1. Introduction

The [Access to Information Act](#) provides members of the public and corporations with the legislated right, subject to certain limited and specific exceptions, to access federal government records. The Act complements other methods for obtaining government information, and does not limit in any way the access to government information that is normally available to the public upon request.

This annual report on the administration of the *Access to Information Act* (ATIA) describes how Veterans Affairs Canada (VAC) and the Office of the Veterans Ombudsman (OVO) fulfilled their responsibilities under the *Access to Information Act* during the fiscal year beginning April 1, 2013, and ending March 31, 2014.

2. Preparation and Tabling of the Annual Report

In accordance with section 72 of the *Access to Information Act*, the Minister of Veterans Affairs, as head of the institution, is required to prepare an annual report on the administration of the Act, and this report is to be tabled in Parliament.

3. Mandate of Veterans Affairs Canada

Canada's development as an independent country with a unique identity stems partly from its proud military achievements. Veterans Affairs Canada exists to help those whose courageous efforts gave us this legacy and contributed to Canada's growth as a nation.

VAC's mandate is set out in the [Department of Veterans Affairs Act](#). It charges the Minister of Veterans Affairs with responsibility for "the care, treatment or re-establishment in civil life of any person who served in the Canadian Forces or Merchant Navy or in the naval, army, air forces or merchant navies of Her Majesty, of any person who has otherwise engaged in pursuits relating to war, and of any other person designated . . . and the care of the dependants or survivors of any person referred to." Veterans Affairs Canada is also responsible for keeping alive the achievements and sacrifices of those who served Canada in times of war, military conflict and peace.

Responsibilities

VAC achieves its mandate by providing services and benefits that respond to the needs of Veterans, other individuals and their families. The Department has three main roles:

- **Provider** of disability compensation and financial support: Veterans Affairs Canada administers programs which recognize and compensate for the disabling effects of service-related disabilities. The Department also provides financial support and assistance when career-ending or service-related disabilities affect one's ability to earn an income.

- **Funder** for health care and re-establishment services: The Department works with multiple levels of government to ensure access to health programs that enhance the well-being of Veterans and other eligible individuals and promote independence. The Department also provides financial support to Veterans and their families to ease their transition to civilian life.
- **Catalyst** for national and international remembrance: The Department keeps alive the achievements and sacrifices of those who served Canada in times of war, military conflict and peace, and promotes the importance of these efforts for Canadian life as it is today. Veterans Affairs Canada fosters remembrance of the contributions made by Canada's war dead and Veterans, and maintains and operates 14 memorial sites in Europe.

4. Mandate of the Office of the Veterans Ombudsman

The Office of the Veterans Ombudsman helps Veterans, men and women in uniform of the Canadian Armed Forces (CAF), members and former members of the Royal Canadian Mounted Police (RCMP), as well as families and other individuals, address concerns related to VAC and the [Veterans Bill of Rights](#). As an impartial and independent officer, the Veterans Ombudsman reports directly to the Minister of Veterans Affairs and works to ensure that Veterans, their representatives and their families are treated fairly.

The mandate of the Ombudsman, found in the [Order-in-Council P.C. 2007-530](#), is to

- Review and address complaints by Veterans and other individuals served (by VAC) and their representatives arising from the application of the provisions of the *Veterans Bill of Rights*;
- Identify and review emerging and systemic issues related to programs and services provided or administered by the Department or by third parties on the Department's behalf that impact negatively on Veterans and other individuals served (by VAC);
- Review and address complaints by Veterans and other individuals served (by VAC) and their representatives related to programs and services provided or administered by the Department or by third parties on the Department's behalf, including individual decisions related to the programs and services for which there is no right of appeal to the Veterans Review and Appeal Board;
- Review systemic issues related to the Veterans Review and Appeal Board; and
- Facilitate access by stakeholders to programs and services by providing them with information and referrals.

5. Organization

I Veterans Affairs Canada's Access to Information and Privacy Office

The VAC Access to Information and Privacy (ATIP) Coordinator acts on behalf of the Minister of Veterans Affairs and the Deputy Minister to ensure that the Department's responsibilities under the *Access to Information Act* and the *Privacy Act* are met. The ATIP Coordinator reports directly to the Assistant Deputy Minister, Human Resources and Corporate Services Branch.

