EXPLANATORY NOTES

1. In all the tables of exports in this Report, the quantities and values are based upon the declarations of exporters (export entries), as subsequently checked by Customs officials.

2. Weight, where shown, is the net weight of the goods, that is, it excludes the weight of the covers or receptacles, except in cases of certain goods, as provided in the Customs tariff.

3. The expression "ton" means 2,000 pounds, and "cwt." 100 pounds, avoirdupois. Where other units of quantity are used, Imperial standards apply.

4. In this Report are trade items such as "Washing machines and parts" and "Internal combustion engines and parts", etc., etc., which show both quantities and values. In the item "Washing machines and parts" the quantity represents the number of "Complete washing machines" only, while the value represents not only the value of the specified number of complete washing machines but also the value of all kinds of "Parts" of washing machines; therefore, in this item, and in similar items, the average value per unit cannot be ascertained.

5. "Exports of Canadian Produce" include not only articles of purely Canadian origin but also imported articles of foreign origin which have been changed in form or enhanced in value by further manufacture in Canada, such as sugar refined from imported raw sugar, and rubber goods made from imported unmanufactured rubber.

6. The value of "Exports of Canadian Produce" is the actual amount received in terms of Canadian dollars exclusive of freight, insurance, handling and other charges.

7. "Exports of Foreign Produce" consist of "Imports entered for Consumption" which have been exported from Canada in the same condition as when imported. The value is the actual amount received in terms of Canadian dollars exclusive of freight, insurance, handling and other charges, when exported from Canada.

8. Exports from Canada are credited to the country to which they are consigned, whether that country possesses a seaboard or not. The country of consignment is the country to which goods are intended to pass, without interruption of transit, except in the course of transhipment or transfer from one means of conveyance to another.

9. The initials "N.O.P." mean "not otherwise provided for".

10. Throughout this Report figures are subject to revision.
