B. Report on Privacy Act

B1. Introduction

The *Privacy Act* (PA) was proclaimed into force on July 1, 1983.

The PA extends to individuals the right of access to information, about themselves held by the Government, and subject to specific and limited exceptions. The PA also protects individuals' privacy by preventing others from having access to their personal information and gives individuals substantial control over the collection, use, and disclosure by the federal government of such information.

Section 72 of the PA requires that the head of every government institution prepare for submission to Parliament an annual report on the administration of the PA within the institution during each financial year.

This Annual Report on the administration of the PA is prepared and tabled in Parliament in accordance with section 72 of the PA. It is intended to describe how the Farm Products Council of Canada (FPCC) administered its responsibilities during fiscal year 2017-2018.

FPCC's Mandate

The FPCC was established in 1972 under the *Farm Products Agencies Act* (the Act) as a unique public interest oversight body which reports to Parliament through the Minister of Agriculture and Agri-Food Canada (The Minister).

The FPCC, headed by a Chairman (Deputy Head) appointed by the Governor in Council, is composed of up to seven Members of which at least half must be primary producers at the time of their appointment.

The Act provides for the creation of National Marketing Agencies and Promotion Research Agencies. There are currently four Marketing Agencies: Canadian Hatching Egg Producers, Chicken Farmers of Canada, Egg Farmers of Canada and Turkey Farmers of Canada. There is also one Promotion Research Agency, the Beef PRA. The FPCC supervises and works with these agencies to ensure that the supply management system for poultry and eggs and promotion research activities for beef cattle work in the balanced interest of all stakeholders, from producers to consumers, and can evolve to respond to current and future challenges.

The FPCC also provides advice and recommendations to the Minister, collaborates with provincial supervisory boards and actively works with the Department and Agriculture and Agri-Food Portfolio Organizations.

B2. Organizational Structure

The Chief Financial Officer has delegated authority to oversee the administration of the *Privacy Act* within Farm Products Council of Canada and to ensure compliance with the legislation. FPCC has currently one ATIP Coordinator but also relies on Agriculture & Agri-Food Canada which acts as a service provider to the organization.

B3. Delegation Order

Section 73 of the *Access to Information Act* provides for the Minister, as head of Agriculture & Agri-Food Canada, to delegate the powers, duties and functions designated by the *Act*.

The approved FPCC Delegation Order is provided in [Annex A](#).

Delegation of Authority Instrument for the Administration of the *Privacy Act*

The FPCC Delegation of Authority Instrument is provided in [Annex B](#).

B4. Highlights of the Statistical Report, 2017-2018

Statistical reporting on the administration of the *Access to Information Act* and the *Privacy Act* has been in place since 1983. The statistical reports prepared by government institutions provide aggregate data on the application of the *Access to Information Act* and *Privacy Act* legislation. This information is made public on an annual basis in an [Info Source Bulletin](#) and is included with the annual reports on access to information and privacy, which are tabled in Parliament by each institution.

The FPCC 2017-2018 statistical reports on the *Privacy Act* is provided in [Annex C](#).

Interpretation of the Statistical Report for Requests under the Privacy Act

As the FPCC had no data to report for 2017-2018, no statistical interpretation is possible.

B5. Training

No training activities were undertaken during the 2017-2018 reporting period.

B6. Policies, Guidelines, Procedures and Initiatives

FPCC did not implement any new policies, guidelines, procedures or initiatives on the administration of the *Privacy Act* for the 2017-2018 reporting period.
