## Notice to Subscribers

Publication of the current issue of the 'Grain Statistics Weekly' has been delayed as a result of extending the normal Thursday cut-off date to July 31 for elevators reporting to the Statistics Branch of the Board of Grain Commissioners for Canada so that marketing and year-end stocks data for 1952-53 crop year might be available.

Beginning with the next issue, the 'Grain Statistics Weekly' will carry a Thursday date on the cover, corresponding to the date to which marketing and stocks data apply, rather than the Saturday date formerly used. Price data will continue to apply to the week ending Friday.
