SUMMARY OF CANAL STATISTICS

October, 1958

Freight tonnage cleared through Canadian canals in October was down by 1 per cent, dropping to 4,636,589 tons from 4,683,057 in October 1957. Decreased freight traffic was recorded at the Sault Ste. Marie canal, Welland Ship and five of the smaller canals, with increased volumes of wheat, barley and flaxseed only partially offsetting reduced shipments of bituminous coal and iron ore. Vessel passages rose to 3,704 from 3,623 while registered net tonnage declined to 4,045,898 tons from 4,083,979. Pleasure craft lockages increased by 12 to 1,516 while the number of passengers in vessels locked through the canals increased to 1,412 from 230.

Sault Ste. Marie Canals - Canadian and United States Locks:

Total freight shipped through the combined system this October dropped to 11,847,518 tons from 14,350,475 in October 1957, with tonnage through the Canadian lock declining to 162,447 tons from 275,449. Primary reason for the combined decrease was a drop in east bound shipments of iron ore to 8,773,620 tons from 11,330,180. West bound shipments of bituminous coal were also down dropping to 1,009,200 tons from 1,132,994. A total of 2,287 vessels aggregating 9,885,404 registered net tons moved through the canals this October as compared with 2,626 vessels aggregating 11,874,880 tons in October last year.

Welland Ship Canal:

The volume of freight cleared through the Welland Ship Canal totalled 2,694,603 tons, 0.6 per cent below the 2,711,955 tons carried in October 1957. Cargoes of bituminous coal fell to 484,059 tons from 563,222, iron ore to 530,647 tons from 653,473 and crude petroleum to 57,653 tons from 122,647. Shipments of wheat, on the other hand increased to 464,798 tons from 258,609, flaxseed to 107,890 tons from 59,655, other manufactured products to 133,049 tons from 87,589 and other freight to 296,023 tons from 186,323. Vessel passages decreased to 1,084 from 1,152 and registered net tonnage to 2,345,305 tons from 2,376,207.

St. Lawrence Canals:

Total freight transported through the St. Lawrence canals during October amounted to 1,636,039 tons compared with 1,565,108 in October 1957, a gain of 70,931 tons or 4.5 per cent. Although tonnages of a number of commodities including barley, bituminous coal and iron ore were lower than in the previous October, an overall increase was recorded as wheat shipments rose to 335,094 tons from 214,227, corn to 49,414 tons from 24,066, barley to 88,922 tons from 60,719 and other freight to 282,855 tons from 235,016. During the month a total of 1,564 vessels of 1,223,576 registered net tons passed through the system as against 1,404 vessels of 1,079,967 net tons in October 1957.

Prepared in the Transportation and Public Utilities Section, Public Finance and Transportation Division.

⁽ Exclusive of 543 paying passengers on sight seeing pleasure boat cruises.

⁽ Exclusive of1,316 passengers carried in pleasance trait.

^{(2) 181} passengers carried in pleasure craft.

^{(3) 1,851} passengers carried in small boats.

One passenger through one lock station recorded as "1".

One pleasure craft through one lock station recorded as "1".
