Labour market and income data guide

December 1999

A new version of the *Labour market and income data guide* (75F0010XIE, free) is now available. Provided in electronic (PDF) format, this reference tool describes all major Statistics Canada surveys related to labour or income. It includes information on survey coverage, typical uses of the data, related publications and offers case studies.

The guide also provides a list of relevant contact persons, Statistics Canada regional reference centres and depository libraries.

For more information, contact Henry Pold (613-951-4608; henry.pold@statcan.ca), Labour and Household Surveys Analysis Division.
