OPERATING REVENUES, EXPENSES & STATISTICS
RAILWAYS IN CANADA

WITH ANNUAL OPERATING REVENUES OF \$500,000 OR OVER

DECEMBER, 1950

With all revenue accounts posting gains over the previous December, railway operating revenues reached a new record for the month of \$84,544,191, an increase of \$8,060,802 or 10.6 p.c. over the same month of 1949 and compare with the previous high of \$77,483,353 in December of 1940. The current total is more than double the \$40,220,659 reported for December of 1940. Operating expenses for the reporting lines at \$72,756,553 advanced \$6,238,067 or 9.4 p.c. over the corresponding period of 1949 when the revised total was \$66,518,466. The present aggregate is likewise a new record for December expenditures.

With improved net operating revenues, railway tax accruals mounted by \$860,142 to \$2,767,441 for the month. Hire of equipment debits were reduced \$326,730 to \$1,012,236 but joint facilities rents rose \$30,148 to \$75,597. The resulting operating income for December was \$7,732,384, an advance of \$1,259,175 or 19.5 p.c. over the preceding December and is the best for the month since 1945.

Freight revenues totalled an impressive \$64,836,417 for December, up \$6,064,964 or 10.3 p.c. over one year earlier, passenger fares improved 5.1 p.c. or \$227,225 to \$7,502,266. Mail earnings, bolstered by back pay credits and increased mail pay, rose \$677,001 to \$1,697,316. Express receipts advanced 2.9 p.c. or \$107,063 and totalled \$3,749,109 for the month under review. Other passenger train earnings gained 5 p.c. over December of 1949. Water line receipts, greatly advanced on the Algoma Central, gained \$120,247 to \$168,841. The miscellaneous 'all other' account rose 17.3 p.c. or \$826,358 to \$5,598,176.

Most expenses were also heavier with maintenance of equipment climbing 26.5 p.c. or \$3,579,549 to \$17,095,547 for the month. Way and structures maintenance eased 1.7 p.c. or \$200,456 to \$11,854,260. Traffic charges increased nearly \$200,000, while transportation required \$37,464,577 or 8.6 p.c. more than in December of 1949 due to higher wage scales. Miscellaneous declined 50.3 p.c. or \$532,301 to \$1,196,237 but general accounts rose 6.6 p.c. or \$218,523 at \$3,510,328.

Gains were general among the items measuring the volume of operations. Revenue freight carried during the month by the reporting reilways totalled 13,589,158 tons, up 9.3 p.c. or 1,155,997 tons over December, 1949, while ton miles rose 14 p.c., with average haul at 382 miles against 366 miles one year earlier. Passengers numbered 7.4 p.c. fewer at 2,579,834 but mileage dropped only 1.5 p.c. as average journey was 101 miles compared with 95 miles for the previous December. Loaded freight car mileage rose 11.2 p.c. and empty mileage 5.7 p.c. Freight car supply was tight. Total payroll for the month was \$43,707,978 going to 184,894 employees compared with \$42,191,185 for 179,109 employees in December, 1949. Payroll thus increased 3.6 p.c. and employees 5.2 p.c. However, payroll chargeable to railway operating expenses rose 9.2 p.c. or by \$3,539,515 to total \$42,196,769 including some back pay. Average freight receipt per revenue ton mile was 1,249 cents against 1.291 cents one year earlier as the volume of primary products moved rose appreciably. Passenger receipt per mile was up from 2.754 to 2.877 cents.

CANADIAN NATIONAL RAILWAYS: Canadian lines showed operating revenues of \$45,456,247 for December, a gain of \$5,819,918 or 9.6 p.c. over the similar period of 1949, and include the Newfoundland and the Temiscouata roads. This is a new record for the period and 2.14 times the same month of 1940. Operating expenses, however, increased more than revenues to total \$59,816,236, up \$4,046,924 or 11.5 p.c. above December, 1949. Tax accruals were \$197,605 heavier at \$584,417 and hire of equipment cost \$294,217 more at \$391,187. Operating income for the month was thus \$2,678,711 compered with \$5,457,262 in December, 1949, and \$4,546,515 in 1948.

Revenues from freight improved 8.3 p.c. to \$32,103,415 but revenue ton mileage rose 12.5 p.c. Passenger receipts gained 6.8 p.c. or \$240,860 at \$5,802,854 despite a drop of 8.9 p.c. in numbers carried. Passenger mileage was little changed. Other revenue accounts posted good gains. Maintenance of equipment charges were greatly increased, up 37.3 p.c. or \$2,557,104 to total \$3,410,768 while transportation took \$21,069,974, an advance of 11.8 p.c. Miscellaneous and general expenses were pared considerably. Total payroll was up 1.8 p.c., while employees numbered 4.4 p.c. more.

The United States lines of the System brought a credit of \$684,560 for the month in operating income and the System total was \$3,363,271 compared with \$4,348,867 one year earlier and \$4,845,822 in the closing month of 1948.

CANADIAN PACIFIC RAILWAY COMPANY: Decided improvement was shown in December when operating revenues increased to \$53,821,669 to post a gain of 12.3 p.c. or \$3,705,818 over the corresponding month of 1949. Expenses were restricted to an advance of \$1,447,217 or 5.6 p.c. to reach \$27,443,048. Tax accruels required \$1,458,303 or \$408,432 more while hire of equipment and rents also increased. The resulting operating income was \$4,858,790, up \$1,743,117 over December, 1949, and is the best showing for the month since 1943. Freight earnings rose 13.0 p.c. or \$3,254,234 to \$26,893,901 while passenger receipts were nearly maintained. Mail revenue with back pay credits was more than double at \$1,014,581. Express eased 5.8 p.c., as did other passenger train receipts, but water line was much better.

Expense accounts, reflecting higher wage and material costs, were generally heavier. Maintenance of equipment rose 6.3 p.c. to \$6,494,513. Transportation required \$645,310 more at \$13,686,810, an increase of 4.9 p.c. General expenses were much larger.

Revenue freight carried was up 8.2 p.c. in tomnage and 16.5 p.c. in ton miles. Passengers carried elipped 5.8 p.c., and their mileage logged by 2 p.c. Empty freight car mileage rose 14.5 p.c. or 4,556,000 miles while loaded mileage was up 11 p.c. or 7,572,000 miles.

Payroll increased to \$16,493,507, a gain of 3.8 p.c. or \$609,446 above December, 1949, and employees numbered 382 more at 67,475.

The twelve months summary will follow shortly.
