CAREER FOCUS PROGRAM

Investing in the future of agriculture

Are you interested in helping to develop Canada's newest and brightest graduates for a career in the agriculture industry?

The variety of employment opportunities in the agricultural field is endless and attracting the best employees is paramount to a successful organization.

The Career Focus Program provides employers with up to \$20,000 in matching funds to create internship opportunities for recent graduates from agriculture-related programs.

For employers, the program offers an economical way to attract new talent and helps provide new graduates with a valuable first job that will help pave the way to a career in the ever-changing agriculture and agri-food industry.

Eligible employers:

- Must offer projects that will give graduates meaningful agriculture career-related work experiences in Canada and skills acquisition through mentoring and coaching
- Could include organizations such as farm businesses, industry, not-for-profit organizations, provincial and municipal governments, associations, boards, councils, colleges and universities

Eligible interns:

- Must be a Canadian citizen or landed immigrant
- Must be 30 years old or younger
- Must have graduated from a university, college, CEGEP or provincial institution within the last three years, specializing in biology, agriculture, veterinary sciences or applied technology
