****ARTICLE 18**

SABBATICAL LEAVE

18.01 UT's shall be eligible for sabbatical leave in accordance with the terms and conditions outlined herein.

18.02 Sabbatical leave is an authorized period of leave without pay with an allowance in lieu of salary, that may be granted to UTs in accordance with the conditions, requirements and provisions detailed herein.

18.03 Purpose and Principles

Sabbatical leave, a feature of employment for UTs, is a period of leave for a specified duration of either six or twelve months during which time eligible employees shall be relieved of their normal teaching and administrative obligations as a means of providing them with an opportunity to pursue research or other scholarly activities.

18.04 Eligibility Criteria

- (a) To be eligible for sabbatical leave, a UT must be employed on a full-time indeterminate basis.
- (b) A UT applying for a six-month sabbatical leave period must have completed three years of service as a UT. A UT applying for a twelve-month sabbatical leave period must have completed six years of service as a UT. An applicant may be given credit for up to three years service at another university upon recommendation of the principal. However, no UT may be granted sabbatical leave before having served three years of continuous service as a full-time UT.
- (c) Applications for subsequent periods of sabbatical leave will normally require completion of six years intervening service before being granted a twelve-month sabbatical or three years before being granted a six-month sabbatical.

18.05 Selection Criteria

- (a) Applications that meet the essential eligibility criteria requirements as noted above, and are submitted in accordance with the requirements outlined in this agreement, will be considered for approval by a screening committee designated by the Faculty Review Committee (FRC).
- (b) The following criteria will be used in the screening and prioritization process:
 - (i) the relevance of the proposed professional development activity to the needs of the department;
 - (ii) the projected benefits to the professional development of the UT;
 - (iii) the merit of the sabbatical proposal in terms of its scope, planning, resource implication and potential for success within the sabbatical period;
 - (iv) evidence of benefits derived from the applicant's previous sabbatical leave (if applicable);
 - (v) the applicant's performance assessments and evidence of scholarly potential/achievement during the period of qualifying service; and

- (vi) the operational and human resources management priorities of the College.

18.06 Duration

Sabbatical leave for periods of up to twelve months in duration will be considered for UT applicants meeting the eligibility requirements for initial or subsequent sabbatical leave. Sabbatical leave periods will be of six months duration (normally 01 July - 31 December or 01 January - 30 June), or twelve months duration (normally 01 July - 30 June).

18.07 Entitlement to Sabbatical Leave

Sabbatical leave may be granted at the discretion of the employer. Sabbatical leave shall not be unreasonably denied. In the case where an application is denied, if requested by the applicant, the employer will provide written reasons for the denial.

18.08 Employment Commitment

- (a) A UT who is granted sabbatical leave is expected to return to service as a UT.
- (b) As a condition of being granted sabbatical leave, UTs will be required to sign a written commitment, the Return to Service Agreement for Sabbatical Leave, to return to the department for a period of employment equal to their period of sabbatical leave. A UT who does not honour this commitment will be required to repay the monies paid to him or her during the sabbatical leave or a portion thereof based on the number of months worked by the UT after returning from sabbatical leave.

18.09 Allowance in Lieu of Salary

- (a) Sabbaticants at the UT-2 or UT-3 level, who are granted a first sabbatical leave within ten (10) years of joining the College, will be on leave without pay and may be granted an allowance in lieu of salary equal to 100% of their annual rate of pay in effect at the commencement of the leave, except as provided for in (e) of this clause.
- (b) Other sabbaticants will be on leave without pay and may be granted an allowance in lieu of salary equal to 82.5% of their annual rate of pay in effect at the commencement of the leave, except as provided for in (e) of this clause.

- (c) A sabbaticant's allowance in lieu of salary will be automatically adjusted, as applicable, to reflect any economic revision to the University Teaching Group.
- (d) Pay increments and promotion increases based on performance prior to the commencement of the sabbatical leave will be implemented on the normal increment date, and the sabbaticant's allowance will be adjusted accordingly.
- (e) During periods of sabbatical leave, UTs are not entitled to administrative allowances received for extra duties performed during regular employment at one of the colleges. Such allowances may be reinstated effective the date of return from the sabbatical leave on the authority of the principal.

18.10 Employment During Sabbatical

- (a) Sabbaticants granted a leave of absence from regular duties to pursue the stated purpose of their research or study, and granted an allowance in lieu of salary to assist them in this endeavour, may not accept remuneration associated with their sabbatical leave project or assignment that in combination with their allowance would provide them with remuneration in excess of 100 per cent of their normal annual salary from the department.
- (b) Sabbaticants may not accept other professional commitments that might impede completion of the primary goals stipulated in their approved sabbatical leave plan.
- (c) If remunerated employment, or other significant activities not related to the primary purpose of the sabbatical leave, are expected to be an integral part of a sabbaticant's perceived use of sabbatical leave, such intentions are to be clearly identified and fully substantiated in the sabbatical leave application and will be considered during the review/approval process.
- (d) In the event that a sabbaticant's total remuneration related to the leave project is determined to exceed 100 per cent of normal salary, the department will reduce the allowance in lieu of salary as appropriate and may request repayment of all or a portion of the allowance if subsequent evidence indicates that the sabbaticant has not complied with the intent of the restriction pertaining to external remuneration.

