1.0 Purpose

The purpose of this Applicant Guide is to provide information to assist you with the completion of your Canada Summer Jobs (CSJ) application.

2.0 Introduction

CSJ is an initiative of the Summer Work Experience program. It provides funding to not-for-profit organizations, public-sector employers and small businesses with 50 or fewer full-time employees to create summer job opportunities for young people aged 15 to 30 years who are full-time students intending to return to their studies in the next school year.

2.1 Objectives

CSJ has three objectives:

- providing work experiences for students;
- supporting organizations, including those that provide important community services; and,
- recognizing that local circumstances, community needs and priorities vary widely.

2.2 Assessment Criteria

The criteria used to assess applications for funding focus on:

- services to local communities;
- jobs that support local priorities;
- jobs that provide career-related experience or early work experience;
- a salary that contributes to the student's income;
- an employer who provides supervision and mentoring;
- project activities that are directed toward members of, and support the vitality of, an Official Language Minority Community and,
- an employer who intends to hire priority students (students with disabilities, Aboriginal students, and students who are members of a visible minority).

Assessment of applications will be carried out on a constituency-by-constituency basis, ensuring that local priorities are considered. Local priorities for each federal electoral constituency are posted on the [CSJ website](#).

2.3 Application Deadline

THE APPLICATION DEADLINE IS JANUARY 30, 2015.

Applications received or postmarked after the deadline date will not be assessed or considered.

You can submit your application online, by mail, or in person at any Office. The online application is a fast, easy-to-use and secure way of applying. By submitting your application online, you will:

- have access to the application 24/7, from any location, allowing you to complete it at your convenience;
- ensure the application is received immediately by Service Canada; and,
- receive a confirmation number, acknowledging the application has been received.

Online: Your application must be submitted by 23:59 (Pacific Standard Time), on January 30, 2015.

By mail: Your application must be postmarked on or before January 30, 2015. Consult the [CSJ website](#) for the address of where to send your application.

In person: Your application must be received before the close of business of the Service Canada Office on January 30, 2015. Consult the [Service Canada website](#) for the hours of service of the Service Canada Offices.

Please note that **only one copy of your application** should be submitted to Service Canada. Submitting multiple copies of the same application or submitting the same application by using various methods may cause longer processing times.

Employers applying by mail or in person will receive a letter of acknowledgment within twelve days. When submitting an online application, a confirmation number will be displayed once you click on the “Submit to Service Canada” button. This confirmation number is considered the acknowledgement of receipt of your application. Please retain this confirmation number as you will need it in future communication with Service Canada.

2.4. Other Key Dates

- The earliest project start date is Monday, April 20, 2015.
- The latest project start date is Sunday, July 19, 2015.
- The latest project end date is Saturday, August 29, 2015.

3.0 Eligibility

Please note that submitting a complete and eligible application is a requirement for funding, but is not a guarantee of funding.

3.1 Eligible Employers

Not-for-profit employers and public and private sector employers may apply for wage subsidies.

Private sector employers must have 50 or fewer full-time employees across Canada to be eligible. Full-time employees are those working 30 hours or more per week.

3.1.1 Not-for-profit Employers

Entities under the “not-for-profit” category are established for purposes other than financial gain for their members. This category includes:

- churches and religious organizations;
- community groups, charitable and voluntary organizations;
- associations of workers or employers as well as professional and industrial organizations;
- Chambers of commerce;
- labour management and adjustment committees;
- bands, tribal councils and other Aboriginal organizations established on a “not-for-profit” basis;
- ad hoc groups established on a “not-for-profit” basis, including groups representing clients; and,
- cooperatives recognized by the Canada Revenue Agency (CRA) as registered charities and non-profit organizations pursuant to paragraph 149 (1) (f) and (l) of the *Income Tax Act*.

3.1.2 Public Sector Employers

Entities are considered to be part of the public sector¹ when more than 50% of their operating revenue comes from government appropriations (voted through parliament or annual legislation) and/or entities that must account for their activities to the government that provided their operating revenue.

Public sector employers include public health and public educational institutions and the terms “public health” and “public educational institution” comprise:

- public hospitals, nursing homes, senior citizen homes, rehabilitation homes, etc.;
- public community colleges and vocational schools;

¹Some restrictions may apply in certain provincial/territorial jurisdictions (for example, Quebec legislation requires authorization for some organizations to obtain federal funds).

- public degree-granting universities and colleges;
- school boards and their elementary and secondary institutions; and,
- band schools.

