# Essential Skills Passport - Introduction

---

Welcome to your *Essential Skills Passport*.

Your *Passport* is a personal career development tool to help you track your Essential Skills. It allows you to record your skill strengths and identify areas for further development. It is designed in a portable format and is intended to be reviewed and updated regularly.

Essential Skills are the skills that people need for learning, work and life. They provide the foundation for learning all other skills. The Essential Skills are:

- Reading
- Document Use
- Numeracy
- Writing
- Oral Communication
- Working with Others
- Thinking
- Computer Use
- Continuous Learning

To learn more about literacy and essential skills and other related tools, visit  
[hrsdc.gc.ca/essentialskills](https://hrsdc.gc.ca/essentialskills)

**Literacy and Essential Skills—  
for LEARNING, WORK and LIFE**

# Essential Skills Passport - Instructions

---

1. Carefully read the statements under each Essential Skill. For more information on each skill, consult the reference sheets on pages 14-18.
2. If you have clearly demonstrated the ability described in a statement, place a checkmark in the corresponding box.
3. If you are completing your *Passport* with assistance, ask your supervisor, coach, mentor or counselor to place a checkmark next to the statements that they feel you have clearly demonstrated.
4. Personalize your *Passport* by listing tasks or competencies that are specific to your job under *Job-Specific Statements*.
5. Repeat steps 2-3 using your personalized statements.
6. Record any formal training or achievements related to the skill under *Training, Certifications and/or Accomplishments* on page 19.
7. List any skills requiring improvement under *Areas for Further Development* on page 20.

# SAMPLE

Name: Daniel Huxley  
Position: Sprinkler system installer

<b><i>I am confident in my/your ability to:</i></b>			
Refer to written materials when searching for information.	✓	✓	03/09
Read and understand simple texts, such as product labels, emails or memos.	✓	✓	05/09
Read and understand written instructions, such as work orders.	✓	✓	09/09
Skim lengthier texts for overall meaning and key ideas.			
Identify relevant and irrelevant information in texts.	✓		06/09

Read and understand complex texts, such as company policies or training manuals.			
<b>Job-Specific Statements</b> <i>Create personalized statements that are specific to <u>your</u> job.</i>			
<b><i>I am confident in my/your ability to:</i></b>			
<i>Read and understand installation instructions for new types of sprinkler heads.</i>	✓	✓	01/09
<i>Read and interpret the National Fire Protection Association code book, which contains complex and lengthy text.</i>	✓	✓	02/09
<i>Read training materials for courses such as Transportation of Dangerous Goods and the WHMIS.</i>			

# Essential Skills Passport - Tips & Best Practices

---

- ✓ Your *Passport* can be completed independently or with the help of a supervisor, coach, mentor or counselor. Use their advice to help you develop learning goals.
- ✓ Think of specific examples where you have demonstrated the general statements under each Essential Skill.
- ✓ Ask your supervisor for learning or training suggestions (e.g. on-the-job experience; learning resources for self-study).
- ✓ Concentrate on the development of just one or two skills at a time.
- ✓ If you are currently unemployed, think of your skills experience in broad terms. List tasks or competencies you demonstrated through volunteer activities, previous work experience or everyday activities.

<i>I am confident in my/your ability to:</i>			
Refer to written materials when searching for information.			
Read and understand simple texts, such as product labels, emails or memos.			
Read and understand written instructions, such as work orders.			
Skim lengthier texts for overall meaning and key ideas.			
Identify relevant and irrelevant information in texts.			
Find key pieces of information in complex or formal documents, such as service contracts.			
Analyze and integrate information from several sources.			
Refer to manuals for information on how to complete work tasks.			
Read and understand complex texts, such as company policies or training manuals.			
<b>Job-Specific Statements</b> <i>Create personalized statements that are</i>			
<i>I am confident in my/your ability to:</i>			

<b><i>I am confident in my/your ability to:</i></b>			
Find information in a document.			
Enter information into simple forms or charts, such as checklists or overtime forms.			
Enter information into complex forms or charts, such as annual budgets or production schedules.

# Reference Reading

---

**Reading** refers to understanding materials written in sentences or paragraphs (e.g. letters, manuals).

## Typical Applications

- Scan text for information or overall meaning.
- Read text to understand, learn, critique or evaluate.
- Analyze information from multiple sources or from complex and lengthy texts.

# Reference Document Use

---

**Document use** refers to using and understanding labels, graphs, signs and other similar materials.

## Typical Applications

- Read signs, labels or lists.
- Interpret information on graphs or charts.
- Create or complete tables.
- Interpret schematic drawings.

# Reference

## Numeracy

---

**Numeracy** refers to using and understanding numbers.

### Typical Applications

- Make calculations.
- Take measurements.
- Perform scheduling, budgeting or accounting activities.
- Analyze data.
- Make estimations.

# Reference

## Writing

---

**Writing** refers to writing text or typing on a computer.

### Typical Applications

- Write text to organize or record information.
- Write text to inform or persuade.
- Write text to request information or justify a request.
- Write an analysis or a comparison.

# Reference

## Oral Communication

---

**Oral communication** refers to using speech to share thoughts and information.

### Typical Applications

- Provide or obtain information.
- Greet, reassure or persuade people.
- Resolve conflicts.
- Facilitate discussions.

# Reference

## Working with Others

---

**Working with others** refers to interacting with others to complete tasks.

### Typical Applications

- Work independently, alongside others.
- Work jointly with a partner or helper.
- Work as a member of a team.
- Participate in supervisory or leadership activities.

# Reference Thinking

---

**Thinking** refers to reviewing information to make decisions.

## Typical Applications

- Identify and resolve problems.
- Make decisions.
- Find information.
- Plan and organize job tasks.
- Use critical thinking.
- Use memory.

# Reference Computer Use

---

**Computer use** refers to using computers and other technical tools (e.g. fax machine).

## Typical Applications

- Operate point-of-sale systems.
- Use word processing software.
- Send and receive emails.
- Create and modify spreadsheets.
- Navigate the Internet.

# Reference

## Continuous Learning

---

**Continuous learning** refers to participating in an ongoing process of gaining skills and knowledge (e.g. workplace training).

### Typical Applications

- Learn on-the-job.
- Learn through formal training.
- Learn through self-study.
- Know how to learn.
- Understand one's own learning style.
- Know how to gain access to a variety of resources and learning opportunities.