18.11 Financial Assistance

- (a) Financial assistance in the form of grants, awards, scholarships, to support their sabbatical research will not be taken into consideration in determining the departmental allowance in lieu of salary to be granted to a sabbaticant provided that such assistance does not constitute personal remuneration.
- (b) Sabbaticants are required to identify and report on the sources and the allocation of the funding for all financial assistance received in support of their sabbatical research.

18.12 Employee Benefits While on Sabbatical Leave

While on sabbatical leave, UTs do not accrue sick or annual leave.

18.13 Application and Approval Process

- (a) The employer may defer a requested sabbatical leave in the event that the UT's services are required for the period of time planned for the leave. Such deferral shall be counted towards an application for a subsequent leave.
- (b) Where an application meets the criteria for approval but the leave is denied due to financial constraints, the application will be given first priority the following year.
- (c) A UT may cancel application for sabbatical leave by notifying the principal in writing at least four months prior to commencement of the leave, or later, at the discretion of the principal.

ARTICLE 5 ACADEMIC FREEDOM AND ACADEMIC RESPONSIBILITY

General Definition

5.01 UTs have a right to academic freedom. Academic freedom does not confer legal immunity, nor does it diminish the responsibility of UTs to fulfil their academic obligations. It is defined as the freedom, individually or collectively, to pursue, to develop and to transmit knowledge through research, study, discussion, documentation, production, creation, teaching, lecturing and writing, regardless of prescribed or official doctrine and without constriction by institutional censorship. It includes:

The Freedom to Teach, and Its Responsibilities

5.02 UTs teaching courses have the right to the free expression of their views on the subject area, and may use and refer to materials and their treatment thereof without reference or adherence to prescribed doctrine.

In such circumstances, the UT is expected to cover topics according to the Calendar description, to remain up to date in the knowledge of the discipline, treat students fairly and ethically, and teach effectively, which includes using fair, reasoned and fact-based arguments and showing a willingness to accommodate the expression of differing points of view.

The Freedom to Research, and Its Responsibilities

5.03 UTs have the freedom to carry out scholarly research within areas of their expertise without reference or adherence to prescribed doctrine. This should not be interpreted to preclude or inhibit the ability of UTs to develop new areas of expertise.

UTs are expected to meet established ethical guidelines for work with animal or human subjects, to deal fairly with colleagues and students, to carry out their research in the spirit of an honest search for knowledge, and to base findings upon a critical appraisal of available evidence and a reasoned analysis of its interpretation.

The Freedom to Publish, and Its Responsibilities

5.04 UTs have the right to publish the results of their research, without interference or censorship by the institution, its agents, or others. This should not be interpreted as prohibiting the UT from accepting restrictions upon publication as a condition of receiving support for the UT's research from a sponsor.

Researchers have a responsibility to report findings honestly and accurately, and to recognise appropriately the contributions of others to the work they report.

Freedom of Expression, and Its Responsibilities

5.05 UTs have the right to freedom of expression.

UTs who are commenting in their areas of disciplinary expertise are bound by the same obligation to honest and accurate scholarship which attends the right to publish research.

In the exercise of this right, UTs shall not create ambiguities as to whether they are speaking in a professional capacity or as private citizens, nor shall they purport to speak on behalf of the College unless so authorized.

Academic Freedom and the Specific Mission of the CMC

5.06 The special mission of the College does not diminish the academic freedom of the UT. Nonetheless, the special mission of the College makes its vulnerable to harm from misunderstandings which may arise from public discussion or publication in areas which speak directly to that special mission. This places on the UT embarking upon such public discussion or publication a somewhat greater responsibility for clarity than might attend similar actions in areas not closely associated with the mission.

The College will be better placed to correct any public misunderstandings and to assure the academic freedom of the UT, if both the College and the UT are in a position to anticipate the impact of the UT's discourse. To this end, UTs are encouraged to advise the Principal in advance of any anticipated public discussion or publication which, in the opinion of the UT, relates closely to the special mission of the College.

ARTICLE 6

MANAGEMENT RIGHTS

6.01 All the functions, rights, powers and authority which the Employer has not specifically abridged, delegated or modified by this Agreement are recognised by the Association as being retained by the Employer.

ARTICLE 7

OTHER RIGHTS, RESPONSIBILITIES AND PRIVILEGES

7.01 Nothing in this Agreement shall be construed to alter any rights, privileges, and responsibilities of UTs, individually or collectively, to participate in the decision-making of the CMC and its component parts where such rights, privileges and responsibilities are not inconsistent with the express terms of this Agreement.

7.02 Nothing in this Agreement shall be construed to alter any rights of individual UTs where such rights are not inconsistent with the express terms of this Agreement.

ARTICLE 8 PAST PRACTICES

8.01 Where this Agreement is silent on working conditions, the conditions existing immediately prior to the date of this Agreement shall continue to apply provided that:

- (a) they are not inconsistent with the Agreement;
- (b) they are reasonable, certain and known;
- (c) they may be included in this Agreement in accordance with the *Public Service Staff Relations Act*;

and

- (d) they are carried out in a fair and equitable manner.

8.02 The onus of establishing an existing practice within the meaning of 8.01 shall rest on the party who alleges the existence of same.