The main activities of VAC's ATIP Office consist of the following:

- Processing requests for information submitted under the *Access to Information Act* and the *Privacy Act*;
- Developing policies, procedures and guidelines in support of Access to Information and Privacy legislation and central agency requirements;
- Promoting awareness of both acts to ensure employees understand their roles and responsibilities;
- Monitoring compliance with both acts and central agency requirements;
- Preparing annual reports to Parliament;
- Coordinating and providing direction to program managers regarding the completion of Privacy Impact Assessments (PIAs);
- Coordinating the resolution of any complaints against VAC which have been submitted to the Information Commissioner under the *Access to Information Act* and to the Privacy Commissioner under the *Privacy Act*;
- Providing centralized management of privacy breaches;
- Providing VAC staff with advice and guidance on ATIP issues;
- Providing support and recommendations to the Department's Chief Privacy Officer and the Departmental Information Management, Privacy and Access Committee (DIMPAC); and
- Supporting VAC in meeting its commitments to openness and transparency through proactive disclosure of information and the release of information via informal avenues.

Processing of access to information and privacy requests is centralized within the ATIP Office in Charlottetown, Prince Edward Island. The ATIP Office has two units: an Operations team and a Policy and Governance team. In 2013–2014, the VAC ATIP Coordinator's Office employed a total of 33.44 full-time equivalents (FTEs).

The ATIP Coordinator's Office supports and maintains a network of 23 ATIP Liaison Officers (22 Liaison Officers in the Charlottetown Head Office and one representing the Regions). The Liaison Officers are responsible for retrieving information from their areas when a request is received, and identifying information which may qualify for an exemption under the acts.

II Office of the Veterans Ombudsman Access to Information and Privacy Unit

The Veterans Ombudsman; the Executive Director, Operations and Deputy Ombudsman (formerly noted as Director General); the Legal Advisor; and the Director, Corporate Services and Charlottetown Operations have full authority to exercise the powers, duties, and functions of the Minister as the Head of Veterans Affairs under the provisions of the Act and related regulations for the OVO (see Annex 1). Although these four positions have been delegated full authority, the Veterans Ombudsman has been identified as the senior-most official within the OVO responsible for Access to Information and Privacy. The Director, Corporate Services and Charlottetown Operations is responsible for operational management of the Access to Information and Privacy functions within the OVO.

The OVO's Access to Information and Privacy Unit in Charlottetown, Prince Edward Island ensures that the Office's responsibilities under both acts are met. Processing of requests is centralized within the unit. The unit consists of the Director, Corporate Services and Charlottetown Operations, the ATIP Coordinator and a Liaison Officer. These three full-time staff members were assigned to the administration of both acts on a part-time basis during the 2013–2014 reporting period, which represents 0.12 FTEs. A Legal Advisor is responsible for the final review and release of information to the requester.

The main activities of the OVO ATIP unit include the following:

- Timely completion of requests for information under the *Access to Information Act* and the *Privacy Act* in compliance with ATIP legislation, regulations and Treasury Board Secretariat policy instruments;
- Developing OVO policies, procedures, guidelines and processes in support of Access to Information and Privacy legislation and central agency requirements;
- Promoting awareness of both acts within the OVO to ensure that employees understand their roles and responsibilities;
- Monitoring OVO compliance with both acts and central agency requirements;
- Preparing and providing information specific to the OVO to VAC for inclusion in Annual Reports to Parliament and other statutory reports, as well as other material that may be required by central agencies;
- Completing and coordinating the completion of Privacy Impact Assessments for the OVO;
- Coordinating the resolution of any complaints against the OVO made to the Information Commissioner under the *Access to Information Act* and to the Privacy Commissioner under the *Privacy Act*;
- Supporting the OVO in meeting its commitments to openness and transparency through proactive disclosure of information and the release of information via informal avenues;
- Supporting Veterans Affairs Canada in its role in providing centralized management of privacy breaches with respect to any privacy breaches within the OVO.

6. Delegation Order

The responsibilities associated with the administration of the *Access to Information Act* are delegated to departmental officials and OVO officials through a delegation order signed by the Minister of Veterans Affairs (attached as Annex 1).

7. Interpretation of the Statistical Report on the *Access to Information Act*

The following summary provides an interpretation of statistical data on the administration of the *Access to Information Act* at VAC and the OVO between April 1, 2013, and March 31, 2014. A more detailed breakdown of processing statistics can be found in Annex 2 (VAC and OVO statistical report) and for separate interpretation specific to the OVO, Annex 3 (OVO statistical report).

