#### BANK DEBITS TO INDIVIDUAL ACCOUNTS

or

### Amount of Cheques Charged against Bank Accounts at the Clearing House Centres, March, 1930

Financial transfers in the form of bank debits charged against deposits at the branches of the chartered banks in the clearing house centres of Canada amounted to \$3,092,000,000 during March, a decline of 22.3 p.c. from the same month of last year. Judged by transactions on the Montreal stock exchange, the number of shares traded in March were slightly less than half the totals for March, 1929, and business operations were also at a considerably lower level. Debits in Montreal at \$1,032,000,-000 were 26.7 p.c. less than in the same month of 1929, and debits in Toronto showed a drop of 19 p.c.

After adjustment for seasonal tendencies, the decline in the aggregate debits for the Dominion from the levels of the preceding month was 1.7 p.c. Among the larger clearing centres, the debits of Montreal and Toronto, after adjustment, showed gains of 17 p.c. and 22 p.c., respectively. Winnipeg and Vancouver, on the other hand, experienced declines of 22 p.c. and 7 p.c.

During the first quarter, each of the five economic areas showed declines of considerable proportions from the levels of the same period of last year, the decrease in the Dominion total being 20.8 p.c. The Maritime Provinces showed a drop of 12.5 p.c. When compared with the active period of the first three months of 1929, Quebec and Ontario showed declines of 16.7 p.c. and 18.8 p.c., respectively. The total for the Prairie Provinces at \$1,469,000,000 was down 10.6 p.c., while British Columbia showed a decrease of 23.2 p.c.

#### Comparison with March, 1929

Mioncton was the only centre in the Maritime Provinces showing an increase in March over the same month of 1929, the net result for the three centres being a decline of 16.8 p.c.

Decreases were general in the three centres of the province of Quebec, the decline in Montreal amounting to nearly 27 p.c. The aggregate for the three centres at \$1,095,000,000 was down 27.4 p.c.

London and Sarnia were the only centres in Ontario showing gains in debits in this comparison. The decrease in Toronto was 19 p.c., while the drop in the aggregate in the province was 16 p.c.

Declines were general in the clearing centres of the Prairie Provinces, the decrease in the total being 20 p.c. Debits at Winnipeg at \$265,000,000 were down 14 p.c.

The gain in New Westminster was about 4 p.c., while declines were shown in Vancouver and Victoria. The total in the province of British Columbia was \$200,000,000, a decline of nearly 34 p.c.