ARTICLE 9 NO DISCRIMINATION

9.01 There shall be no discrimination, interference, restriction, coercion, harassment, intimidation or any disciplinary action exercised or practised with respect to a UT by reason of age, race, creed, colour, national origin, religious affiliation, sex, sexual orientation, family status, mental or physical disability, membership or activity in the Association.

**ARTICLE 10
HARASSMENT**

10.01 The Parties recognise the right of UTs to work in an environment free from harassment and agree that harassment will not be tolerated in the work place. Harassment shall be defined in Appendix “A” of Treasury Board’s “Harassment in the Work Place Policy”, as amended from time to time.

10.02 Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.

10.03 If by reason of 10.02 a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.

**ARTICLE 11
OUTSIDE EMPLOYMENT**

11.01 Unless otherwise specified by the Employer as representing a conflict of interest, UTs shall not be restricted from engaging in other employment outside the hours they are required to work for the Employer.

PART 2 - WORK AND LEAVE PROVISIONS

ARTICLE 12
HOURS OF WORK

12.01 The standard hours of work are normally seven and one-half (7 1/2) hours per day; thirty-seven and one-half (37 1/2) hours per week. Notwithstanding this, the nature of the work and the exigencies of the service require flexibility in arrival and departure times and hours of work. A UT shall not be entitled to payment for overtime (including work on a day of rest or on a holiday) or other conditions relating to hours of work, such as call-back, standby, travel on a day of rest and travel on a holiday.

ARTICLE 13
DISTRIBUTION OF TEACHING WORKLOAD

13.01 The teaching workload of a UT shall be consistent with the normal average teaching workload of UTs in his/her academic department or equivalent unit. Teaching duties materially in excess of the appropriate teaching workload shall be considered overload.

13.02 Assignments of teaching to a particular UT shall be consistent with his/her qualifications.

13.03 The appropriate Head of department, as the delegate of the Employer, will normally assign teaching workloads. A UT shall be consulted concerning such assignment prior to its making.

13.04 A UT will be advised of his/her teaching assignment for each academic term at least two (2) months before the commencement of classes in that term, unless it is not possible to do so as a result of circumstances that were not foreseen. Barring such circumstances, courses assigned after that time shall be considered overload.

13.05 Where in a given academic year a UT is assigned overload teaching duties, his/her teaching workload shall be reduced in one of the two (2) following years by an amount equivalent to that overload.

13.06 Teaching duties include, but are not limited to, conducting scheduled classes, seminars, tutorials and laboratories, and supervising theses and special projects.

13.07 Factors to be used in determining appropriate teaching workload include, but are not limited to, the following:

- (a) the number of courses taught by each UT;
 - (b) the number of scheduled contact periods per course;
 - (c) the number of hours of preparation, grading, and administration per course;
 - (d) the number of students enrolled, on average, per course;
 - (e) the number of hours devoted to counselling students;
 - (f) the level (introductory, upper year, graduate, etc.) of each course;
 - (g) the type (lecture, seminar, etc.) of each course;
 - (h) assistance of graduate students or colleagues in the teaching of the UT's courses;
 - (i) additional hours of preparation required for a new course or revision of an existing course;
- and
- (j) the teaching of courses in both official languages.

13.08 Notwithstanding 13.01, the teaching workload of a UT may vary materially from the normal average teaching workload of UTs in his/her academic department or equivalent unit due to the following factors:

- (a) the number of hours devoted to administrative duties;
- and
- (b) the level of productive scholarly activity, it being understood that greater than normal involvement in scholarly activity may not result in a reduction in teaching workload unless such reduction can be accommodated within the resources accorded to the department.

13.09

- (a) Department Heads shall not be required to teach more than the normal annual teaching workload of other UTs in their department, less 2 one-term courses or equivalent.
- (b) Service as Chairperson of an Academic program will be given due consideration as a factor in assigning teaching workload,

13.10 Each UT shall have a continuous period of not less than three (3) months in every academic year which is free of scheduled teaching duties.

**ARTICLE 14
MANAGEMENT LEAVE**

14.01 A UT who is required by management to:

Good Friday

Easter Monday

The day fixed by proclamation of the Governor in Council for celebration of the Sovereign's Birthday

Canada Day

16.03 A UT shall not be granted two (2) different types of leave with pay or monetary remuneration in lieu of leave in respect of the same period of time.

16.04 A UT who, on the day that this Agreement is signed, is entitled to receive furlough leave, that is to say, five (5) weeks' leave with pay upon completing twenty (20) years of continuous employment, retains his or her entitlement to furlough leave subject to the conditions respecting the granting of such leave that are in force on the day that this Agreement is signed.

16.05 A UT is not entitled to leave with pay during periods he or she is on leave without pay or under suspension.

16.06 A UT who has been granted more vacation or sick leave with pay than has been earned, whose services are terminated by lay-off or death, is considered to have earned the amount of leave with pay granted to him or her.

16.07 A UT shall not earn leave credits under this Agreement in any month for which leave has already been credited to him or her under the terms of any other collective agreement to which the Employer is a party or under other rules or regulations of the Employer.

