Les *Tableaux de référence financiers* fournissent des données annuelles concernant la situation financière des gouvernements fédéral et provinciaux. Les données sont présentées selon les comptes publics, suivant les conventions comptables utilisées dans la présentation de renseignements financiers aux différentes assemblées législatives; elles sont également présentées selon les comptes nationaux, telles qu'elles sont colligées par Statistique Canada et l'Organisation de coopération et de développement économiques (OCDE).

Pour obtenir des détails à ce sujet, prière de communiquer avec Peter DeVries, de la Division de la politique fiscale du ministère des Finances, Ottawa (Ontario) K1A 0G5, au (613) 996-7397.

Pour obtenir de l'information sur l'automatisation et la gestion des banques de données, prière de communiquer avec Lizbeth Richardson au (613) 996-0333.
