UNITED STATES

Production of Goods and Services in the United States, 1939-1941

The production of goods and services in the United States for the year 1941 is estimated to have been 100 percent of the 1939 level. This is based on the index of production of goods and services, which is set at 100 for 1939. The index for 1940 is also 100, and for 1941 it is 100. This indicates that the production of goods and services in the United States for the year 1941 is estimated to have been 100 percent of the 1939 level.
