Records for Western Inspection Division

supplied by

Board of Grain Commissioners for Canada

1. The first part of the document is a list of names and addresses. The names are written in a cursive hand, and the addresses are in a more formal, printed style. The list is organized in a columnar format, with names in the first column and addresses in the second.

2. The second part of the document is a series of short, handwritten notes or entries. These are written in a cursive hand and appear to be organized in a list or index format. The notes are somewhat brief and seem to be related to the names and addresses listed above.

3. The third part of the document is a series of longer, handwritten entries. These are written in a cursive hand and appear to be organized in a list or index format. The entries are more detailed than the previous ones and seem to be related to the names and addresses listed above.

4. The fourth part of the document is a series of very short, handwritten entries. These are written in a cursive hand and appear to be organized in a list or index format. The entries are very brief and seem to be related to the names and addresses listed above.

The following is a list of names and addresses, organized in a columnar format. The names are written in a cursive hand, and the addresses are in a more formal, printed style.

The following is a series of short, handwritten notes or entries, organized in a list or index format. These are written in a cursive hand and appear to be related to the names and addresses listed above.

The following is a series of longer, handwritten entries, organized in a list or index format. These are written in a cursive hand and appear to be related to the names and addresses listed above.

The following is a series of very short, handwritten entries, organized in a list or index format. These are written in a cursive hand and appear to be related to the names and addresses listed above.

VISIBLE SUPPLY OF WHEAT

Stocks of Canadian wheat in store or in transit in North America at midnight February 16, 1950 totalled 149,409,838 bushels. This represented a decrease of 2,353,830 bushels compared with the total at February 9, 1950.

	February 16, 1950	Week Previous - bushels -	February 17, 1949
