L'ÉPOPÉE DE LA MARINE CANADIENNE

LOINTAINS NAVIRES

par JOSEPH SCHULL

• Compte rendu officiel des opérations de la marine canadienne au cours de la seconde Grande Guerre.

• "Ces lointains navires, foulés par la tempête, que la Grande Armée n'avait jamais vus, l'empêchaient de dominer le monde". Ces paroles, écrites au sujet de l'armée de Napoléon et des navires de Nelson, valent également pour l'œuvre accomplie par les navires alliés au cours du dernier conflit mondial.

• *Lointains navires* décrit la participation du Canada à cette œuvre dont les pérégrinations se sont déroulées sur presque toutes les mers du monde, le long du littoral de l'Amérique du Nord, sur les plages de Normandie et dans le Pacifique. Pendant soixante-huit mois, les marins canadiens ont été au plus fort de la mêlée et ont écrit, par leur héroïsme, l'un des plus glorieux chapitres de notre histoire.

UN FORT VOLUME DE
605 PAGES

Écrit par l'écrivain bien connu, Joseph Schull, pour le Ministère de la Défense Nationale, *Lointains Navires* est présenté en une élégante typographie sous une riche reliure en tissu-toile bleu, titre or, et une élégante jaquette illustrée. Renferme 26 cartes, dont plusieurs en couleurs, et plus de 30 illustrations.

NOW AVAILABLE FROM THE QUEEN'S PRINTER

Publications of the United Nations Educational, Scientific and Cultural Organization

The "United Nations Educational, Scientific and Cultural Organization" is one of the specialized agencies of the United Nations with headquarters in Paris, France. One of its main functions is the publication of books and periodicals in the fields in which the activities of this Organization are concentrated. More than eighty nations participate in Unesco and Canada has been one of its founding members.

National Distributor in Canada

The Department of Public Printing and Stationery has recently been appointed as the national distributor of English and French language Unesco publications. Orders for books in print are being accepted and filled, when they are available in the Department, directly from its stock, or are ordered from Unesco. Subscriptions to periodicals are also accepted.

New publications will be currently listed in the *Monthly Catalogue of Canadian Government Publications*.

The Department of Public Printing and Stationery will also publish in the near future the next number of the book review which is now being compiled and edited by a special committee set up for this purpose by the Canadian National Commission for Unesco.

MAINTENANT EN VENTE CHEZ L'IMPRIMEUR DE LA REINE

Publications de l'Organisation des Nations Unies pour l'Éducation, la Science et la Culture

«L'Organisation des Nations Unies pour l'Éducation, la Science et la Culture» est au nombre des organismes spécialisés des Nations Unies, avec quartier-général à Paris, France. Une de ses fonctions les plus importantes est l'édition de volumes et de périodiques dans le domaine où se concentrent les activités de cet organisme. Plus de quatre-vingts nations participent à l'Unesco, dont le Canada fut l'un des fondateurs.

Agence générale au Canada

L'Agence générale au Canada pour les publications de l'Unesco dans les langues française et anglaise a récemment été confiée au Département des Impressions et de la Papeterie publiques. Les commandes pour les imprimés sont acceptées et remplies directement par le centre de distribution du Département ou par l'intermédiaire de l'Unesco. Les abonnements aux périodiques sont aussi acceptés.

Les nouvelles publications seront annoncées régulièrement dans le *Catalogue mensuel des publications du Gouvernement canadien*.

Le Département entreprendra aussi dans un avenir rapproché la publication du bulletin de recensement des publications de l'Unesco, maintenant compilé et édité par un comité spécial organisé par la Commission nationale canadienne pour l'Unesco.
