Published by the Physical Fitness Division.
Play is the business of childhood. Successful play is play which teaches the child as much as he can comfortably learn about things, people, himself and human behavior. Parents who understand the importance of play, will find in this publication a lot of useful indications to provide their children with the play equipment, the opportunity and the encouragement they need for fullest development.

CANADA 1955

**THE OFFICIAL HANDBOOK OF PRESENT
CONDITIONS AND RECENT PROGRESS**

One of the most pleasing of Canadian government publications for many years, Canada 1955 continues the series of popular annual volumes which present in an appealing way a factual account of the annual progress of the Canadian nation and economy.

In text, in table, in map and picture, Canada 1955 seeks to portray the present conditions of the Canadian people, their country, government, cultural development and welfare. It endeavours to present progress of the many-sided Canadian economy of today, the skill and enterprise of its business and industrial community, the far-flung network of transport and communication, all of which are based upon the natural wealth of Canada. 307 pp.
