Canadian Pork Promotion and Research Agency

The FPCC held two sittings to examine the merits of establishing a *Canadian Pork Promotion and Research Agency*. The first public hearing in Calgary was held on January 19, 2016, and the second on February 16, 2016, in Montreal.

All material submitted and presented will be reviewed and thoroughly evaluated and analyzed by the Panel. The information provided during the sittings have been posted on our Website.

For more details on the public hearing process and to access the most current information on this file please visit our Website.

Industry Data Section

In order to complete the set of available information, we are working on adding data from 2012 and updating the latest industry statistics for 2015 to the **Industry Statistical Data** section on our Website.

The page presents figures obtained from both government and industry sources. The statistics and information provided in the tables relate to the regulated egg and poultry sectors.

FPCC Business

Council members met on February 3 to 5, 2016, in Ottawa. To view the decisions related to the regulatory amendments submitted to the Council members for consideration, please follow the link below to **Council Decisions** internet page.

During this meeting, members also met with executive members and staff of the Canadian Poultry and Egg Processors Council and the Further Poultry Processors Association of Canada.

At these sessions, the organizations shared their accomplishments, and discussed with Council members some critical issues and challenges for 2016.
