

How to Properly Pack Your Bags

What can I bring in my carry-on bag?

Small electronics
Smartphone, tablet, e-reader and camera.

Laptop computer
Unpack it and place in the bin at the checkpoint.

Metal items
Put coins, keys, watches and large jewellery in your carry-on **to avoid setting off walk-through metal detector alarm.**

Personal items
Disposable razors, tweezers, nail clippers, knitting needles are all permitted in your carry-on.

Pocket knives and similar sharp items must go in checked baggage or be left at home.

The
100 ml
Rule

Liquids, aerosols and gels
such as personal toiletries and some food items can go in carry-on if:

- Containers are 100 ml or less
- All fit in one 1 L clear, resealable plastic bag

Be ready to place your single 1 L bag in the bin for inspection.

Certain items are exempt from the 100 ml limit.

Exceptions
to the
100 ml
Rule

Baby Food/Drink

Breast Milk

Liquids for Diabetics

Medication

Gel and Ice Packs

Bottled water, coffee and other beverages **are not permitted** through security. Instead, plan to:

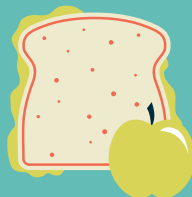

- Bring an empty reusable container
- Get a beverage once past security

You can have more than 100 ml of these items but be ready to show them to the screening officer for inspection.

Permitted Food

Solid food items such as sandwiches, fruit and granola bars are permitted in carry-on when travelling within Canada.

Unpermitted Food

All non-solid foods including jellied, mashed and puréed foods or those mixed in a sauce must go in checked baggage. Examples include: jams, honey, peanut butter, smoothies and stews.
