# OPERATING REVENUES, EXPENSES & STATISTICS RAILWAYS IN CANADA WITH ANNUAL OPERATING REVENUES OF \$500,000 OR OVER

NOVEMBER, 1936

Gross revenues of Canadian railways for November amounted to \$29,034,295 as against \$27,265,449 in 1935. This was an increase of \$1,768,845, or 6.5 per cent. Operating expenses increased by \$1,241,510 or 5.9 per cent, net operating revenues by \$527,335 and the operating income from \$5,247,962 in 1935 to \$5,883,729. Freight traffic was heavier by 5.0 per cent and passenger traffic by 5.6 per cent, but passenger receipts declined 0.6 per cent. Total pay roll increased from \$13,690,157 to \$13,742,485 and the average number of employees from 116,595 to 116,701.

For the eleven months, January-November, gross revenues were \$301,401,999 in 1936 and \$280,483,686 in 1935, operating expenses increased to \$259,044,822 from \$240,405,673 and the operating income increased to \$30,671,148 from \$29,195,262 in 1935.

CANADIAN NATIONAL RAILWAYS: Canadian lines increased their gross revenues from \$12,708,941 in 1935 to \$13,335,080 and operating expenses from \$10,957,846 to \$11,695,200. Despite the decrease in net revenue, larger hire of equipment credits raised the operating income from \$1,337,936 to \$1,435,121, or by \$97,185. Total pay roll, exclusive of \$7,839 for relief labour, amounted to \$7,569,306 as against \$7,514,405 in 1935. All four lines in the United States showed larger gross revenues, raising the system total to \$16,151,674 from \$15,247,705 in 1935. The Grand Trunk Western and Central Vermont railways showed lower operating incomes which considerably offset the improvements on the Canadian lines and the other two United States lines. The system operating income was \$1,675,790 as against \$1,667,992 in November, 1935.

For January-November the Canadian lines showed increased gross revenues but the operating income decreased from \$4,083,366 in 1935 to \$3,561,741. The United States lines showed the same results and, although the system gross revenues increased from \$158,170,619 to \$169,386,264, the operating income was reduced from \$5,784,203 to \$4,968,558.

CANADIAN PACIFIC RAILWAY COMPANY: With an increase in gross revenues of \$333,548, or from \$11,781,976 in Movember, 1935, to \$12,115,524, and in operating expenses of \$167,161, the net revenue increased by \$166,386 and the operating income by \$83,243, or from \$3,455,408 to \$3,538,651. Freight traffic showed only a slight increase in ton miles but freight revenues increased 4.3 per cent. Both passenger receipts and passenger miles recorded declines. Relief labourers averaged 777 and their pay roll was \$50,518.

For January-November gross revenues increased from \$117,586,646 in 1935 to \$126,318,081 and operating income from \$19,091,510 to \$19,769,303.
