STATISTIQUE CANADA CAMADA 20-4140 OPERATING REVENUES, EXPENSES & STATISTICS A94 19 1007 RAILWAYS IN CANADA Limited & Y WITH ANNUAL OPERATING REVENUES OF BIELIOTHÈQUE \$500,000 OR OVER

AUGUST, 1951

More traffic, more revenue, heavier expenses and less profit summarize August railway operations as compared with the corresponding month of 1950 which included the nine-day national strike. Operating revenues this year were a record \$93,816,971, some 44.6 p.c. or \$28,952,865 above August of last year while expenses jumped 52.7 p.c. or \$29,700,847 to \$86,105,922 which is also a new peak for the period. Tax accruals, reflecting a lower net, dropped \$542,788 to \$2,084,975. Hire of equipment rose \$319,611 to \$1,377,096 and joint rentals \$36,681 to \$217,824. The resulting operating income for the month was \$4,031,154 down \$561,486 from the \$4,592,640 reported for the strike-affected similar month of 1950.

The eight months summary shows all railways with operating income of \$33,574,628 compared with \$31,659,671 one year earlier, a betterment of 6 p.c.

All revenue accounts were much improved but comparisons with August last year are vitiated somewhat by the strike and against which must be considered the shorter work and loading week in vogue this August as well as freight rate and other increases in the interim. Freight earnings rose nearly 45 p.c. or \$22,699,123 to \$73,239,448. Passenger receipts improved 48.5 p.c. to \$9,450,355 and mail 20.8 to \$1,078,540. Express gained \$1,661,263 or 81.9 p.c. to \$3,688,737 while other accounts were appreciably better. Besides the strike, the advance in expenses reflected wage and material hikes as well as the introduction of the forty-hour week and increased employment. All expense accounts were considerably heavier. Maintenance of way and structures required \$20,230,396 up 62.9 p.c., equipment maintenance jumped 61.1 p.c. to \$18,981,102 and transportation 52 p.c. or \$13,625,519 to \$39,807,367. Miscellaneous charges rose 46.6 p.c. or \$512,354 and general \$425,563 or 12.6 p.c.

Revenue freight carried at 15,404,337 tons compares with 11,001,141 tons one year earlier for a 40 p.c. gain, and 13,058,612 tons in August, 1949. Revenue ton miles were up 55.9 p.c. to 5,404,558,000 as average haul rose 36 miles to 351. Fare passengers improved 26.7 p.c. from 2,022,359 to 2,563,064 but were down from 3,083,608 reported in the same month of 1949. Passenger mileage increased 44 p.c. over 1950 to 334,531,000 miles and compares with 347,221,000 miles in August of 1949. Average journey was 131 miles in the month under review against 115 miles one year earlier, and 113 in 1949.

Total payroll was a record \$54,110,185, up \$19,710,252 or 57.3 p.c. over the preceding August while employees gained 18,056 or 9.7 p.c. in numbers to average 203,273. Tonnage per freight car mile at 31.2 tons was up from 28.7. Average receipt per revenue ton mile dropped from 1.458 to 1.355 cents with the larger volume of primary products carried. Passenger receipts were better at 2.825 cents against 2.739 cents per mile in the previous August.

CANADIAN NATIONAL RAILWAYS: Canadian lines showed operating revenues of \$48,777,400 for August, an increase of 53.8 p.c. or \$17,065,100 over the strike-influenced corresponding month of 1950. All earnings were considerably advanced with freight up 52.2 p.c. or \$12,866,000, and passenger \$1,917,700 or 67.1 p.c. Expenses did not increase as much as revenues, the total at \$45,173,336, rising \$15,454,102 or 52 p.c. Tax accruals eased \$208,685 to \$462,183 but htree of equipment took \$120,687 more and joint rents \$14,858 above the previous August. Operating income at \$2,605,218 posted a gain of \$1,684,138 over the \$921,080 reported one year earlier. The loss of \$237,969 on United States lines brought the System income to \$2,367,249 compared with \$1,577,779 in August, 1950.

For the first eight months System operating income was \$14,143,629 against \$13,720,015 in the same period last year and a loss of 795,592 in 1949. Canadian lines this year improved \$2,447,715 to \$11,799,990 while U. S. lines dropped from \$4,367,740 in 1950 to an \$8,795,592 in 1949. operating income of \$2,343,639 to the end of August in the current year.

Canadian lines carried 6,782,649 tons of revenue freight during August, up 50.4 p.c. while ton miles rose 65.9 p.c. over the corresponding period last year. Passengers numbered 31 p.c. or 332,308 more at 1,404,489 and passenger mileage advanced 56.8 p.c. Payroll for the month was an impressive \$30,422,652 going to 116,328 employees against \$19,079,052 to 106,008 employees in the previous August. Payroll thus rose 59.5 p.c.and employment 9.7 p.c.

CANADIAN PACIFIC RAILWAY COMPANY: Expense increases outran revenue advances for the yardstick line. Operating revenues gained \$10,541,772 or 41 p.c. over the previous August to total \$36,261,339 but expenses were \$13,204,485 or 61.4 p.c. heavier this August at \$34,723,068. Net operating revenue thus dropped from \$4,200,984 to \$1,538,271, indicating oddly enough that the line did better financially when a 9-day strike occurred than in a month of record activity.

Tax accruals were \$374,214 lower this year at \$1,133,000 but hire of equipment declined from a credit of \$124,560 to a debit of \$3,433 and joint facilities rents were up \$19,999 to \$143,929. Operating income shrank from \$2,694,400 to \$257,909. This compares with \$1,597,773 in August 1949. \$1,912,743 in 1948 and \$1,262.078 in August of 1947. The current figure is the smallest income for any peacetime August since monthly records were first published in the early twenties.

Freight earnings improved nearly 45 p.c. and tonnage carried 50 p.c. over the previous August. Passenger fares were 38 p.c. better passenger mileage rose 39.1 p.c. Mail receipts were down due to the inclusion of retroactive pay in the preceding August but all and passenger mileage rose 39.1 p.c. other accounts showed good gains. Maintenance of way and structures took \$9,208,589 or \$4,377,872 above August of 1950 and equipment charges rose \$3,304,369 to \$7,468,674. Transportation required \$14,828,670, an advance of 51.6 p.c. or \$5,045,740.

Total payroll at \$20,570,809 for 76,390 employees compared with \$12,839,487 going to 68,648 one year earlier for increases of 60.2 p.c. and 11.4 p.c. respectively.

Cumulative totals for the first eight months show revenues at a record \$279,033,453 compared with \$236,201,578 in the similar period of 1950. Expenses rose from \$213,226,624 to \$253,675,917. C.P.H. operating income at \$13,083,308 to the end of August registered a decline of \$2,601,448 from last year but is more than double the same eight months of 1949 at \$6,287,609.