Public sector employers also include municipal governments; the term “municipal governments” comprises:

- municipal and regional legislative bodies and departments; and,
- municipal and regional agencies and institutions that receive more than 50% of their operating revenue from municipal or regional government contributions or appropriations.

3.1.3 Private Sector Employers

Private sector entities are established in order to generate a profit or to provide an economic advantage to their proprietors, members or shareholders. This category includes:

- bodies, incorporated or unincorporated, including partnerships and sole proprietorships;
- cooperatives;
- self-employed persons;
- Aboriginal organizations established on a “for-profit” basis;
- federal Crown corporations operating in a competitive environment and not ordinarily dependent on appropriations for operating purposes as indicated in Schedule III, Part II of the *Financial Administration Act*;
- provincial/territorial Crown corporations recognized as operating in a competitive environment and not ordinarily dependent on appropriations for operating purposes;
- private health and educational institutions; and,
- independent owners of franchises².

3.2 Ineligible Employers

Members of the House of Commons and the Senate, federal government departments and agencies, and provincial/territorial departments and agencies **are not** eligible for funding.

Note: If an employer is deemed ineligible, the application will not be assessed.

3.3 Eligible Participants

To be eligible, students must:

² Franchise operators are eligible if there are 50 or fewer full-time employees working in the franchise owner's operations across Canada, regardless of the number of business numbers involved.

- be between 15 and 30 years of age at the start of the employment;
- have been registered as full-time students in the previous academic year and intend to return to school on a full-time basis in the next academic year;
- be a Canadian citizen, permanent resident, or person to whom refugee protection has been conferred under the *Immigration and Refugee Protection Act*³; and,
- be legally entitled to work in Canada in accordance with relevant provincial/territorial legislation and regulations.

3.4 Eligible Costs

3.4.1 Wage Subsidy

Not-for-profit employers are eligible to receive funding for up to 100% of the provincial or territorial adult minimum hourly wage. Public and private sector employers are eligible to receive funding for up to 50% of the provincial or territorial adult minimum hourly wage. Refer to your provincial or territorial legislation to confirm the minimum wage.

An employer may choose to pay more than the minimum wage; however, the percentage reimbursed will apply only to the applicable provincial or territorial adult minimum hourly wage. For example, if a private sector employer pays a student \$12.00 per hour in a province where the adult minimum hourly wage is \$10.50, the subsidy provided will be 50% of the minimum wage, i.e. \$5.25.

3.4.2 Mandatory Employment Related Costs

Employers are required by law to pay the Mandatory Employment Related Costs (MERCs) for their employees. These costs include Employment Insurance premiums, Canada or Quebec Pension Plan contributions, vacation pay, Workers' Compensation premiums or equivalent liability insurance (if applicable), health insurance and parental insurance premiums in Quebec and Ontario (if applicable), the Health and Post-Secondary Education Tax in Newfoundland and Labrador, and the Health and Education Levy in Manitoba.

For your information, payroll deductions tables can be found on the [CRA](#) website. Check with the appropriate provincial or territorial authorities to ensure that you have the most up-to-date rate information.

Not-for-profit employers are eligible for reimbursement of MERCs for up to 100% of the adult minimum hourly wage in the province or territory where the activities will take place. All other employers are not eligible for funding to cover MERCs, in whole or in part.

³ Foreign students are not eligible.

3.4.3 Overhead Costs - Students with Disabilities

All employers may be eligible for additional funding of up to \$3,000 per student with disabilities to accommodate the student within the workplace. However, only personal tools and adaptations that the student requires to accomplish tasks covered under the agreement will be considered eligible.

3.5 Eligible Activities

The job must provide meaningful work experience for the student. It must not contribute to the provision of a personal service to the employer (e.g. the job must not involve gardening, domestic services, child care services, etc., for the employer).

The students must work in Canada for the entire duration of the approved funding period; jobs that take place outside of Canada are not eligible.

3.6 Duration and Hours of Work

The duration of the job must be between six and sixteen weeks. Normally, these weeks are consecutive.

The employer is expected to provide employment for the number of weeks approved. If employment is less than the minimum six weeks duration, the employment may be deemed ineligible (i.e. costs would not be reimbursed).

Jobs must be full-time (i.e. from a minimum of 30 to a maximum of 40 hours per week). Any weeks during which the employer provides fewer than the minimum 30 hours of work may be deemed ineligible.

Under exceptional circumstances, students with disabilities or with other barriers to full-time employment are eligible to work part-time. If applicable, this must be discussed with Service Canada once your application has been approved and the student selected.

