- 1841 Manual of forms design and control. Ottawa, 1955. 61p. Figs., tables. 29cm. Paper cover.
Prepared by Organization and Methods Service.
The manual deals primarily with the effectiveness of forms and the control over their creation, design and use. In this way it is hoped that it may focus attention on related procedures and work methods which, in their great variety, require painstaking survey and analysis of facts outside the scope of one manual alone.
75¢. per copy. ● ● Cat. No. SC5-255
- 1842 Manual of office layout. Ottawa, 1954. 41p. Figs., tables. 29cm.
Paper cover.
Prepared by Organization and Methods Service.
The challenge of good office layout, like any other administrative problem, can best be met by the application of scientific method; that is, the process of breaking down a complex problem into its various elements and tackling each element in turn. In this manual we have tried to lay bare the many ramifications of office layout, and to discuss each one of them individually in the light of prevailing theory and experience.

CANADA 1955

THE OFFICIAL HANDBOOK OF PRESENT
CONDITIONS AND RECENT PROGRESS

One of the most pleasing of Canadian government publications for many years, Canada 1955 continues the series of popular annual volumes which present in an appealing way a factual account of the annual progress of the Canadian nation and economy.

In text, in table, in map and picture, Canada 1955 seeks to portray the present conditions of the Canadian people, their country, government, cultural development and welfare. It endeavours to present progress of the many-sided Canadian economy of today, the skill and enterprise of its business and industrial community, the far-flung network of transport and communication, all of which are based upon the natural wealth of Canada. 307 pp.