Formal requests under the *Access to Information Act*

Between April 1, 2013, and March 31, 2014, the Department received 100 formal requests (99 by VAC and one by the OVO) for information under the *Access to Information Act*. This represents a 26% decrease in requests received from the 2012–2013 fiscal year.

On April 1, 2013, 108 open requests were carried forward from the previous fiscal year. Combined with the 100 requests received in 2013–2014, a total of 208 requests required action during the 2013–2014 fiscal year.

The Department completed 142 requests during the reporting period (141 by VAC and one by the OVO). At the end of the 2013–2014 fiscal year, 66 outstanding formal requests were carried forward to the 2014–2015 fiscal year.

I Source of Requests Received

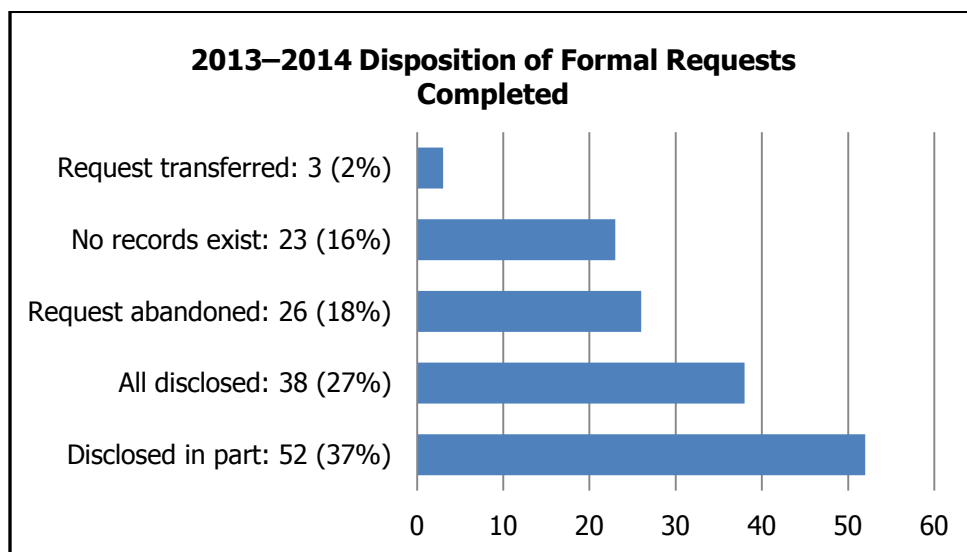

Included in the chart above are 99 requests received by VAC and one formal ATI request from a member of the public that OVO received during the 2013–2014 reporting period.

II Disposition of Requests Completed

In total, 142 requests were completed during the 2013–2014 fiscal year compared with 116 requests completed in the 2012–2013 reporting period (a 22% increase). The Department processed 38,557 pages (including 95 pages processed by the OVO) and disclosed 32,139 (including 93 pages disclosed by the OVO) in 2013–2014. In comparison, the Department processed 23,328 pages and disclosed 16,696 pages in 2012–2013. This represents a 92% increase in pages released for formal ATI requests compared with the previous year.

The following table provides further details on the 142 requests completed in 2013–2014:

Included in the table above is one formal request which was completed with all pages disclosed by the OVO during the 2013–2014 reporting period.

III Exemptions Cited

Although Canadians have a right of access to information, the ATIA identifies specific exemptions for which the need to withhold certain information is recognized.

VAC invoked 100 exemptions under sections 14, 16, 18, 19, 20, 21, 23 and 24 of the ATIA. This is a 79% increase (44 exemptions) over the number of exemptions applied in the 2012–2013 fiscal year. The most frequently invoked exemption was subsection 19(1), which is used to exempt personal information such as Veteran’s sensitive medical information. For statistical purposes, an exemption is counted only once when it is applied to a file multiple times.

The following table identifies the number of requests to which specific types of exemptions were applied:

Exemptions cited	2011–2012	2012–2013	2013–2014

IV Exclusions Cited

Pursuant to sections 68 and 69, the *Access to Information Act* does not apply to published material, material available for purchase by the public, material placed in the Library and Archives of Canada or confidences of the Queen’s Privy Council for Canada. During this reporting period, VAC invoked section 68 once and section 69 was invoked on 15 occasions.

