Inter-corporate ownership

Fourth quarter 1996

Today, Statistics Canada releases *Inter-corporate ownership on CD-ROM*, which is based on data collected under the Corporations and Labour Unions Returns Act (CALURA). CALURA was passed by Parliament in April 1962 and is administered by the Chief Statistician of Canada under the authority of the Ministry of Industry. The information is based on non-confidential returns filed under CALURA.

Inter-corporate ownership on CD-ROM shows who owns and controls which corporations in the nation. This latest edition covers more than 70,000 corporations, and provides data on top-ranked firms and family groups that dominate the top Canadian-controlled and foreign-controlled enterprises.

The fourth quarter 1996 version of *Inter-corporate ownership on CD-ROM* (61-517-XCB, annual subscription with quarterly updates, \$3,000/single issue, \$1,750) is now available. A paper version of the directory *Inter-corporate ownership, 1996* (61-517-XPB, \$350) is also available.

For further information on this release, or to order these products, contact Ron Vanasse (613-951-3469) or Randy Smadella (613-951-3472), Industrial Organization and Finance Division. ■
