### Estimates of personal income from provincial economic accounts 1999

Provincial economic accounts estimates of personal income for 1999 are now available. CANSIM series for personal income and its components by province have been updated.

**Available on CANSIM: matrices 9205-9218 and 9232.**

For more information, or to enquire about the concepts, methods or data quality of this release, contact the information officer (613-951-3640; [iead-info-dcrrd@statcan.ca](mailto:iead-info-dcrrd@statcan.ca)), Income and Expenditure Accounts Division. ■

### Prince Edward Island Community Access Points Survey

Data from the Prince Edward Island Community Access Points Survey are now available for special tabulations. The data were collected in November 1999, and refer to Canadians aged 15 years and over living in Prince Edward Island.

The purpose of this household survey was to build a profile of general Internet use and to assess community interest in Internet access points.

For more information, or to enquire about the concepts, methods or data quality of this release, contact Jonathan Ellison (613-951-5882), Science, Innovation and Electronic Information Division. ■

#### MAJOR RELEASES

- **Urban transit, 1995** 2  
Despite the emphasis on taking urban transit, Canadians are using it less and less. In 1995, about 40 million Canadians took the average of about 40 trips on some form of urban transit, the lowest level in the past 25 years.
- **Productivity, hourly compensation and unit labour cost, 1995** 4  
Growth in productivity among Canadian businesses was relatively weak, again in 1995, accompanied by sluggish gains in employment and slow economic growth during the year.
