OPERATING REVENUES, EXPENSES & STATISTICS RAILWAYS IN CANADA

WITH ANNUAL OPERATING REVENUES OF

\$500,000 OR OVER

APRIL, 1948

Canadian railways reported operating revenues of \$70,841,830 for April, an increase of \$6,928,325 or 10.8 one month on record, that of July 1945 at \$70,915,046. Freight revenue, reflecting the rate increase authorized early in the month rose from \$50,264,762 to a new maximum of \$57,528,004 or 14.4 p.c. over the previous April while the volume of freight carried was off slightly in the same comparison from 15,842,656 to 13,757,759 tons.

Passenger revenues resumed the decline from the similar month of 1947 at \$6,098,494, off 8.2 p.c. Mail and express accounts were up 7.9 and 5.3 p.c. respectively with express revenues increasing nearly \$137,000 over April, 1947.

An encouraging feature of the month was that the increase in operating expenses did not exceed that in operating revenues. The operating expense account rose from \$55,583,574 in April last year to \$61,569,236 or by \$5,985,662, up also 10.8 p.c. Maintenance expenditures were \$2,648,148 heavier at \$25,059,447 while transportation rose \$2,835,066 to \$30,948,249, an increase of over 10 p.c.

As a result of improved revenues, and reductions in tax accruals, hire of equipment and rental of joint facilities, operating income showed an advance of \$1,210,282 over the same period of 1947 at \$5,538,910 against \$4,328,628.

Revenue freight carried during the month was down 0.6 p.c. from the preceding April at 13,757,759 tons while total revenue freight ton miles decreased 5.8 p.c. The number of revenue passengers transported dropped 14.7 p.c. or by 485,045 to 2,821,333, but the average passenger journey increased from 84 to 85 miles. The mileage covered by empty freight cars was reduced sharply from the previous April, a saving of 16.1 p.c. or over 15,820,000 miles having been effected.

Total operating pay roll was \$35,269,846 for the month compared with \$50,750,176 one year earlier, an increase of 8.3 p.c., whereas the mmber of employees rose less than 4 p.c. The ratio of operating expenses to revenues improved slightly at 86.91 p.c. against 86.97 p.c. in April of 1947.

CANADIAN NATIONAL RAILWAYS: Considerable betterment on Canadian lines was shown over April, 1947 in all revenue accounts except passenger. Freight revenues were \$28,927,000, an advance of \$4,591,000 or 18.9 p.c. over the same month of the preceding year, while mail, express and other train revenues improved. The decline in passenger receipts was about \$290,000 or 9.5 p.c. at \$2,776,700 for the month. Total operating revenues were a record for the month at \$35,628,500 compared with \$31,094,500 one year earlier, a gain of 14.6 p.c. Operating expenses continued to advence with maintenance of way and structures up \$708,849 and of equipment up \$1,179,697 or by 19.5 p.c. Transportation expenses reached \$16,628,617 compared with \$15,026,534 one year earlier, an increase of 10.7 p.c. Total operating expenses were \$51,984,948 against \$28,269,860, up 13.1 p.c. Tax accruals were \$119,348 heavier at \$568,682 but hire of equipment declined \$294,689 to \$254,116. As a result, operating income improved from \$1,828,396 in April, 1947 to \$2,841,490 or by \$1,015,094. Tons of revenue freight carried showed a decline of 4.7 p.c. to 5,781,076 tons against 6,068,979 one year earlier. Revenue passengers at 1,511,045 for the mouth under review were 258,019 or 14.6 p.c. less than carried in April of 1947 when Easter passengers at 1,511,045 for the month under review were 258,019 or 14.5 p.c. less than carried in April of 1947 when Easter travel was confined to that month. Passenger movement in March this year had shown improvement over the previous March due to the effect of the movable holidays. Average passenger journey was 75 miles compared with 72 in April, 1947. Empty freight car mileage decreased by 20 p.c. or 9,542,322 miles. Operating pay roll aggregated \$18,354,355, up 11.0 p.c. over the same month of last year, while employees increased modarately by 5.5 p.c. United States lines of the system registered a larger increase in expenses than in revenues during the month and net operating revenue was down from \$952,360 in April, 1947 to \$521,445. Consequently, operating income showed a deficit of \$148,148 against a credit of \$251,306 in the preceding April.

For the first four months Canadian lines had an operating income surplus of \$74,725 compared with \$2,594,896 in the same period of 1947, but American lines accumulated an operating deficit of \$110,683 against a credit of \$1,051,552.

The net result for the entire system was a deficit of \$55,958 without meeting interest and other charges, compared with a credit of \$5,646,448 to the end of April last year.

CANADIAN FACIFIC RAILWAY COMPANY: Freight revenue improved 7.1 p.c. or \$1,459,128 over April, 1947 at \$22,088,621 contrasting with a decline of 7.5 p.c. or \$225,001 in passenger revenue. Mail, express and other passenger train receipts improved but water line and miscellaneous revenues were down considerably. Total operating revenues showed an increase of \$1,776,528 or 4.1 p.c. at \$27,520,495 against \$26,444,167 one year earlier. Maintenance expenditures rose \$607,655 and transportation \$966,744 with the total operating expenses reaching \$24,547,952, an advance of \$1,792,192 or An easing of \$549,694 was experienced in tax accruals while hire of equipment was down \$47,852 from the previous April. However, operating income was reduced from \$1,754,871 to \$1,523,564 or by \$411,507. Tons of revenue freight carried was down less than 1 p.c. at 4,650,100 but revenue passengers were off 15.1 p.c. at 1,065,289 compared with 1,252,153 one year ago. Average passenger journey was unchanged at 99 miles. Empty freight car miles were 15.7 p.c. lighter, a saving of 5,759,083 miles. Operating pay roll was up \$610,526 or by 5 p.c. to \$12,798,172. Due to the sharper rise in operating expenses, the ratio of operating expenses to revenues narrowed from 86.05 p.c. in April of 1947 to 88.20 p.c. in the month under review.

In the first four months C.P.R. revenues were \$105,078,883 against \$98,551,548 one year earlier, while expenses rose from \$89,541,957 to \$96,942,172 and operating income declined from \$5,010,586 to \$2,658,849.
