Vol.3 No. 2

June — 1973 — Juin

TONNAGE OF CARGO LOADED AND UNLOADED
AT CANADIAN PORTS,
1971 AND 1972 — PRELIMINARY

This bulletin represents a preview of 1972 shipping statistics which are due for publication later this year. The attached table gives totals of tons loaded and unloaded at Canadian ports during the years 1971 and 1972 in both International and Domestic shipping. The figures represent short tonnages (i.e. 2,000 lbs.). The ports listed are those included in the Annual Publications, "Shipping Report Part II and Part III".

The following should be noted in analysing the attached table:

- (1) The statistics are compiled from reports submitted by operators to the collector of Customs and Excise.
- (2) Transshipment, i.e. cargo moved from one vessel to another within a port, are excluded.
- (3) Intra-port movement, i.e. movement of cargo within port boundaries, are excluded.

For further information please contact Mr. D. Chartrand, of the Water Transport Unit. (613-996-4285)

5-3502-542

TONNES DE MARCHANDISES EMBARQUÉES ET DÉBARQUÉES
AUX PORTS DU CANADA,
1971 ET 1972 — DONNÉES PROVISOIRES

Le présent bulletin donne un aperçu de la statistique du transport maritime de 1972 qui sera publiée au cours de l'année. Le tableau ci-joint donne le nombre total de tonnes de marchandises embarquées et débarquées aux ports du Canada en 1971 et en 1972 dans le cadre de la navigation nationale et internationale. Les données sont présentées en tonnes courtes (c.-à.-d. 2,000 livres). La liste des ports est identique à celle des bulletins; annuels, "Transport Maritime: Partie II et Partie III"

On fera bien de tenir compte des remarques qui suivent pour l'analyse du tableau ci-joint:

- (1) Les statistiques sont fondées sur les déclarations des exploitants aux receveurs des douanes et accise.
- (2) Les transbordements, c'est-à-dire les mouvements de marchandises d'un navire à un autre à l'intérieur d'un même port ne sont pas compris.
- (3) Les mouvements de marchandises à l'intérieur d'un même port ne sont pas compris.

Pour plus de renseignements, s'adresser à M. D. Chartrand, Section du transport par eau (613-996-4285).