16.08 Except as otherwise specified in this Agreement and except for periods of Sabbatical Leave:

- (b) time spent on such leave which is for a period of more than three (3) months shall not be counted for pay increment purposes.

ARTICLE 17 VACATION LEAVE

17.01 The vacation year shall be from April 1st to March 31st of the following calendar year, inclusive.

Accumulation of Vacation Leave

17.02 A UT shall earn vacation leave credits at the following rate for each calendar month during which the UT receives pay for at least ten (10) days:

**

- (e) Notwithstanding (a), (b), (c), and (d) above, a UT who has a greater vacation leave entitlement on the date of signing of this agreement shall retain the current entitlement rate.

17.03 For the purpose of clause 17.02 only, all service within the Public Service, whether continuous or discontinuous, shall count toward vacation leave except where a person who, on leaving the Public Service, takes or has taken severance pay. However, the above exception shall not apply to a UT who receives severance pay on lay-off and is reappointed to the Public Service within one (1) year following the date of lay-off.

17.04 A UT is entitled to vacation leave with pay to the extent of the UT's earned credits but a UT who has completed six (6) months of continuous employment may receive an advance of credits equivalent to the anticipated credits for the vacation year.

17.05

- (a) Vacation leave will be taken at such time as the deputy head specifies. Deputy heads should encourage UTs to take all of their vacation leave in the fiscal year in which it is earned.

(b) Carry-over

Where in any vacation year a UT has not taken all the vacation leave credited to him or her, the unused portion of the UT's vacation leave shall be carried over into the following vacation year.

(c) Cash-out

During any vacation year, upon application by the UT and at the discretion of the Employer earned but unused vacation leave credits will be paid in cash at the UT's daily rate of pay as calculated from the classification prescribed in the UT's certificate of appointment of the UT's substantive position on March 31st.

Cash-outs are based on current base salary and do not include performance awards and bonuses.

17.06 Recall from Vacation Leave

(a) A UT who is recalled to duty from vacation leave or whose vacation leave is cancelled by management without notice shall be reimbursed for reasonable expenses, as defined in the Travel Directive, that he or she incurs:

- (i) in proceeding to his or her place of duty;

(a) If a UT ceases to be employed or dies, the UT or the estate shall be paid, in lieu of the unused vacation leave which has been earned, an amount which is equal to the product of the UT's current daily rate of pay as calculated from the classification specified in his or her certificate of appointment, multiplied by the number of days of earned but unused vacation and furlough leave with pay to his or her credit on the day the UT ceased to be employed or died.

- (b) Notwithstanding sub-clause 17.07(a), a UT whose employment is terminated by reason of a declaration of abandonment of position is entitled to receive the payment referred to in 17.07(a) if the UT requests it within a period of three and one-half (3 1/2) years following the date upon which employment is terminated.

****ARTICLE 18**

SABBATICAL LEAVE

18.01 UT's shall be eligible for sabbatical leave in accordance with the terms and conditions outlined herein.

18.02 Sabbatical leave is an authorized period of leave without pay with an allowance in lieu of salary, that may be granted to UTs in accordance with the conditions, requirements and provisions detailed herein.

18.03 Purpose and Principles

Sabbatical leave, a feature of employment for UTs, is a period of leave for a specified duration of either six or twelve months during which time eligible employees shall be relieved of their normal teaching and administrative obligations as a means of providing them with an opportunity to pursue research or other scholarly activities.

18.04 Eligibility Criteria

- (a) To be eligible for sabbatical leave, a UT must be employed on a full-time indeterminate basis.
- (b) A UT applying for a six-month sabbatical leave period must have completed three years of service as a UT. A UT applying for a twelve-month sabbatical leave period must have completed six years of service as a UT. An applicant may be given credit for up to three years service at another university upon recommendation of the principal. However, no UT may be granted sabbatical leave before having served three years of continuous service as a full-time UT.
- (c) Applications for subsequent periods of sabbatical leave will normally require completion of six years intervening service before being granted a twelve-month sabbatical or three years before being granted a six-month sabbatical.

18.05 Selection Criteria

- (a) Applications that meet the essential eligibility criteria requirements as noted above, and are submitted in accordance with the requirements outlined in this agreement, will be considered for approval by a screening committee designated by the Faculty Review Committee (FRC).
- (b) The following criteria will be used in the screening and prioritization process:
 - (i) the relevance of the proposed professional development activity to the needs of the department;
 - (ii) the projected benefits to the professional development of the UT;
 - (iii) the merit of the sabbatical proposal in terms of its scope, planning, resource implication and potential for success within the sabbatical period;
 - (iv) evidence of benefits derived from the applicant's previous sabbatical leave (if applicable);
 - (v) the applicant's performance assessments and evidence of scholarly potential/achievement during the period of qualifying service; and
 - (vi) the operational and human resources management priorities of the College.

18.06 Duration

Sabbatical leave for periods of up to twelve months in duration will be considered for UT applicants meeting the eligibility requirements for initial or subsequent sabbatical leave. Sabbatical leave periods will be of six months duration (normally 01 July - 31 December or 01 January - 30 June), or twelve months duration (normally 01 July - 30 June).

18.07 Entitlement to Sabbatical Leave

Sabbatical leave may be granted at the discretion of the employer. Sabbatical leave shall not be unreasonably denied. In the case where an application is denied, if requested by the applicant, the employer will provide written reasons for the denial.

