### Infomat — A paper alternative

Do you prefer a paper publication to an electronic information service? Then consider subscribing to *Infomat*, a weekly publication that summarizes economic and social news from Statistics Canada in a concise format, bringing you a comprehensive view of the economy.

Like *The Daily*, *Infomat* keeps you up to date on consumer prices, manufacturing, imports and exports, employment and unemployment figures, and dozens of key indicators. Information bullets on the cover let you quickly identify topics of interest. Inside, tables offer national and provincial data, while charts help you spot recent trends. *Infomat* also includes a calendar of Statistics Canada's major releases for the month ahead, a one-page summary of the latest key economic indicators, and a listing of all publications released during the week.