3.7 Maximum Contribution

The maximum contribution will normally be for a value no greater than \$300,000 per employer per province or territory, including MERCs and overhead costs (if applicable).

3.8 Number of Participants

There is no maximum number of participants.

4.0 Completing an Application

A paper copy is available on the [Service Canada](#) website. It is essential that the application form be duly completed and signed.

4.1 Before You Start

You must carefully read this Applicant Guide and the Articles of Agreement before completing the application form. You should also read about the assessment process in order to better understand how your application will be assessed.

Important: Complete only one application form if all the jobs requested are within the same constituency. The location of the proposed activities determines the constituency.

If you are applying for multiple jobs based in more than one constituency, a separate application form must be submitted for each constituency. To determine the constituency in which the activities will take place, consult the [Elections Canada](#) website.

To complete your application form, you will need the following information:

- Legal name of your organization;
- Common name of your organization (if different from the legal name);
- CRA business number;
- Email address of the contact person
- Workers' Compensation account number and rate or insurer name and policy number;
- Mailing address of your organization;
- Number of full-time employees working in Canada;
- Date that your organization was created and,
- Local priorities of the constituency in which the activities will take place.

While completing the application form, be prepared to answer several questions and to provide detailed information about the job being created, such as:

- the job titles and the number of students for which you are requesting funding;
- a full description of the job's tasks and responsibilities, the plans for supervision and mentoring and health and safety practices in the workplace;
- the hourly wage rate to be paid to the students; and,
- the hourly contribution that you are requesting from Employment and Social Development Canada (ESDC).

4.2 Part A – Employer Information

Note: The questions in the online application are in a different order, but the same information is required.

1. CRA Business Number

Indicate the 15-character number that the CRA assigned to you. The employer type corresponding to this number will determine the percentage of the minimum wage that may be eligible for funding. To be eligible to receive funding for up to 100% of the minimum wage, your business number must correspond to a not-for-profit organization.

Note: In order to complete an online application, you will need a business number. To obtain a business number, consult the [CRA](#) website. If you do not have a business number in time to apply, you may proceed by using the paper application form. However, if your application is approved, you will need to provide a CRA business number.

2. Legal Name

Indicate the legal name of your organization that is associated with your CRA business number. If it is an acronym and it is not known provincially or territorially, indicate the legal name in full.

If your application is approved, the signed agreement returned to you will form a legally binding agreement with the Government of Canada and any payments issued will be made out to this name. Please note that payments will be issued using only the first 44 characters.

3. Common Name

Indicate the common name of your organization if it is different from the legal name or if you want to specify a particular department or branch. If it is an acronym and it is not known provincially or territorially, indicate the common name in full.

4. Telephone Number and 5. Fax Number

Indicate the telephone and fax numbers of your organization.

6. Employer Type

Check the box that best describes your organization.

If you disagree with a Service Canada decision regarding the employer type, you must demonstrate in writing how and from whom the organization receives its operating revenue as well as how and to whom it must account for its activities.

7. Is a union present on the worksite or are you a unionized employer?

If there is a union present on the worksite or if you are a unionized employer, you must provide written documentation from the union (using union letterhead) attesting to the fact that the union has been consulted and does not object to the job described in your application.

If you are applying using the paper application, you should attach the union concurrence to your application when submitting it. If you are applying online, you must send the union concurrence to Service Canada as soon as possible as your application will not be approved without it. Please send the union concurrence with reference to your online

application confirmation number (0-00000000) to the appropriate address that can be found in the [“Apply”](#) tab on the Service Canada website.

8. Name and Telephone Number of Employer Contact Person

The contact person must be a person with whom Service Canada can communicate regarding your application or any consequent agreement. This individual must be fully informed on both the application and the proposed activities.

9. Email Address of Employer Contact Person

The inbox for this email address should be monitored regularly since this email address will be used to send you information regarding CSJ and your application including the approval or rejection of your application.

10. Date the Organization was Created

Enter the year, month and day that your organization began operations.

11. Mandate and Main Activities of the Organization

Indicate your organization's mandate and provide a summary of its main activities.

12. Number of Full-Time Employees Working in Canada

Indicate the total number of full-time employees working for your organization across the country (not only those working in your branch). Full-time employees are those who work 30 hours or more per week.

If there are only part-time employees working for your organization, enter “0”.

13. Language

Indicate the language in which you wish to communicate and in which you wish to receive correspondence.

