These statistics, except for government enterprises and the Federal District Commission, are prepared from information supplied through the offices of the Treasury Board. Data for government enterprises and the Federal District Commission are based on returns made by these agencies to the Employment Statistics Section of the Bureau. For further information relating to these statistics, reference should be made to the "Explanatory Memorandum", which is published separately.

## Table 2 - Federal Government Enterprises - Employment

#### October, 1954

The employment reported below is the total for all of the economic or propprietary undertakings of the Federal Government. Accordingly, this employment should not be construed as being part of the administrative services of government the data for which are presented in the other tables.

Figures are the aggregate of the numbers employed and the salaries and wages paid for the month indicated for the government enterprises as listed below.

|             | (Numbers)            |            |
