FARM IMPLEMENT AND EQUIPMENT SALES,January 2 to July 31, 1965

This report shows estimates of farm implement sales for the first seven months of 1965. These are based upon the data reported by a panel of major-line companies whose portion of the 1963 total is known. The estimates are subject to revision since the factor used in the blow-up is based on 1963 operations and may change when 1964 annual totals for all firms are known later this year.