The following table identifies the number of requests to which specific types of exclusions were applied:

Exclusions cited	2011–2012	2012–2013	2013–2014
68(a) – Published material or material available for purchase by the public	3	1	1

69 (1)(g) re (e) – Cabinet confidences	4	1	1
Total	20	8	16

The OVO did not invoke any exclusions during the 2013–2014 reporting period.

V Completion Time

During the 2013-2014 reporting period, 59 formal requests were completed in 30 days or less. As illustrated in the chart below, the Department also closed 83 cases over the year which required additional time and effort to complete. By increasing resources in the Access to Information and Privacy Office, the Department's backlog of requests was reduced by over 50%.

VI Extensions

Section 9 of the *Access to Information Act* provides for the extension of the statutory time limits if consultations are necessary, or the request is for a large number of records and meeting the original time limit would unreasonably interfere with the Department's operations.

During the reporting period, a total of 43 requests were extended. Of these, 23 were extended for 30 days or less, and 20 requests required an extension of 31 days or more.

The OVO did not request any extensions during the 2013–2014 reporting period.

VII Translation

There were no requests requiring translation during the 2013–2014 reporting period. In comparison, there were only three access requests requiring translation during the 2012–2013 reporting period.

VIII Format of Information Released

Individuals may obtain the information they have requested in three ways: by receiving copies of the material, by examining the information during an arranged time or by examining and receiving copies of the information. In the 90 cases in which material was released, the requester received copies of the package. No requesters asked to view the material on-site.

IX Fees

In accordance with section 11 of the *Access to Information Act*, the Department collected \$601.00 in ATI fees during the reporting period, \$5.00 of which was collected by the OVO. Of the total, VAC collected \$435.00 for the application fee required under the Act. The remaining \$166.00 was collected to cover search fees. During the same period, the Department waived fees totaling \$15.00.

X Costs

The VAC and OVO ATIP offices spent a combined total of \$726,219.00 to administer the *Access to Information Act* during the reporting period. Staff salaries accounted for \$686,986, professional services contracts amounted to \$9,725, and other administrative costs (representing operations and maintenance expenditures) amounted to \$29,508.

The increased cost during the fiscal year can be linked to the investment VAC made to address the backlog of requests. As a result of this investment, the VAC ATIP office processed 65% more pages this year as compared with the previous fiscal year.

Please note that the costs identified in the table pertain only to costs directly related to the ATIP Offices. They do not include time spent compiling and reviewing records for access requests in the various program areas within the Department.

XI Publication of Summaries of Completed Requests

Since September 2011, VAC has been posting (on the departmental website) summaries of completed Access to Information requests in accordance with Annex E of the Treasury Board Secretariat Directive on the Administration of the ATIA: Criteria for posting summaries of completed access to information requests.

The list of summaries contains applicable completed requests since September 2011 for which documents have been retrieved or treated, or where no documents exist. The list is provided in chronological order and by request number.

VAC: www.veterans.gc.ca/eng/department/organization/atip

Since May 2012, the OVO has also been posting (on its website) summaries of completed Access to Information requests.

OVO: <http://www.ombudsman-veterans.gc.ca/eng/transparency/atip/reports>

8. Other ATIP Functions

I Veterans Affairs Canada

The VAC ATIP Office provides other services in addition to handling formal requests submitted under the *Access to Information Act*. One such service is responding to informal requests; that is, requests which do not invoke the right of access provided by the *Access to Information Act*. VAC's ATIP Office completed 107 informal ATI requests in the 2013–2014 fiscal year, which resulted in disclosing over 15,000 pages to requesters.

In addition to processing *Access to Information Act* and *Privacy Act* requests, the ATIP Office also handled a variety of requests from within the Department, including the following:

- Analysis and response to policy questions;
- Review of new forms for the collection of personal information;
- Development of appropriate Privacy Notice Statements for new forms;
- Evaluation of contracts and Memoranda of Understanding and
- Provision of support in preventing, addressing and containing potential privacy breaches.

II Office of the Veterans Ombudsman

No informal requests were processed by the Office of the Veterans Ombudsman during the 2013–2014 reporting period.

