

## **Supplementary Estimates (B) 2011-12**

### **Addendum 1**

**November 23, 2011**

Subsequent to posting this note, the Office of Infrastructure Canada contacted the PBO to provide additional details regarding the authorities of the Green Infrastructure Fund that were not provided in the Supplementary Estimates B document. Specifically, that part of the original \$1 billion budgetary envelope had been transferred to other departments and that approximately \$360 million of authorities would be included in Infrastructure Canada Vote 55 (Grants and Contributions), bringing total available authorities to approximately \$425 million for 2011-12.