14. Mailing Address of Employer

Indicate your organization's mailing address to which all correspondence will be sent, including any payments.

15. Address of the Location of the Proposed Activities

Indicate the main address where the student will be working if this address is different from the mailing address. This address cannot be a post office box (PO Box); it must be a civic address.

If the proposed activities will take place in multiple locations, you must ensure that these locations are in the same constituency. To determine the constituency, consult the [Elections Canada](#) website.

Indicate all the other addresses where the student will be working. This address cannot be a post office box (PO Box); it must be a civic address.

Important: If the locations of the proposed activities will take place in multiple constituencies, a separate application must be submitted for each constituency.

16. The activities of your organization focus on the provision of services in the community

Check the applicable boxes.

17. Are the proposed activities directed at members of an Official Language Minority Community?

An Official Language Minority Community is one in which the official language spoken is not the majority official language in the province or territory. For all provinces and territories except Quebec, the majority official language is English.

Applications will be assessed to determine if the proposed activities are directed toward the members of, and support the vitality of, an Official Language Minority Community. To qualify as supporting the vitality of and assisting in the development of an Official Language Minority Community, the job must require the use of the minority language. The description of the tasks and responsibilities of the job must highlight how it is directed at members of an Official Language Minority Community.

The tasks and responsibilities of the job must require that the student use the minority language:

- in day-to-day internal operations;

- for promoting community development or cultural activities, museums, guided tours, festivals or theatre, as well as other activities related to tourism.

Note: During the assessment, points are awarded if the proposed activities are directed at members of, and support the vitality of, an Official Language Minority Community. Please refer to section 5.2 for more information.

18. Have you applied or will you apply for other sources of funding for the job requested? *This question only applies to applications where the funding requested is in excess of \$100,000.*

Please refer to Article 17(c) of the Canada Summer Jobs Articles of Agreement before checking the applicable box.

If you answered “yes” and you are applying using the paper application, you must complete article 11 of the Canada Summer Jobs Articles of Agreement and attach it to your application.

19. Do you owe any amount to the Government of Canada, under the legislation or a contribution agreement, for which you are currently in default?

Please refer to Article 43 of the Canada Summer Jobs Articles of Agreement before checking the applicable box.

If you answered “yes”, you must send a document stating the nature of the debt and the arrangements you have made for repayment. If you are applying using the paper application, you should attach the document to your application when submitting it. If you are applying online, you must send the document to Service Canada as soon as possible as your application will not be approved without it. Please send the document with reference to your online application confirmation number (0-00000000) to the appropriate address that can be found under the “[Apply](#)” tab on the Service Canada website.

20. Have you solicited the services of a third party or any individual within your organization that falls within the definition of lobbyists, in accordance with the *Lobbying Act*? If so, is the third party or your organization duly registered in accordance with the *Lobbying Act*?

Please refer to Article 20 of the Canada Summer Jobs Articles of Agreement before checking the applicable box.

For additional information regarding the *Lobbying Act*, consult the [Department of Justice](#) website.

21. Workers’ Compensation or Liability Insurance

The student must be covered by Workers’ Compensation or equivalent liability insurance.

If you have Workers’ Compensation coverage for the student, indicate the Workers’ Compensation account number and the rate. If you have liability insurance, indicate the name of the insurer and the policy number.

Note: If you are a not-for-profit employer and the proposed activities will take place in New Brunswick, Newfoundland and Labrador, Nova Scotia, Prince Edward Island or Quebec, this information is not required as Service Canada has a blanket agreement with a provincial commission or board in these provinces.

4.3 Part B – Job Details

In this section, you must describe, in order of priority, the jobs you are requesting and you must provide separate information for each different job title. If you intend to hire more than one student for the same job title, describe it only once.

If you are applying for more than three different job titles and you are applying using a paper application, you must copy an entire Job Details page for each additional job title and attach it to your application when submitting it. If there is not enough space to

appropriately answer a question, you may answer it on a separate sheet and attach it to your application when submitting it.

Each student hired using CSJ funding must be assigned to one of the jobs approved by Service Canada. The details of the job (e.g. job title, hourly wage and tasks and responsibilities, etc.) must be the same as the job details specified in your application. If you want to change a job detail, you must contact Service Canada to obtain approval for the changes.

22-24. Job Title

Indicate the title of each job for which you are requesting funding and indicate the hourly wage including the subsidy from ESDC and any other sources of funding being used to be paid to the student. A job is considered different when at least one of the following details varies: job title, tasks and responsibilities, hourly wage, number of weeks, number of hours per week or desired level of education of the student. Salaried jobs need to be calculated as an hourly wage rate.

