OPERATING REVENUE OF CANADIAN CARRIERS 1959 - 1960

REVENUE GOODS CARRIED BY CANADIAN CARRIERS 1959 - 1960

INTRODUCTION

In June, Canadian air carriers transported 470,413 revenue passengers and 26,200,733 lbs. of revenue goods as compared with 446,089 revenue passengers and 22,868,234 lbs. of revenue goods in the same month of 1959. The number of passengers carried thus increased 5.5 per cent and the volume of goods transported rose 14.5 per cent above the June 1959 total. Revenue miles flown, however, declined 2.2 per cent to 10,189,289 from 10,421,706. Operating revenues were up 9 per cent to \$23,556,946 from \$21,612,475 and operating expenses rose 8.4 per cent to \$20,821,744 from \$19,212,888. The operating income was substantially higher therefore than in the previous June, amounting to \$2,735,202 as compared with \$2,399,587. For the first time in 1960, a net income (after provision for income taxes) was realized. It amounted to \$2,347,298 as compared with a net income of \$2,259,041 in June 1959.

In the first half of 1960, more revenue passengers and more revenue goods were carried than in the same period of 1959. The number of passengers increased 3.9 per cent to 2,200,328 from 2,117,664 while the volume of goods rose 6.1 per cent to 116,310,046 lbs. from 109,648,614. Operating revenues increased 6.4 per cent to \$107,112,136 from \$100,647,212 but failed to keep pace with operating expenses which rose 9.8 per cent to \$114,574,304 from \$103,354,512.

In June, 83.8 per cent of the total revenue passengers and 42.8 per cent of the total revenue goods were carried in unit toll service. Corresponding figures for the same month of 1959 are 84.8 per cent and 41.3 per cent respectively. It should be noted that a complete breakdown of unit toll services into scheduled and non-scheduled services is not possible since some carriers offer both services on specific routes. In such cases the route is assigned to the class of service which predominates.

The six scheduled carriers transported, in June, 380,306 revenue passengers or 80.8 per cent of the total and 10,041,060 lbs. of revenue goods or 38.3 per cent of the total. In the corresponding month of 1959, seven scheduled carriers transported 85.1 per cent of the total passengers carried and 55.9 per cent of the total goods. The scheduled carriers also earned, in June 1960, 82 per cent of operating revenues reported by all Canadian carriers and were responsible for 85.4 per cent of the total operating expenses. In June 1959, the scheduled carriers reported 81.7 per cent of the total revenues and 84.7 per cent of total expenses.

Data for companies operating helicopters only are shown in Table 8. Such companies operate approximately 75 per cent of the total number of helicopters in Canada. Tables 10 and 11, which are included in this report at the end of every quarter, show data on the operations of the Group V carriers for the second quarter of 1960 and for the first half of the year. The information provided in these two tables is excluded from all other tables of the report.

Foreign carriers licensed to operate in Canada transported, in June, 4.9 per cent more revenue passengers and 23.8 per cent more revenue goods than in the same month of 1959. Passengers carried numbered 66,876 in 1960 as compared with 63,735 a year before and goods transported aggregated 1,486,514 lbs. as against 1,200,423 lbs. It should be noted that foreign carriers are required to report hours and miles flown over Canadian territory only and intransit passengers and goods are excluded.

(1) Nordair Ltd. included with Group III carriers for purposes of this report.

(2) See Introduction, page 5, last paragraph.

(3) Includes fifth freedom traffic between United States and Canada.

(4) Breakdown into scheduled and non-scheduled service not entirely accurate as some carriers operate the two types of service jointly on certain routes.

(5) Except for hours flown these data relate to transportation services only.

(6) Includes excess baggage.

CIVIL AVIATION DEFINITIONS

Unit Toll Transportation:	Transportation of passengers or goods at a toll per unit. It includes: <ul style="list-style-type: none">(i) the scheduled services, which provide transportation between designated points in accordance with a schedule; and(ii) the non-scheduled services, which provide transportation either between designated points on a route pattern and with some degree of regularity or from a designated base to serve a defined area or a specific point or points.
Bulk Transportation:	Transportation of passengers or goods at a toll per mile or per hour for the entire aircraft (charter), or in accordance with a specific contract.
Specialty Flying Services:	Non-transportation flying services, such as flying training, aerial photography, aerial pest control and aerial advertising.
Scheduled Carriers:	Carriers operating some unit toll scheduled service.
Non-Scheduled Carriers:	Carriers not operating any unit toll scheduled service.
Revenue Classification of Canadian Carriers:	
Group I Carriers:	Trans-Canada Air Lines and Canadian Pacific Air Lines.
Group II Carriers:	All other carriers licensed to perform scheduled service plus two major transport carriers: Nordair Ltd. and Wheeler Air Lines Ltd.
Group III Carriers:	All carriers with gross annual flying revenues of \$400,000 and over which are not included in Groups I and II.
Group IV Carriers:	All carriers having gross annual flying revenues of \$60,000 and over but less than \$400,000, and, in addition, any carrier licensed to perform unit toll service with gross annual flying revenues under \$60,000.
Group V Carriers:	All carriers other than those licensed to perform unit toll service with gross annual flying revenues of less than \$60,000.

Air Cargo:	Air freight and air express.
Goods:	Air Cargo plus excess baggage and air mail.
Passenger Load Factors:	Ratio of revenue passenger-miles performed to available seat-miles.
Weight Load Factor:	Ratio of revenue ton-miles performed to available ton-miles.
Interline Traffic:	Passengers and goods received by a carrier either from foreign carriers (foreign interline) or from other Canadian carriers (domestic interline) or from other operating divisions of the same carrier (division interline).
International Services:	
Trans Border Services:	Services between Canada and the United States.
Southern Services:	Services between Canada and Bermuda, the Caribbean, Mexico or South America.
Trans Atlantic and Polar Services:	Services between Canada and Europe.
Pacific and Orient Services:	Services between Canada and points in the Pacific Ocean or the Orient.
