plan and budget summaries.

This chapter provides the criteria used to calculate the deadlines for tabling in Parliament and the related legislative provisions.

Deadlines for tabling in Parliament

The *Crown Corporation Corporate Plan, Budget and Summaries Regulations* (SOR/95-223) and subsection 150(1) of the FAA set out the deadlines for the tabling of Crown corporations' reports before each House of Parliament. The reports and their tabling deadlines are as follows:

- ▶ **Corporate plan or amended corporate plan summary:** Tabled within 30 sitting days after Governor-in-Council approval of the corporate plan.
- ▶ **Capital or operating budget summary:** Tabled within 30 sitting days after Treasury Board approval of the budget. When the operating or capital budgets are incorporated into the corporate plan, the deadline is the same as that for the corporate plan summary.

-
1. The nine Crown corporations that are exempt (BoC, CCA, CPPIB, CBC, CRRF, IDRC, NAC, PSPIB, and Telefilm) are neither required to submit corporate plans for the approval of the Governor in Council nor are they required to submit summaries of corporate plans, capital budgets, or operating budgets for tabling in Parliament (see the appendix for a list of abbreviations used in this report).
 2. CPC, RCM, and CDIC (Dev.) are not required to submit summaries of their operating budget for tabling in Parliament.
 3. The Cape Breton Development Corporation was dissolved in December 2009; therefore this will be the last reporting year for this Crown corporation.
 4. The Corporation for the Mitigation of Mackenzie Gas Project Impacts was non-operational on July 31, 2011.

- ▶ **Annual report:** Tabled within 15 sitting days after receipt by the responsible minister. The corporation must submit the report as soon as possible, but in any case within three months following the termination of its financial year-end.

Deadlines for annual reports are calculated from the date on which the responsible minister receives the report, if known, or three months following the corporation's fiscal year-end, whichever is earlier.

Note that all tabling deadlines in this report have been calculated based on the actual sitting days that occurred in Parliament up to July 31, 2011.

Chapter 2. Tabling of Parent Crown Corporations' Reports in Parliament

Chapter 2 provides the dates on which the parent Crown corporations' reports were tabled and the deadlines by which they were due to be tabled.

The following legend applies to the tabling report:

- ▶ **Deadline** columns—"N/A" indicates that the deadline date was after July 31 and is not available because the sitting days are not known in advance.
- ▶ **Tabled** columns—"Not yet" indicates that the report had not been tabled as at July 31.

6. Ridley Terminals Inc. tabled an addendum to its 2009 Annual Report in the House of Commons on June 22, 2011, and in the Senate on June 23, 2011. There is no legislated requirement to table addendums to annual reports, and no way to calculate a tabling deadline. The addendum is therefore not included.

Auditor General of Canada's Report

Auditor General of Canada
Vérificateur général du Canada

AUDITOR'S REPORT

To the House of Commons

As required by subsection 152(2) of the *Financial Administration Act*, I have audited, for the year ended 31 July 2011, the information contained in the *Annual Report to Parliament on the Tabling of Crown Corporations' Reports 2011*. The information contained in the report is the responsibility of the President of the Treasury Board. My responsibility is to express an opinion on the information contained in the report based on my audit.

I conducted my audit in accordance with the standards for assurance engagements established by the Canadian Institute of Chartered Accountants. Those standards require that I plan and perform an audit to obtain reasonable assurance as to whether the information contained in the report is free of significant misstatement. My audit included examining, on a test basis, evidence supporting the dates and other disclosures provided in the report.

In my opinion, the information contained in the *Annual Report to Parliament on the Tabling of Crown Corporations' Reports 2011* is accurate, in all significant respects, with the section "Deadlines for tabling in Parliament" contained within the report.

A handwritten signature in black ink, appearing to read 'Lucie Cardinal'.

Lucie Cardinal, CA
Principal
for the Interim Auditor General of Canada

2 November 2011
Ottawa, Canada