As of December 2014, the adult minimum wage rates for the summer 2015 were known to be: Alberta: \$10.20, British Columbia: \$10.25, Manitoba: \$10.70, New Brunswick: \$10.00, Newfoundland and Labrador: \$10.25, Northwest Territories: \$10.00, Nova Scotia: \$10.40, Nunavut: \$11.00, Ontario: \$11.00, Prince Edward Island: \$10.35, Quebec: \$10.35, Saskatchewan: \$10.20 and Yukon \$10.72.

Tasks and Responsibilities

Indicate the tasks and responsibilities of the student. The description of the tasks and responsibilities should reflect how the job is directed at members of an Official Language Minority Community and how it supports the provision of services to the community, if applicable. It should also reflect how the job supports one or more local priorities, if applicable. The local priorities that have been established for the constituency in which the proposed activities will take place can be found on the [Service Canada](#) website.

Supervision and Mentoring Plans

Indicate the supervision plan and mentoring plan. A plan for supervision is mandatory and it must specify who will supervise the student, what the nature of the supervision will be, the frequency of contact, etc. Supervision should be done on-site, but if this is not possible, indicate what mechanisms you will put in place to supervise the student.

You must also indicate the mentoring plan, if applicable. A mentoring plan is a structured approach for helping the student develop basic skills such as problem-solving, decision-making and working with others, or specific skills associated with an occupation. The mentoring plan must describe how the student will be matched with the mentor as well as how the mentoring goals will be established and achieved. Mentoring may also include other employability skills. For additional information, consult the [Conference Board of Canada](#) website.

Note: During the assessment, points are awarded if a plan for supervision or both a supervision plan and a mentoring plan are outlined. Please refer to section 5.2 for more information.

Health and Safety Practices in the Workplace

Indicate how you will ensure that the student is aware of good health and safety practices in the workplace.

Desired Level of Education of the Student

Check the applicable box.

Will this job be a career-related work experience?

The term “career-related” means the job provides a post-secondary student with work experience related to his/her field of studies.

If the job is career-related, indicate one or more fields of academic studies from which you intend to hire a student and demonstrate how they relate to the job.

Note: During the assessment, points are awarded if the job provides a career-related work experience or an early work experience for a high school student. Please refer to section 5.2 for more information.

Will your organization make special efforts to hire a priority student?

Priority students are students with disabilities, Aboriginal students and students who are members of visible minorities.

Check the applicable box.

If your organization will make special efforts to hire a priority student, indicate your recruitment plan to hire the priority student including the sources or mechanisms for recruitment. Your recruitment plan should also detail the agencies that will be contacted who serve priority students (e.g. Aboriginal Friendship Centres, Service Canada offices and community youth centres). If you have already identified a priority student, indicate it.

You will be expected to make all reasonable recruitment efforts to hire a priority student and to document these efforts. Should your application be approved, your recruitment and hiring plans may be monitored to determine whether they reflect what you stated in your application.

If you hire a student with disabilities, you may be eligible for additional funding of up to \$3,000 per student to accommodate the student in the workplace. Only personal tools or adaptations required by the student in order to accomplish the tasks and responsibilities of this job will be considered eligible. If applicable, this can be discussed with Service Canada once your application has been approved, the student selected and the needs identified.

Note: During the assessment, points are awarded if the employer intends to hire a priority student. Please refer to section 5.2 for more information.

The tasks and responsibilities of this job support the provision of services in the local community.

Check the applicable boxes.

The description of the tasks and responsibilities of the job must clearly reflect how it supports the provision of one or more of these services.

Note: During the assessment, points are awarded if the tasks and responsibilities of the job support the provision of one or more of these services. Please refer to section 5.2 for more information.

Does this job support a local priority?

Indicate one or more local priorities supported by the job. The description of the tasks and responsibilities of the job must highlight how it supports one or more local priorities.

The local priorities that have been established for the constituency in which the proposed activities will take place can be found on the [Service Canada](#) website.

Note: During the assessment, points are awarded if the tasks and responsibilities of the job support one or more local priorities. Please refer to section 5.2 for more information.

4.4 Calculation of Employer’s Total Cost Including Contribution Requested

If you are applying for more than three different job titles and you are applying using a paper application, you must copy the Calculation of Employer’s Total Cost Including Contribution Requested page and attach it to your application when submitting it. Once you have entered all the information for all the job titles, indicate the total of the columns in the “Total” line at the bottom.

