

Quebec Economic Development Program (QEDP)

Market or export

This program helps support entrepreneurship, business performance, regional mobilization and investment in the regions while providing support for economic activity in Quebec communities on an ad hoc basis to stabilize or strengthen their economies.

Eligibility

Eligible clients

- Businesses (SMEs and organizations operating facilities or engaged in commercial activities)
- Non-profit organizations
- Organizations dedicated to commercialization and exports
- Business associations

Non-eligible clients

- Retail businesses

Types of activities

- Development of distribution network
- Purchase of equipment, computer tools and technology
- Prototyping, proof of concept, demonstration technology showcases
- Implementation of a commercialization strategy
- Patent or license purchase
- Certification activities
- Information services
- Management capacity building
- Recruitment of specialized resources
- Associations, alliances and partnerships
- Knowledge transfer
- Strategy development
- Development of business leads and searching for funding
- Networking
- Guidance and support services

These activities are at the heart of the Agency's intervention priorities for your region.

Project examples

- Support for the strategy to market a festival outside Quebec and internationally.
- Assistance to a firm operating in the aerospace sector with international marketing of an innovative solution resulting from R&D, combining both robotics and artificial 3D vision, to facilitate the inspection of machined parts conformity.

Financial assistance

Eligible costs

All costs directly related to the project, deemed reasonable and essential to its completion. Restrictions may apply in certain cases.

Non-eligible costs

- refinancing of an existing debt
- depreciation costs
- goodwill costs

Rate of assistance

- Generally up to 50% of authorized costs for SMEs and 90% of authorized costs for NPOs

Types of assistance

- Repayable contribution
- Non-repayable contribution

Main analysis criteria

Projects are reviewed based on specific criteria, i.e.:

- anticipated results of your project
- viability of your business or organization
- your technical and financial management capacity
- partner contributions in financial resources or professional services
- level of risk
- availability of Agency funding

To learn more about the criteria used in analyzing applications for financial assistance, see the project submission guide on our Web site: www.dec-ced.gc.ca

Other financing possibilities

For your business

- create or start a business
- plan a business succession
- improve a business's productivity
- innovate, adopt a technology, or ensure technology transfer
- structure a network

For your region

- prepare a development strategy
- equip your region with a community economic facility
- promote your region
