OPERATING REVENUES, EXPENSES & STATISTICS

RAILWAYS IN CANADA

WITH ANNUAL OPERATING REVENUES OF \$500,000 OR OVER

For Twelve Months ended December 51, 1948.

NOT FOR LOAN
NE SEMPRUNTE PAS

A now all-time record for railway operating revenues was established in 1948 when the total reached \$866,548,950 compared with \$776,520,384 in 1947 and \$789,851,409, the previous high recorded in 1944. This maximum represents gains of \$90,028,566 or 11.6 p.c. over 1947 and \$76,697,541 or 9.7 p.c. above 1944, and is nearly 2.4 times the 1959 level and 2.6 times the 1958 revenues.

Operating expenses, however, exceeded the relative advance of revenues over 1947 jumping \$115,428,755 or 16.9 p.c. to a new high of \$798,474,125 compared with \$685,045,372 in 1947 and \$501,986,407 in 1939. Not operating revenue thus declined \$25,400,187 to \$68,074,825 as against \$93,475,012 in 1947.

Railway taxes were accrued at \$18,643,265, a drop of \$7,058,501 from the preceding year, while debits for hire of equipment and joint rents also eased. Operating income was \$54,911,327 compared to \$52,725,479 in 1947 and the high of \$158,696,605 in 1943.

Freight revenues were \$692,244,920, up 15 p.c. or \$90,222,537 from 1947, while townage of revenue freight increased only 488,844 tons or 0.3 p.c. and ton mileage receded 1.8 p.c. Passenger revenues were off 4.9 p.c. at \$82,886,594 compared with \$87,128,485 and revenue passengers carried numbered 35,655,239, down 6.5 p.c. or 2,467,532 from the previous year. A decline of 6.8 p.c. was experienced in passenger mileage although the average journey was little changed at 96.7 miles against 97.0 miles in 1947. Mail revenue was up 5.8 p.c. and express improved 7.8 p.c. or \$2,539,717 over the preceding year.

Maintenance charges on way and structures and equipment were \$550,241,000 during 1948, an increase of \$55,592,000 over 1947. Transportation expenses rose \$55,706,476 to nearly \$400 million or by 16.2 p.c., while all other operating accounts increased considerably in the face of salary advances.

Total pay roll was by far the highest on record at \$486,752,907, up. 177,488,589 or 18.9 p.c. over 1947. Employees increased from 175,078 to 178,549 or by 5 p.c. Average earnings were \$2,729.10 against \$2,564.51, up 15.4 p.c. A total of \$444,804,775 in pay roll was charged to railway operations against \$385,555,091 in 1947 and includes retroactive pay not shown in monthly reports to the amount of \$11,616,683 while total pay roll included \$29,085,087.

Freight revenue per freight train mile averaged \$8.36 against \$7.36 in 1947 while receipts per revenue ton mile averaged 1.176 cents compared with 1.004 cents one year earlier.

In other words, Canadism railways received just over 1.17 cents during 1948 for moving a ton of freight one mile whareas Class 1, U.S. lines, earned 1.25 cents. The December, 1948, comparison shows 1.218 cents for Camada and 1.512 cents for the United States. Average revenue per passenger mile was 2.404 cents during 1948 compared with 2.56 cents on United States lines.

CANADIAN NATIONAL RATIWAYS: Operating revenues totalled \$422,544,985 - a new high - up 12 p.c. or nearly \$45,240,000 over 1947, while expenses advanced \$61,119,276 or 17.6 p.c. to a record \$408,021,042. Net operating revenue was down from \$30,403,529 to \$14,523,941. Lower debits on hire of equipment offset an increase of \$1,015,954 in taxes, and operating income was \$5,064,024 against \$20,647,545 in 1947, a drop of over \$15,583,000. Freight revenues rose 15 p.c. or by \$45,259,858 to \$532,461,517 for the year. Tomage was down 1.1 p.c. at 70,698,916 tons, while ton mileage was up slightly. Passenger revenues declined 5.2 p.c. or by \$1,268,572 to \$58,555,991, but all other accounts registered improvement with express receipts up 10.1 p.c. or \$2,116,365. Maintenance of way and structure charges were \$74,948,397, an increase of \$9,455,588 over the 1947 outlay and maintenance of equipment required \$86,850,257 or \$17,177,153 more than in the preceding year. Transportation expenses were \$214,700,659 on Canadian lines, up \$51,584,000. The number of revenue passengers carried during the year was 18,802,599, a decline of 5.2 p.c. with average journey 86 miles against 85 in 1947. Total pay roll reached \$267,284,875, a gain of \$45,786,909 or 19.6 p.c. over 1947 payments, while employees numbering 100,205 were up 2.7 p.c. A more efficient use of freight cars is indicated by the reduction in empty car mileage of 5.5 p.c., whereas loaded car miles increased slightly. The 12 month summary for the combined Canadian and U.S. lines of the system shows operating revenues at \$491,269,950 compared with \$438,197,980 in 1947. Operating expenses rose from \$597,122,607 to \$464,759,970 and operating income was \$10,175,630 compared with \$23,710,623 one year earlier. The operating income for the United States lines at \$5,111,606 exceeded that of the entire Canadian system, which was \$5,064,024. Operating income at \$10,175,630 was far from sufficient to cover fixed charges for interest which require some \$444,000,000 annually.

CANADTAN PACIFIC RAILWAY COMPANY: Revenues reported for 1948 totalled \$555,249,702, a gain of \$34,026,605 or 10.5 p.c. over 1947. Operating expenses increased by \$46,657,561 or 16.7 p.c. to a bigh of \$356,178,558. Despite record revenues, net operating revenues were only \$29,071,346 compared with \$41,702,504 in 1947. Tax accrains, however, were halved representing a reduction of \$8,148,490 and operating income which had been \$22,892,186 in 1947 recoded to \$18,419,166. Interest and amortization requirements of some \$13,000,000 left a relatively small amount for other deductions and for dividends from railway operations. Freight revenues rose \$36,037,482 or 14.4 p.c. from 1947 at \$285,904,550 with tonnage carried up 1.7 p.c. or 1,002,286 tons to 60,056,855 tons. Ton mileage decreased 5.8 p.c. Revenue passenger traffic was down 6.9 p.c. at 15,629,044 passengers compared with 14,656,555, and revenues dropped from \$59,906,621 to \$57,848,138 or by 5.2 p.c. Mail, express and water line revenues improved over 1947. All expense accounts showed appreciable advances. Maintenance of way and structures climbed \$15,590,215 to \$68,366,870, up 24.8 p.c., while maintenance of equipment charged rose by \$10,255,255 to \$72,520,498, a 16.4 p.c. increase. Transportation expenses were some \$20,116,000 heavier at \$154,066,982, up 15 p.c. Freight train and passenger train mileage both increased over 1947, but loaded and empty freight car mileage decreased 2 p.c. and 2.8 p.c. respectively. Total pay roll, including retroactive pay, was a record \$190,502,084, up \$50,808,821 or 19.4 p.c. from the preceding year, while the number of employees at 67,906 rose 2,496 or 5.8 p.c. Average earnings were nearly \$2,805 against \$2,438 in 1947, a 15 p.c. gain.
