Trésor des Anciens Jésuites

par

Marius Barbeau

BULLETIN n° 153

(Série anthropologique n° 43)

Ouvrage de haute portée historique "Trésor des Anciens Jésuites" est le fruit de recherches remontant jusqu'au début de la colonie française du Canada. L'auteur explique en quoi consiste le trésor artistique et culturel des anciens Jésuites, tel que les argenteries, ornements, statues, églises, manuscrits, livres et certains objets dont les missionnaires se servaient pour attirer les Indiens.

La seconde partie de l'ouvrage est un inventaire du trésor avec pour chaque objet une description et un résumé historique. Les reproductions photographiques très nombreuses permettent d'apprécier la valeur artistique des pièces.

La couverture, aux couleurs attrayantes, reproduit un reliquaire de Notre-Dame de Chartres de 1676.

Environ 200 illustrations. 242 pages

ARCHIVES PUBLIQUES

- 843 Cartes géographiques du seizième siècle se rapportant au Canada; liste préliminaire et bibliographie. Ottawa, 1958. 305p. Ill. 25cm. Broché.

Ce catalogue provient de l'effort des Archives publiques du Canada, d'augmenter leur collection de reproductions des premières cartes géographiques relatives au Canada. Comme il n'existait aucun répertoire satisfaisant des cartes du XVI^e siècle, la Section des Cartes se trouva obligée de dresser des listes pour son propre usage. Le nombre de cartes s'étant révélé bien supérieur à ce qu'on avait cru, il devint évident qu'une liste imprimée, qui comprendrait des notes descriptives et une bibliographie, rendrait les plus grands services aux chercheurs.