18.08 Employment Commitment

- (a) A UT who is granted sabbatical leave is expected to return to service as a UT.
- (b) As a condition of being granted sabbatical leave, UTs will be required to sign a written commitment, the Return to Service Agreement for Sabbatical Leave, to return to the department for a period of employment equal to their period of sabbatical leave. A UT who does not honour this commitment will be required to repay the monies paid to him or her during the sabbatical leave or a portion thereof based on the number of months worked by the UT after returning from sabbatical leave.

18.09 Allowance in Lieu of Salary

- (a) Sabbaticants at the UT-2 or UT-3 level, who are granted a first sabbatical leave within ten (10) years of joining the College, will be on leave without pay and may be granted an allowance in lieu of salary equal to 100% of their annual rate of pay in effect at the commencement of the leave, except as provided for in (e) of this clause.
- (b) Other sabbaticants will be on leave without pay and may be granted an allowance in lieu of salary equal to 82.5% of their annual rate of pay in effect at the commencement of the leave, except as provided for in (e) of this clause.
- (c) A sabbaticant's allowance in lieu of salary will be automatically adjusted, as applicable, to reflect any economic revision to the University Teaching Group.
- (d) Pay increments and promotion increases based on performance prior to the commencement of the sabbatical leave will be implemented on the normal increment date, and the sabbaticant's allowance will be adjusted accordingly.
- (e) During periods of sabbatical leave, UTs are not entitled to administrative allowances received for extra duties performed during regular employment at one of the colleges. Such allowances may be reinstated effective the date of return from the sabbatical leave on the authority of the principal.

18.10 Employment During Sabbatical

- (a) Sabbaticants granted a leave of absence from regular duties to pursue the stated purpose of their research or study, and granted an allowance in lieu of salary to assist them in this endeavour, may not accept remuneration associated with their sabbatical leave project or assignment that in combination with their allowance would provide them with remuneration in excess of 100 per cent of their normal annual salary from the department.
- (b) Sabbaticants may not accept other professional commitments that might impede completion of the primary goals stipulated in their approved sabbatical leave plan.
- (c) If remunerated employment, or other significant activities not related to the primary purpose of the sabbatical leave, are expected to be an integral part of a sabbaticant's perceived use of sabbatical leave, such intentions are to be clearly identified and fully substantiated in the sabbatical leave application and will be considered during the review/approval process.
- (d) In the event that a sabbaticant's total remuneration related to the leave project is determined to exceed 100 per cent of normal salary, the department will reduce the allowance in lieu of salary as appropriate and may request repayment of all or a portion of the allowance if subsequent evidence indicates that the sabbaticant has not complied with the intent of the restriction pertaining to external remuneration.

18.11 Financial Assistance

- (a) Financial assistance in the form of grants, awards, scholarships, to support their sabbatical research will not be taken into consideration in determining the departmental allowance in lieu of salary to be granted to a sabbaticant provided that such assistance does not constitute personal remuneration.
- (b) Sabbaticants are required to identify and report on the sources and the allocation of the funding for all financial assistance received in support of their sabbatical research.

18.12 Employee Benefits While on Sabbatical Leave

While on sabbatical leave, UTs do not accrue sick or annual leave.

18.13 Application and Approval Process

- (a) The employer may defer a requested sabbatical leave in the event that the UT's services are required for the period of time planned for the leave. Such deferral shall be counted towards an application for a subsequent leave.
- (b) Where an application meets the criteria for approval but the leave is denied due to financial constraints, the application will be given first priority the following year.
- (c) A UT may cancel application for sabbatical leave by notifying the principal in writing at least four months prior to commencement of the leave, or later, at the discretion of the principal.

**ARTICLE 19

21.02 At the Employer's discretion, a UT on education leave without pay under this Article may receive an allowance in lieu of salary of up to one hundred per cent (100%) of the UT's annual rate of pay, depending on the degree to which the education leave is deemed by the Employer to be relevant to organisational requirements. In such cases, the amount of the reduction shall not exceed the amount of the grant, bursary or scholarship.

21.03 Allowances already being received by the UT may at the discretion of the Employer be continued during the period of the education leave. The UT shall be notified when the leave is approved whether such allowances are to be continued in whole or in part.

21.04 As a condition of the granting of education leave without pay, a UT shall, if required, give a written undertaking prior to the commencement of the leave to return to the service of the Employer for a period of not less than the period of the leave granted.

Examination Leave With Pay

21.06 At the Employer's discretion, examination leave with pay may be granted to a UT for the purpose of writing an examination which takes place during the UT's scheduled hours of work. Such leave will only be granted where, in the opinion of the Employer, the course of study is directly related to the UT's duties or will improve his or her qualifications.

ARTICLE 22

MATERNITY AND PARENTAL LEAVE WITHOUT PAY

22.01 Maternity Leave without Pay

- (a) A UT who becomes pregnant shall, upon request, be granted maternity leave without pay for a period beginning before, on or after the termination date of pregnancy and ending not later than seventeen (17) weeks after the termination date of pregnancy.
- (b) Notwithstanding paragraph (a):
 - (i) where the UT has not yet proceeded on maternity leave without pay and her newborn child is hospitalized,
 - or
 - (ii) where the UT has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her newborn child is hospitalized,

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling seventeen (17) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child's hospitalization during which the UT was not on maternity leave, to a maximum of seventeen (17) weeks.

