FARM IMPLEMENT AND EQUIPMENT SALES

JANUARY 1969

This report shows estimates of farm implement sales for January, 1969. These are based on the data reported by a panel of major-line companies, members of the Canadian Farm and Industrial Equipment Institute, whose portion of the 1967 total is known. These estimates are subject to revision since the factor used in the blow-up is based on 1967 operations and may change when 1968 annual totals for all firms are known later this year.
