INTRODUCTION

The 1975 Annual Report on Labour Unions has been tabled in Parliament pursuant to Section 16 of the Corporations and Labour Unions Returns Act. This supplementary report brings together additional factual information which is deemed useful in analyzing the activity of unions in Canada.

Part I lists all 177 national and international unions which qualify as reporting organizations under the Corporations and Labour Unions Returns Act, the names of the principal officers and the names and addresses of Canadian representatives on the executive boards of international unions. Part I also includes data on the membership, number of locals, women members and collective agreements in Canada of each reporting organization and the amount of per capita monthly taxes paid on behalf of union members in Canada to international union headquarters in the United States.

Part II is a detailed presentation of data on union membership, local unions, women members and collective agreements by province and metropolitan area.

The information set out in the report has been derived from union returns filed for 1975 under the provisions of Part II of the Corporations and Labour Unions Returns Act.

Le Rapport annuel de 1975 sur les syndicats ouvriers fut déposé au Parlement conformément à la Section 16 de la Loi sur les déclarations des corporations et des syndicats ouvriers. Ce rapport supplémentaire réunit des renseignements positifs additionnels lesquels sont jugés utiles dans l'analyse de l'activité syndicale du Canada.

La partie I donne la liste de tous les 177 syndicats nationaux et internationaux qualifiés comme organisations déclarantes en vertu de CALURA, les noms des principaux directeurs, ainsi que les noms et adresses des représentants canadiens faisant partie des conseils d'administration des syndicats internationaux. La partie I comprend aussi les données sur l'effectif, le nombre de syndicats locaux, l'effectif féminin et les conventions collectives au Canada de chacune des organisations déclarantes, ainsi que le montant mensuel per capita de taxe payé aux sièges sociaux des syndicats internationaux aux États-Unis au nom des membres canadiens de ces syndicats.

La partie II est une présentation détaillée des données sur l'effectif syndical, les syndicats locaux, l'effectif féminin et les conventions collectives par province et zone métropolitaine.

Les renseignements présentés dans le rapport découlent des déclarations syndicales faites pour 1975 suivant les dispositions de la partie II de la Loi sur les déclarations des corporations et des syndicats ouvriers.