25(a). Job Title

Indicate the job title for each job for which you are requesting funding. The job titles should be listed in the same order as in the Job Details section.

25(b). Number of Students Requested

Indicate the number of students you are requesting for each job title.

25(c). Anticipated Start Date

Indicate the date that you want the student to begin employment. The earliest start date is April 20, 2015.

You cannot hire the student before receiving the approval by Service Canada and the student cannot start the employment before the start date approved by Service Canada. If a student is hired prior to the approval by Service Canada, this indicates that you would have hired the student without the CSJ contribution. This makes the costs

associated with the student ineligible for reimbursement as per Article 17(f) of the Articles of Agreement.

25(d). Number of Weeks

Indicate the number of weeks that the student will be required to work; it must be between six and sixteen consecutive weeks.

25(e). Number of Hours per Week

Indicate the number of hours per week that the student will be required to work; between 30 and 40 hours per week.

25(f). Total Number of Hours

Indicate the total number of hours for which you are requesting funding by using this formula: Number of Weeks x Hours per Week x Number of Students Requested.

25(g). Hourly Wage to be Paid to the Student

Indicate the hourly wage including the subsidy from ESDC and other sources to be paid to the student.

As of December 2014, the adult minimum wage rates for the summer 2015 were known to be: Alberta: \$10.20, British Columbia: \$10.25, Manitoba: \$10.70, New Brunswick: \$10.00, Newfoundland and Labrador: \$10.25, Northwest Territories: \$10.00, Nova Scotia: \$10.40, Nunavut: \$11.00, Ontario: \$11.00, Prince Edward Island: \$10.35, Quebec: \$10.35, Saskatchewan: \$10.20 and Yukon \$10.72.

Note: During the assessment, points are awarded if the hourly wage paid to the student is above the minimum wage. Please refer to section 5.2 for more information.

25(h). ESDC Hourly Wage Rate Contribution

Indicate the hourly wage that would be covered by ESDC.

Not-for-profit employers are eligible to receive funding for up to 100% of the provincial or territorial adult minimum hourly wage. Public and private sector employers are eligible to receive funding for up to 50% of the provincial or territorial adult minimum hourly wage. For more information, please refer to section 3.4.1.

25(i). MERCs Requested

Not-for-profit employers are eligible for reimbursement of MERCs for up to 100% of the adult minimum hourly wage in the province or territory where the activities will take place. All other employers are not eligible for funding to cover MERCs, in whole or in part. For more information, please refer to section 3.4.2.

If you are covering MERCs, indicate "0".

Note: During the assessment, points are awarded if a not-for-profit sector employer pays the MERCs. Please refer to section 5.2 for more information.

25(j). Total Contribution Requested from ESDC

Indicate the total contribution requested from ESDC by using this formula: (Total Number of Hours x ESDC Hourly Wage Rate Contribution) + MERCs Requested.

If you are applying online, this total will be calculated automatically.

25(k). Total Employer Contribution

Indicate the total amount of the contribution you will pay towards hiring a student by using this formula: (Total Number of Hours x Hourly Wage to be Paid to the Student) - Total Contribution Requested from ESDC. If you are applying online, this total will be calculated automatically.

Will you require an advance payment to pay the student should your application be approved?

If you are a not-for-profit sector employer, check the box, if applicable.

The conditions under which advances may be provided are outlined as per Article 10 of the CSJ Articles of Agreement. The maximum advance that may be obtained is 75% of the total value of the agreement.

Important: If your application is approved, you must submit the Employer and Employee Declaration form for each student before Service Canada can issue an advance payment.

26. to 31. Signature of Employer

Should your application be approved, the Application/Agreement form (paper or online) becomes the agreement with the Government of Canada. The organization will then be subject to the Canada Summer Jobs Articles of Agreement. The organization agrees under this agreement to provide the job at the hourly wage, for the number of hours per week and the number of weeks described in the Calculation of Approved Canada Summer Jobs Contribution Amount document. This document will be included in the approval package. The submission of an application does not constitute an agreement. An official agreement between the organization and the Government of Canada exists only once **an application is approved and an agreement is signed by Service Canada.**

Therefore, it is important that an authorized person signs the application or submits the online application. Please read Article 44 of the Articles of Agreement prior to signature.

By submitting your application, you declare that you have read and understood this Applicant Guide and the CSJ Articles of Agreement and declare that the job would not be created without the financial assistance provided under a potential agreement.