In addition to processing *Access to Information Act* and *Privacy Act* requests, the OVO-ATIP Unit also handled a variety of consultation requests from the Department. The OVO-ATIP Unit developed a new Privacy Protection Procedures Manual as well as evaluated contracts and Memoranda of Understanding; and provided support in preventing, addressing and containing potential privacy breaches.

9. Consultations

During the 2013–2014 fiscal year, VAC received 34 requests for consultations from other government institutions or other organizations involving VAC records or issues, in addition to one request carried over from the previous period. Of the 35 consultations requiring action in 2013–2014, all 35 were completed.

One in five (20) cases completed during the 2013–2014 reporting period required that VAC consult with another government institution.

During the 2013–2014 reporting period, the OVO neither received nor sought any consultation requests from other government departments.

10. Training and Awareness

During this fiscal year, departmental staff received ATIP-related training through a variety of mediums. Over the course of the year, privacy training was delivered to 898 participants.

Integrated Security / ATIP Training

VAC's mandatory Security Orientation Training, offered to all employees upon entering the organization and then at periodic intervals, highlights

- the Need-to-Know principle;
- the concept of privacy breaches;
- the rules regarding accessing information;
- disciplinary actions resulting from accessing personal information without authorization; and
- a general overview of ATIP legislation and fundamentals.

During the reporting period, a total of 804 participants attended 150 training sessions. At Head Office, 582 employees attended 89 sessions; and, in the Area Offices, 222 employees attended 61 sessions.

Privacy Fundamentals Training

Privacy Fundamentals is a self-directed learning program that provides participants with an overview of the fundamental concepts of privacy and personal information management.

Privacy Fundamentals is available to all employees at their desktop computer. In total, 45 participants (of which 25 were OVO staff) confirmed completion of the Privacy Fundamentals Training during the fiscal year.

Manager and Supervisor Orientation Program (MSOP)

The VAC ATIP Office delivered an hour-long session on ATIP principles and best practices during three MSOP courses, with a total of 39 participants.

Audit and Evaluation Management Team

The VAC ATIP Coordinator provided an ATIP training session to 10 participants of the Audit and Evaluation Management Team.

Privacy Corner – Wiki

The Privacy Corner Wiki contains resources available to provide guidance on the interpretation and requirements of the *Access to Information Act* and *Privacy Act*, and acts as a single access point for information and tools with respect to personal information and privacy. The Privacy Corner can be accessed through the departmental intranet site, which is available to all employees. The VAC ATIP Office provides new and updated materials to all VAC staff on a regular basis through the Wiki.

Data Privacy Day

On January 28, 2014, VAC's ATIP Office promoted Data Privacy. ATIP Liaison Officers played an important role in promoting Data Privacy Day by displaying posters within their respective locations, and an article was published on the Privacy Corner Wiki for all departmental staff.

11. Policies, Guidelines and Procedures

Current Access to Information policies, guidelines and procedures were maintained and monitored during the 2013–2014 fiscal year for both VAC and the OVO. No new Access to Information policies, guidelines or procedures were implemented during the 2013–2014 fiscal year.

12. Complaints and Investigations

In 2013–2014, the Information Commissioner received six VAC-related complaints; combined with the nine complaints that were carried over from 2012–2013, VAC had a total of 15 complaints to respond to in the fiscal year. New complaints received have decreased by 57% since the last reporting period.

Of the six complaints received,

- three were related to denial of access;
- one was related to a delay;
- one was related to an extension; and
- one was related to a refusal to provide information under s. 69 of the ATIA.

Nine complaints received a ruling during the reporting period and six have been carried over to 2014–2015. Of the complaints that received a ruling,

- eight were deemed well-founded; and
- one was deemed not well-founded.

No complaints against the OVO were received by the Information Commissioner during the 2013–2014 reporting period.

13. Appeals to the Courts

There were no appeals to the courts during this reporting period.

14. Monitoring – Access to Information Requests

I Veterans Affairs Canada

Using reports produced by a case management software tool, the status of requests is reviewed by ATIP Team Leads and Managers on a weekly basis to monitor upcoming deadlines. In addition, monthly statistical reports indicating incoming and outgoing ATI requests, as well as the number of requests overdue, are prepared for the ATIP Coordinator.

II Office of the Veterans Ombudsman

The Office of the Veterans Ombudsman uses a tracking spreadsheet to monitor processing times for access to information requests. This tracking spreadsheet is maintained by the ATIP Coordinator and the ATIP Liaison Officer.