- (c) The extension described in paragraph (b) shall end not later than fifty-two (52) weeks after the termination date of pregnancy.
- (d) The Employer may require a UT to submit a medical certificate certifying pregnancy.

- (e) A UT who has not commenced maternity leave without pay may elect to:
 - (i) use earned vacation and compensatory leave credits up to and beyond the date that her pregnancy terminates;

- (f) A UT shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur unless there is a valid reason why the notice cannot be given.
- (g) Leave granted under this clause shall be counted for the calculation of “continuous employment” for the purpose of calculating severance pay and “service” for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

22.02 Maternity Allowance

 - (i) has completed six (6) months of continuous employment before the commencement of her maternity leave without pay,
 - (ii) provides the Employer with proof that she has applied for and is in receipt of pregnancy benefits pursuant to Section 22 of the *Employment Insurance Act* in respect of insurable employment with the Employer,

- (B) following her return to work, as described in section (A), she will work for a period equal to the period she was in receipt of the maternity allowance;
- (C) should she fail to return to work in accordance with section (A), or should she return to work but fail to work for the total period specified in section (B), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the *Public Service Superannuation Act*, she will be indebted to the Employer for an amount determined as follows:

$$\frac{\text{(allowance received) X (remaining period to be worked following her return to work)}}{\text{[total period to be worked as specified in (B)]}}$$

however, a UT whose specified period of employment expired and who is rehired by the same department within a period of five (5) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

- (b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the UT's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).
- (c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:
 - (i) where a UT is subject to a waiting period of two (2) weeks before receiving Employment Insurance pregnancy benefits, ninety-three per cent (93%) of her weekly rate of pay for each week of the waiting period, less any other monies earned during this period,

 - (i) fails to satisfy the eligibility requirement specified in subparagraph 22.02(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Longterm Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the *Government Employees Compensation Act* prevents her from receiving Employment Insurance pregnancy benefits,

 - (i) where the UT's child is hospitalized within the period defined in the above paragraphs, and the UT has not yet proceeded on parental leave without pay,
 - or
 - (ii) where the UT has proceeded on parental leave without pay and then returns to work for all or part of the period during which his or her child is hospitalized,

following his/her return to work)

however, a UT whose specified period of employment expired and who is rehired by the same department within a period of five (5) days or less is not indebted for the amount if his or her new period of employment is sufficient to meet the obligations specified in section (B).

- (b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the UT's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).
- (c) Parental Allowance payments made in accordance with the SUB Plan will consist of the following:
 - (i) where a UT is subject to a waiting period of two (2) weeks before receiving Employment Insurance parental benefits, ninety-three per cent (93%) of his/her weekly rate of pay for each week of the waiting period, less any other monies earned during this period;
 - (ii) other than as provided in subparagraph (iii) below, for each week in respect of which the UT receives parental benefits pursuant to Section 23 of the *Employment Insurance Act*, the difference between the gross weekly amount of the Employment Insurance parental benefits he or she is eligible to receive and ninety-three per cent (93%) of his or her weekly rate of pay less any other monies earned during this period which may result in a decrease in Employment Insurance benefits to which he or she would have been eligible if no extra monies had been earned during this period;
 - (iii) where the UT becomes entitled to an extension of parental benefits pursuant to Subsection 12(7) of the *Employment Insurance Act*, the parental allowance payable under the SUB Plan described in subparagraph (ii) will be extended by the number of weeks of extended benefits which the UT receives under Subsection 12(7) of the *EI Act*.
- (d) At the UT's request, the payment referred to in subparagraph 22.06(c)(i) will be estimated and advanced to the UT. Adjustments will be made once the UT provides proof of receipt of EI parental benefits.
- (e) The parental allowance to which a UT is entitled is limited to that provided in paragraph (c) and a UT will not be reimbursed for any amount that he or she is required to repay pursuant to the *Employment Insurance Act*.

- (g) The weekly rate of pay referred to in paragraph (f) shall be the rate to which the UT is entitled for the substantive level to which she or he is appointed.
- (h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of parental leave without pay a UT is performing an acting assignment for at least four (4) months, the weekly rate shall be the rate the UT was being paid on that day.

and

- (ii) has satisfied all of the other eligibility criteria specified in paragraph 22.06(a), other than those specified in sections (A) and (B) of subparagraph 22.06(a)(iii),

ARTICLE 31
GRIEVANCE PROCEDURE

31.01 In cases of alleged misinterpretation or misapplication arising out of agreements concluded by the National Joint Council of the Public Service on items which may be included in a collective agreement and which the parties to this Agreement have endorsed, the grievance procedure will be in accordance with Section 14 of the NJC By-Laws.

31.02 The parties recognise the value of informal discussion between UTs and their supervisors to the end that problems might be resolved without recourse to a formal grievance. When a UT, within the time limits prescribed in clause 31.09, gives written notice of intent to take advantage of this clause, it is agreed that the period between the initial notice and the final written response shall not count as elapsed time for the purpose of grievance time limits.

