# DOMINION BUREAU OF STATISTICS 

Published by Authority of the Honourable George Hees, Minister of Trade and Commerce

Price: $\$ 2.00$ a year

## CREDIT STATISTICS

## September 1962

The data in this report represent the estimated amount outscanding on the books of selected holders of credit, and are not intended to cover total credit. Information is not available on certain avenues of service credit such as the amount owing to doctors, dentists and certain service establishments as hotels, the outstanding balances owing to utility companies, transportation companies, loans between individuals, etc. Certain series are available monthly, others quarterly or annually.

Special tabulations are made quarterly on the wholesale financing of sales finance companies (financing the transactions between retail dealer and supplier) and on the average repayment term of retail paper purchased. Information is also available quarterly on the balances outstanding on the books of retail dealers by trade classifications; these data will be included in this bulletin as soon as they Bacome available.

(8) Series excludes trades extending credit largely to commercial users, i.e. farm implement dealers and lumber dealers, but includes charge account receivables of motor vehicle dealers.
(9) Amount owing to oil companies, excluding commercial accounts.
(10) Not available quarterly.
. Figures not available.
$r$ Revised figures.
Note: No absolute total of "consumer credit" is available. For certain purposes, fully secured loans granted by banks and life insurance companies may not be considered as outright indebtedness. On the other hand, certain avenues of credit are not surveyed, i.e. service credit (doctors, dentists, utility companies, hotels, etc.), loans between individuals, etc.

(1) Passenger car financing includes cars sold for commercial as well as personal use.
(2) Covers such lines as furniture, appliances, jewellery etc.
(3) Percentage change from same month previous year.
(4) Covers commercial lines such as tractors, farm implements, commercial equipment, factory equipment etc.

Note: Repayments are estimated by adding balances outstanding at end of previous month to the paper purchased during the month and subtracting balances owing at end of current month.
