## LOUISIANA'S TOP AGRICULTURAL EXPORT MARKETS

## BILATERAL TRADE SUPPORTS INCREASED SECTOR SPECIALIZATION AND EFFICIENCIES

Louisiana produces Tabasco® sauce and other hot sauces that have achieved wide popularity in Canada. These spicy sauces are used on everything from chicken wings to Caesars - the Canadian version of a Bloody Mary. In 2010, Canada imported \$5 million worth of sauces and condiments from Louisiana. While Louisiana's signature sauce is in high demand in Canada, Canadian whiskies are gaining popularity in Louisiana. Canada's rye-based whisky is required by law to be aged for three years which results in a smooth, mellow whisky that is demanded internationally. In 2010, Louisiana imported \$8 million of some of Canada's finest whiskies.
