The insured population comprises persons who contribute to unemployment insurance plus claimants reporting to UIC offices. Coverage is nearly universal for members of the labour force for whom there exists an employer employee relationship. The only exclusions(1) are (a) those 70 years of age or over, (b) those to whom a retirement pension under the Canada or Quebec Pension Plans has become payable and (c) persons with inconsiderable employment, i.e., those with less than 20% of the maximum weekly insurable earnings or 20 times the provincial hourly minimum wage, whichever is less. Precise estimates of the covered population are not available. The approximate estimates in the table above are based on total labour force statistics for persons under 70 years of age and have not been adjusted for the other two exclusions. The data in the table begin with January 1972 when unemployment insurance coverage was extended to its present level.

La population assurée se compose des personnes qui contribuent au régime d'assurance-chômage et des prestataires qui envoient des déclarations de chômage aux bureaux de la C.A.C. Le régime s'étend à presque tous les membres de la population active pour lesquels il existe une relation employeur-employé. Les seules personnes exclues(1) sont a) celles qui ont 70 ans et plus, b) celles qui ont déjà acquis le droit à une pension de retraite en vertu du Régime de pensions du Canada ou à une rente de retraite en vertu du Régime des rentes du Québec, et c) celles dont l'emploi est négligeable, c'est-à-dire celles dont la rémunération est inférieure à 20 % du maximum de la rémunération hebdomadaire assurable ou à 20 fois le salaire horaire minimum dans la province, selon le moindre des deux. Il n'existe pas d'estimations précises de la population assurée. Les estimations approximatives qui figurent dans le tableau ci-dessus sont fondées sur les statistiques d'activité pour les personnes de moins de 70 ans; ces statistiques n'ont pas été rectifiées pour tenir compte des deux autres groupes de personnes exclues. Le tableau présente les chiffres à partir de janvier 1972, date où le régime d'assurance-chômage a pris l'ampleur qu'il a aujourd'hui.

(1) Revised, effective January 1976 to (a) those 65 years of age or over and (b) persons with inconsiderable employment.

Note: For estimate of the insured population for 1969-1971 see April 1972 edition of Catalogue 73-001.