31.03 A UT who wishes to present a grievance at any prescribed step in the grievance procedure shall transmit this grievance to the immediate supervisor or official designated under clause 31.07 who shall forthwith:

- (a) forward the grievance to the representative of the Employer authorized to deal with grievances at the appropriate step;

and

- (b) provide the UT with a receipt stating the date on which the grievance was received.

31.04 A grievance of a UT shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Employer.

31.05 Subject to and as provided in Section 91 of the *Public Service Staff Relations Act*, a UT who feels unjustly treated or aggrieved by an action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 31.03, except:

- (a) where there is another administrative procedure provided by or under any act of Parliament to deal with the specific complaint, such procedure must be followed;

and

- (b) where the grievance relates to the interpretation or application of this Collective Agreement or an Arbitral Award, the UT is not entitled to present the grievance without the approval and representation of the Association.

31.06 There shall be no more than a maximum of four (4) steps in the grievance procedure. These steps shall be as follows:

- (a) Step 1 - first level of management;
- (b) Steps 2 and 3 where such intermediate step(s) are established;
- (c) Final Step - deputy head or authorized representative.

31.07 The Employer shall designate a representative at each step in the grievance procedure and shall inform each UT to whom the procedure applies of the name or title of the person so designated together with the name or title and address of the immediate supervisor or other official to whom a grievance is to be presented.

This information shall be communicated to UTs by means of notices posted by the Employer in places where such notices are most likely to come to the attention of UTs to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Association.

31.08 If so desired, a UT may be assisted and/or represented by the Association when presenting a grievance at any step. The Association shall have the right to consult with the Employer with respect to a grievance at each or any step of the grievance procedure.

31.09 A UT may present a grievance at the first step of the procedure in the manner prescribed in clause 31.03, not later than the twenty-fifth (25th) day after the date on which the UT is notified orally or in writing or first becomes aware of the action or circumstances giving rise to the grievance.

31.10 A UT may present a grievance at each succeeding step in the grievance procedure beyond the first (1st) step either:

- (a) where the decision or settlement is not satisfactory, within ten (10) days after that decision or settlement has been conveyed in writing by the Employer;

or

- (b) where the Employer has not conveyed a decision within the time prescribed in clause 31.11, within fifteen (15) days after the presentation of the grievance at the previous step.

31.11 The Employer shall normally reply to a UT's grievance at any step of the grievance procedure, except the final step, within ten (10) days after the grievance is presented and within twenty (20) days if the grievance is presented at the final step.

31.12 Where a UT has been represented by the Association in the presentation of a grievance, the Employer will provide the appropriate representative of the Association with a copy of the Employer's decision at each step of the grievance procedure at the same time that the Employer's decision is conveyed to the UT.

31.13 Where a grievance has been presented up to and including the final step in the grievance process and the grievance is not one that may be referred to adjudication, the decision on the grievance taken at the final step in the grievance process is final and binding and no further action may be taken under the *Public Service Staff Relations Act*.

31.14 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

31.15 Where the provisions of clause 31.03 cannot be complied with and it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked and it shall be deemed to have been received by the Employer on the day it is delivered to the appropriate office. Similarly, the Employer shall be deemed to have delivered a reply at any step on the date on which the letter containing the reply is postmarked. The time limit within which the grievor may present the grievance at the next higher step shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

31.16 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the UT and where appropriate the Association representative, except as provided in clause 31.18.

31.17 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular step of authority, any or all the steps except the final step may be eliminated by agreement of the Employer and the UT and, where applicable, the Association.

31.18 Where the Employer demotes or terminates the employment of a UT for cause, pursuant to paragraph 11(2)(f) or (g) of the *Financial Administration Act*, the grievance procedure set forth in this Agreement shall apply except that:

(a) the grievance may be presented at the final step only;

and

(b) the twenty (20) day time limit within which the Employer is to reply at the final step may be extended to a maximum of forty (40) days by mutual agreement of the UT, the Employer and, where applicable, the appropriate representative of the Association.

31.19 A UT may by written notice to his immediate supervisor or designated official abandon a grievance.

31.20 A UT who fails to present a grievance to the next higher step within the prescribed time limits shall be deemed to have abandoned the grievance unless, due to circumstances beyond the UT's control, compliance within the prescribed time limits was not possible.

31.21 No person shall seek by intimidation, by threat of dismissal or by any other kind of threat to cause a UT to abandon a grievance or refrain from exercising the right to present a grievance as provided in this Collective Agreement.

31.22 Where a UT has presented a grievance up to and including the final step in the grievance procedure with respect to:

(a) the interpretation or application in respect of the UT of a provision of this Collective Agreement or related Arbitral Award;

or

(b) disciplinary action resulting in suspension or a financial penalty;

or

- (c) demotion or termination of employment for cause pursuant to paragraphs 11(2)(f) or (g) and 11(4) of the *Financial Administration Act*;

and the grievance has not been dealt with to the UT's satisfaction, the grievance may be referred to adjudication in accordance with the provisions of the *Public Service Staff Relations Act* and Regulations.

