### **Data sources for Canadian social studies courses**

Data sources for Canadian social studies courses are now available on the Internet. The information on the data sources is organized by province, grade, and course.

Most of the data are on E-STAT, an electronic learning aid in CD-ROM and on-line format published exclusively for educational institutions. Data are also available to other users in a variety of formats. The original sources for the data are The Canadian Socio-Economic Information Management System (CANSIM), the Census of Population, *Censuses of Canada, 1665-1871, vol. IV* and *Historical Statistics of Canada, 2nd edition*.

Data sources for Canadian social studies courses are now available on the Statistics Canada Web site at [www.statcan.ca](http://www.statcan.ca) under *Education resources*.

For more information, or to enquire about the concepts, methods or data quality of this release, contact Linda McCormick (613-951-6478; [education@statcan.ca](mailto:education@statcan.ca)), Dissemination Division. ■
