PERATING REVENUES, EXPENSES & STATISTICS RAILWAYS IN CANADA WITH ANNUAL OPERATING REVENUES OF

\$500,000 OR OVER

JUNE, 1951

Operating revenues as reported by the leading Canadian railways for June continued steadily ahead of previous years to reach a record of \$91,612,982 for a gain of 13 p.c. or \$10,559,265 over the \$81,055,717 gathered in June last year. In the comparable month of 1941 revenues were only \$44,817,003 or less than half the current peak. Expenses were even more budyant increasing to \$81,832,501 this June for a rise of \$11,848,942 or 16.9 p.c. above the corresponding period of 1950 and compare with only \$52,121,970 ten years earlier. The rising costs of providing efficient rail service have necessitated recurrent applications for commensurate rate increases over the period. Tax accruals required a larger portion of a reduced operating net, advancing \$897,798 or 56,4 p.c. over June, 1950 to total \$2,488,954. Dent on equipment hire was up \$282,702 to \$1,202,617 while joint rentals were \$51,113 greater this year at \$217,885. The resulting operating income for the month was \$5,971,025 compared with \$8,572,515 for the preceding June, but reflects favourably with \$92,625 in 1949 and the deficit of \$5,421,582 shown for June of 1948.

All revenue accounts, except other passenger train, were considerably higher this June. Freight receipts improved 12.6 p.c. or \$8,088,438 to \$72,507,164 on the strength of an increase of no less than 22.8 p.c. in revenue ton miles. Passenger fares at \$8,397,571 rose \$1,027,329 or 15.9 p.c. A decline of 6 p.c. in numbers was offset by an advance of 11.2 p.c. in passenger mileage. Mail earnings increased 21.6 p.c. or \$164,557 while express gained \$545,130 to \$5,666,429, a betterment of 10.4 p.c. Water line and miscallaneous receipts registered gains of 19.5 and 23.5 p.c. respectively.

Reflecting the first month of the forty-hour five-day work week and increased wage schedules, all operating expense accounts were heavier this June. Maintenance of way and structures required \$19,458,250 or \$5,525,575 more, while equipment took \$18,270,550, up 16.5 p.c. or \$2,593,212. Traffic expenses rose 6.6 p.c., and transportation climbed to a record \$37,271,925 for an increase of 16.9 p.c. or \$5,580,914 above the previous June. Miscellaneous advanced 10.7 p.c., and general expenses 9 p.c. Improvement was shown in freight car utilization with loaded car miles up 12,208,157 to 192,521,755 miles. Empty mileage rose 10 p.c. to 79,459,255 miles. Total payroll for the month crossed the \$50 million mark for the first time in Canadian reilway history. The total distributed at \$50,015,658 advanced 18.4 p.c. or \$7,765,675 above June of 1950 and was more than 2.5 times the payroll of June, 1941. Employees numbered 194,460, an increase of 12,571 or 6.9 p.c. above the preceding June and compare with 145,799 ten years earlier. Average operating expenses per train mile were \$7.52 against \$6.60 one year earlier, an increase of 10.9 p.c. Length of average revenue freight haul advanced from 554 miles in June, 1950 to 555 miles and average passenger journey was 20 miles longer at 129 miles. Average freight receipt per revenue ton mile was down from 1.45 to 1.55 cents as a larger volume of primary products was moved. Passenger receipts improved from 2.751 to 2.818 cents per mile.

The half year totals for all railways show a gain of \$6,512,646 in operating income to \$24,828,575 compared with \$18,515,927 to the and of June, 1950, and a loss of \$1,401,527 in the similar period of 1949. The previous high for the first six months was in 1945 when an operating income of \$53,552,324 was reported.

CAMADIAN NATIONAL RAILWAYS: The Canadian lines earned \$46,470,400 during June, an increase of 11.5 or \$4,787,800 over June last year. Expenses advanced more sharply from \$56,270,558 to \$42,445,055, up 17 p.c. or \$6,172,497 resulting in reduced net operating revenues. Tax accruals were \$84,688 heavier at \$704,775 while hire of equipment rose \$42,891 to \$400,597 and rental credits were pared \$9,586 to \$4,416. Operating income, which had been \$4,448,275 for the previous June, was clipped to \$2,926,411 but compares favourably with losses in the same month of 1949 and 1948 of \$656,405 and \$151,919 respectively. Freight transportation earned \$55,980,000 during the month under review, up 9.5 p.c. over June 1950. Passenger fares gained 18 p.c. or \$647,400 to \$4,240,200. Mail improved 20.8 p.c. and express 15.1 p.c. Other passenger train receipts eased slightly but the miscallaneous account was \$700,214 better at \$2,725,286. All expense accounts were greater this June. Maintenance of way and structures rose 22.7 p.c., and equipment 14.4 p.c. Transportation charges were up 17 p.c. or \$2,976,188 to \$20,515,757. Operating statistics show an increase of 14.8 p.c. in revenue freight tonnage and 18.2 p.c. in ton miles. Passengers were dwn \$.3 p.c. from June, 1950, but their mileage carried was 15.4 p.c. better as average journey was up to 116 miles from 94 miles one year earlier. Canadian National Railways payroll was an impressive \$27,882,175 for an advance of 17.5 p.c., while employees increased 7.1 p.c. or 7,501 to 110,022.

System summaries show United States lines with operating income of \$509,727 for the month against \$421,101 for the preceding June. In the half year, operating income for the entire system was \$9,904,665 compared with \$7,580,605 in the same period last year and a loss of \$7,014,115 in 1949. Of the current income, Canadian lines supplied \$6,656,795 against \$4,626,219 to the end of June, 1950.

CAMADIAN PACIFIC RAILMAY COMPANI: Despite heavier traffic, June expenses climbed faster than revenues. Total operating revenues reached a record \$56,458,488 for a gain of 12.7 p.c. or \$4,115,844 over the previous June but expenses jumped 17.9 p.c. or \$5,029,021 to \$55,200,164. In addition, tax accruals were up \$593,706 to \$1,155,000, hire of equipment dropped from a credit of \$159,222 to a debit of \$51,027 and rents were increased \$8,884 to \$140,889. Operating income at \$1,955,408 was reduced from \$5,459,424 in June of 1950 but compares with \$511,055 in the same period of 1949, and a loss of \$4,106,939 in June, 1948. Freight revenues rose 14.1 p.c., and revenue ton miles 29.8 p.c. over the previous June. Passengers were down 5.1 p.c. in number but travalled 9.5 p.c. farther. Payroll was up 19.1 p.c. to \$19,104,040 for the month and employment increased 7.7 p.c. or by 5,505 to 75,880 employees.

For the first six months, the Yardstick line had an operating income of \$11,680,597 against \$9,148,249 last year, \$2,988,545 in 1949 and a loss of \$165,605 to the end of June, 1948. The recent increase in freight rates should help to maintain a better belance between rising costs and revenues in the last half of the year.