31.23 Where a grievance that may be presented by a UT to adjudication is a grievance relating to the interpretation or application in respect of the UT of a provision of this Agreement or an Arbitral Award, the UT is not entitled to refer the grievance to adjudication unless the Association signifies in prescribed manner:

- (a) its approval of the reference of the grievance to adjudication;
- and
- (b) its willingness to represent the UT in the adjudication proceedings.

TERMINATION FOR FAILURE TO ADEQUATELY PERFORM

The letter will clearly state what apparent action or lack of action on the part of the UT the committee will investigate.

35.02 The committee will be established consisting of one of the two senior indeterminately employed faculty members of the College who are chosen annually by the teaching faculty of Faculty Board to be Chairpersons of such committees, a faculty member selected by the Principal and a faculty member selected by the affected faculty member. 35.03 The affected UT, and a representative of the Association if the UT should so choose, will appear before the committee.

ARTICLE 36

MISCONDUCT IN RESEARCH

36.01 The Parties agree that misconduct in research as defined herein may be the subject of discipline.

36.02 Misconduct in research is defined as:

- (a) fabrication, falsification or plagiarism, but does not included those factors intrinsic to the process of academic research, such as honest error, conflicting data or differences in interpretation or assessment of data or of experimental design;
- (b) material failure to comply with relevant federal or provincial regulations for the protection of researchers or human subjects, for the health and safety of the public, or for the welfare of laboratory animals;

- (c) material failure to meet other legal requirements that relate to the conduct of research;
 - (d) failure to reveal any material conflict of interest to the sponsors or to those who commission work or when asked to undertake reviews of research grant applications or manuscripts for publication, or to test products for sale or distribution to the public;
- or
- (e) failure to reveal to the CMC any material financial interest in a company that contracts with the CMC to undertake research, particularly research involving the company's products, or to provide research related materials or services. Material financial interest means ownership, substantial stock holding, a directorship, significant honoraria or consulting fees, but does not include minor stock holding in publicly traded corporations.

36.03 Discipline for misconduct in research shall only be imposed following the formal investigation process set out in this Article. Allegations of misconduct in research shall result in an investigation only if:

- (a) such allegations are not anonymous and are referred to the Principal;
 - (b) the Principal determines that the allegations have sufficient substance to warrant investigation;
 - (c) the UT named in the allegations has been provided with notice and a summary thereof sufficiently detailed to permit him/her a fair opportunity to respond;
- and
- (d) the notice in paragraph (c) shall advise the UT concerned of his/her right to be represented by the Association.

Where allegations do not result in an investigation, all records relating to those allegations which are in the possession of the Employer shall be destroyed.

36.04 The formal investigation process commences when the individual named in the allegations has received the notice referred to in 36.03(d). A UT who is an authorized representative of the Association may be present at any meeting involving the individual named in the allegations during the course of the formal investigation. Any statements made by the individual named in the allegations during these meetings shall be strictly without prejudice.

36.05 The Principal or his/her nominee(s) shall investigate the allegations promptly, fairly and in a confidential manner, ensuring that the individual named in the allegations has adequate opportunity to know all evidence presented and to respond to that evidence.

36.06 The parties agree that grievances involving disciplinary action for misconduct in research shall, at the discretion of the grievor, proceed directly to the final stage of the grievance process.

36.07 If the Principal decides after formal investigation not to proceed against the individual named in an allegation or if the adjudication decides in favour of the individual, the Employer shall remove all relevant documentation from the UT's file and shall, at the sole discretion of the UT, destroy the documentation or transfer it to the UT except that it shall retain any adjudication report which shall be a public document. A decision by the Principal not to proceed shall be communicated in writing to the UT.

ARTICLE 37

PERFORMANCE REVIEW AND PERSONNEL FILES

37.01 Upon written request of a UT, the personnel file of that UT shall be made available twice (2) per year for examination by the UT in the presence of an authorized representative of the Employer.

37.02 No anonymous material, except for statistical data, concerning any UT shall be kept by the Employer nor shall be submitted as evidence in any subsequent proceeding involving any UT.

37.03 A UT shall have the right to place in his/her personnel file a written reply to any document in his/her personnel file, which reply shall be attached to that document.

37.04 A UT shall have the right to obtain at no charge from the Employer a copy of any document in his/her personnel file.

37.05

- (a) When a formal assessment of a UT's performance is made, the UT concerned must be given an opportunity to sign the assessment form in question upon its completion to indicate that its contents have been read. A copy of the assessment will be provided to him/her at that time. A UT's signature on his/her assessment form will be considered to be an indication only that its contents have been read and shall not indicate his/her concurrence with the statements contained in the form.
- (b) The Employer's representative(s) who assess a UT's performance must have been aware of the UT's performance for at least one-half (1/2) of the period for which the UT's performance is evaluated.

37.06

- (a) Prior to a performance review the UT concerned shall be given:
 - (i) the evaluation form which will be used for the review;
 - and
 - (ii) any written document which provides instruction to the person conducting the review.
- (b) If, during the performance review, either the form or instructions are changed, they shall be given to the UT concerned.

37.07 Evaluation of the work of UT's solicited in confidence from external references shall be retained by the Employer, but not placed in the personnel file. The texts of such letters, with letterhead and signature block removed, shall be placed in the personnel file of the UT and are not anonymous material for the purposes of this article.
