FARM IMPLEMENT AND EQUIPMENT SALES

PROPERTY OF THE
LIBRARY

Third Quarter, 1960

This report shows estimates of farm implement sales for the first nine months of 1960. These are based upon the data reported by a panel of major-line companies whose portion of the 1959 total is known. The estimates are subject to revision since the factor used in the blow-up is based on 1959 operations and may change when 1960 annual totals for all firms are known next year.
